You are proud, and well you should be of _____
 We are investing one-quarter million \$\$ in _____
 \$60,000.00 worth of lots --- already sold to people around _____
 You could not live in a more desirable place than _____
 Nor buy property that would increase in value faster than in this NEW ADDITION to

OGDEN

It's YOUR CITY of "honest enterprise" and we'll FIGHT like the boys did OVER THERE to keep our city clean --- that's why we have restricted this NEW ADDITION to high class HOMES and eliminated the undesirable.

**SPEEDING
MUST STOP!**

Our salesmen are so anxious (and zealous of good works) that they want to submit the facts concerning this new RESTRICTED RESIDENTIAL and HIGH CLASS tract to everyone in this entire community, so much so, in fact, that one of our men is now PAYING the PENALTY for violation of the traffic laws, and right here, permit the officers of this company to say that each of us in turn are willing to serve a SENTENCE in the COUNTY JAIL if our act in this respect will stop the INSANE use of our HIGHWAYS.
