

# Explosion Causes Death of 32 People In Rooming House

PONCA CITY, Okla., April 8.—Thirty-two persons sleeping in the Newport rooming house are thought to have been killed by an explosion which occurred at 12.30 o'clock this morning, believed to have been due to an accumulation of gas. The explosion occurred in the Ferndale restaurant.

## OGDEN'S MILK BEST IN NATION

Utahns are consuming better and purer milk than the people of any other state in the union, according to federal milk inspectors from the United States department of animal industry who are carrying on an investigation of dairies in northern Utah and co-operating with John Felt, city dairy inspector. Particularly is this true in the Ogden vicinity, according to the inspectors, for exhaustive tests have proved that tuberculosis among cattle of northern Utah is but two per cent, a figure much lower than in any other section of the United States.

large business problems," Chairman Benson's announcement said, "the solution of which vitally affects the future of the merchant marine of the country. One is the method and terms of the sale of its ships, and the other is the operation of its fleet, pending such sale. The board desires to bring to its aid the best merchandising experience and ability that can be found in this country."

## K. C. K. Boys Marry; Seek Smaller Club

The K. C. K. club, a young men's social organization, is closing up today the clubrooms in the Hust building on Hudson avenue with the intention of seeking more suitable quarters. With many of the younger members "marrying off" and others leaving the city, it was decided to make this move rather than pit a membership campaign.
