G. O. P. CONTROL OF CONGRESS NOW ASSURED

Large Gain for House and Senate From Overnight Reports

NEW YORK, Nov. 3.—Republican control of congress for another two years with an increased house majority and a prospective increase in the senate, was a major part of the election sweep.

A net gain of twenty votes in the house was shown with complete returns from only seventeen states, but with most of the Democratic strongholds reporting.

Eight of the fifteen Republican senatorial candidates had come in winners today, the seven others had substantial leads, while in ten other states all of the Republican entrants were reported in the van.

For the nineteen Democratic senate seats, nine of the minority party had been returned winners, all from southern states, while in the border and western states the others were fighting an uphill battle.

GENERAL LANDSLIDE. That the general Republican landslide would sweep several more Republican senators was predicted confidently by Republican campaign managers, whose claims included a majority of eight to ten in the senate, both the Republican presidential and senatorial tickets were reported early today as ahead in California, Nevada, Missouri, Colorado, South Dakota, Idaho, Ohio and Washington.

Of the Democrats, Senator Underwood, of Alabama, minority leader, was re-elected and Representative Hefner, who defeated Senator Kirby in the primaries and was elected yesterday, among the Republican leaders re-elected were Senators Brandagee, Wadsworth, Dillingham, Watson and Penrose.

VETERANS ELECTED. In the house most of the veterans both Republicans and Democrats, were re-elected, including Speaker Gillett, now holding the record for continuous service and elected for his fifteenth term.

Chairman Good, of the appropriations committee, and other prominent committee chairmen, were re-elected. Taxation, tariff and other fiscal measures will remain in charge of Senator Penrose, chairman of the senate finance committee, and Representative Ford, chairman of the house ways and means committee, both of whom were re-elected.

BULLETINS OF ELECTION

BERGER DEFEATED. MILWAUKEE, Wis., Nov. 3.—Victor L. Berger, socialist congressman from the fifth district of Wisconsin, at noon today conceded his defeat by William H. Stafford, Republican.

MONTANA RESULTS. HELENA, Mont., Nov. 3.—Montana, in returns from 55 of the state's 145 precincts, gave Senator Harding a lead of nearly 22,000 over Governor Cox. The returns showed Harding 54,423; Cox 32,278.

OKLAHOMA RETURNS. OKLAHOMA CITY, Okla., Nov. 3.—Unofficial and incomplete returns from 1115 precincts out of 2055 in Oklahoma compiled at 10:30 o'clock today gave for president: Cox 93,358; Harding 95,946, or a majority of 3419. An early tabulation of 1087 precincts gave Cox 97,872; Harding 99,406, or a majority of 4367.

OHIO FOR HARDING. COLUMBUS, O., Nov. 3.—The noon tabulation on the Ohio presidential vote showed Senator Harding leading Governor Cox by 258,946 on returns from 5248 precincts out of 7145 in the state. The vote was: Harding 510,746; Cox 551,500.

Returns from 3676 precincts gave former Governor Willis a lead of 158,268 votes over W. A. Julian, his Democratic opponent for United States senate. The vote was: Willis 537,164; Julian 378,736.

NEW YORK RESULTS. NEW YORK, Nov. 3.—Revised figures for 6342 districts out of a total of 7308 in the state gave for president: Cox 735,537; Harding 1,722,154.

CHAMP CLARK LOSES. ST. LOUIS, Mo., Nov. 3.—The count in 214 out of 283 precincts in the ninth Missouri district today gave for Congressman Clark, Democrat, 22,463; Hukriede, Republican, 30,269.

OMAHA FIGURES. OMAHA, Neb., Nov. 3.—Revised and corrected returns from 1934 of Nebraska's 1877 precincts on president gave: Harding 156,050; Cox 16,319. A total of 1086 precincts on governor gave: Governor Samuel R. McKelvie (r) 96,281; former Governor John H. Moorehead, 83,037; Mayor Arthur G. Wray, of York, an independent candidate endorsed by the Nonpartisan league, 52,628.

PARLEY P. STRONG. SEATTLE, Wash., Nov. 3.—Senator Harding's lead in Washington neared the 60,000 mark when returns were received from 762 of the 2378 precincts in the state. The returns gave Harding \$3,885; Cox 30,432; Christensen 23,837.

United States Senator Wesley L. Jones, Republican, and the state's five Republican members of the house of representatives were leading as were Governor L. F. Hart and other members of the Republican state ticket. Returns from 693 precincts gave Hart a lead of 21,432 over Robert Bridges, Farmer-Labor, for governor. W. W. Black, Democrat, was third.

SOLID SOUTH CRACKS; G. O. P. MAKES GAINS

Big Surprise of Election Is Vote Piled Up For Senator Harding

ATLANTA, Ga., Nov. 3.—A real surprise in the presidential election in Tennessee, however, said they were confident that later returns would give Tennessee's electoral vote to Governor Cox and keep the state in the Democratic column.

Election of a Republican governor in Tennessee appeared probable, returns at noon showing Al Taylor, Republican, leading Governor Roberts, Democrat, by approximately 15,000. While Louisiana apparently was safely Democratic, the size of the vote polled by Harding came as a distinct surprise to leaders on both sides. He carried ten parishes, apparently was an easy winner in the Third congressional district, and received majorities in eight New Orleans precincts, mostly in the uptown residential section.

All of the other southern states appeared today to have rolled up the traditional Democratic majorities.

GOVERNOR SMITH LEADS OPPONENT BY TINY MARGIN

NEW YORK, Nov. 3.—Governor Smith, Democratic candidate for re-election, at 3:15 o'clock today was leading his Republican opponent Nathan L. Miller, of Syracuse, by only 256 votes with 775 update districts which Miller adherents claimed would give their candidate a 60,000 margin of victory, still to report. The vote stood: Smith, 1,205,243; Miller, 1,204,987.

BRITISH MINER CHIEFS DECIDE TO END STRIKE. LONDON, Nov. 3.—The executive officers of the Miners' federation have decided to declare the coal strike ended and advise the men to resume work. This action was resolved upon at a conference of the executives today, although the ballot of the miners showed a majority of more than 8000 against accepting the government's settlement proposals.

G. O. P. VICTORY PILING UP DEMOCRATS LOSE COUNTY AND DISTRICT

KIMBALL AND HOWELL WIN IN JUDICIAL RACE

Democrats May Get One Office — That of County Treasurer Here

DAVIS COUNTY FOR G. O. P. DISTRICT JUDGES

Not All Returns In, But No Changes in Result Are Looked For

With only eight districts missing at press time today, the vote for county treasurer stood: Evans 5418; Piper 5302.

Winning a majority of 500 votes for Judge James A. Howell and James N. Kimball of Ogden, Davis county today swept these candidates into office as judges of the district court. The result in Ogden and Weber county was in doubt even after complete returns had been received from 51 city and county districts, but the Davis county majority assured their return to the district bench.

A close race was staged in the city and county between the victorious candidates and Judge A. W. Agee and Judge A. E. Evans, Democrats. The complete returns from the 51 districts gave Judge Kimball a lead over Judge Pratt of 135 votes, but until Davis county came in, the race was in doubt. Judge Agee was leading him in the city and county by a majority of 203.

It was predicted at Republican headquarters this morning that the full returns from all districts would mean victory for Judge Howell without outside assistance, but the aid came from the balance of the districts reported.

ONLY ONE EXCEPTION. Complete returns from the 51 districts in the city and county at noon today indicated without a doubt a sweeping victory for Republicans in the election of the ticket down to the lowest office holder, with but one exception. The exception is the neck and neck race between F. Piper, Republican, and David W. Evans, Democrat, for the office of county treasurer. At noon Mr. Evans led his opponent by 107 votes, but the race is expected to be decided by the coming of returns from the remaining districts. Republican headquarters will not concede the election of the Democrat until all votes are counted and every district has reported.

MANY SCRATCHES. The huge number of scratched tickets made the returns slow and at noon many districts reported that they had not completed their count. The entire count is not expected to be reported until tonight, it was said.

From the first bulletins which were telephoned in shortly after 7 o'clock last night, when straight tickets were counted, indications pointed to a landslide for the Republicans. But later returns from scratched ballots evened up many of the contests and the final result was in doubt until late this morning. The state candidates were never in danger and Ogden and Weber county simply aided in sweeping these candidates into office.

A surprising vote was cast by the Farmer-Labor party in Ogden and in some instances candidates on that ticket polled half the number of votes counted in the districts. None of the Farmer-Labor candidates, however, were within striking distance of office.

HOW THEY STAND. The complete returns from the districts reported at noon show that Cox polled 3126 votes against 4213 for Harding.

GOVERNOR COX SENDS WIRE TO PRESIDENT ELECT

DAYTON, O., Nov. 3.—Governor Cox, the defeated presidential candidate, today wired his congratulations to Senator Harding, the president-elect, pledging support "as a citizen to the executive authority in whatever emergency might arise."

His message, the first act of the defeated candidate today, read: "In the spirit of America, I accept the decision of the majority, tender as the defeated candidate my congratulations and pledge as a citizen my support to the executive authority in whatever emergency might arise."

SMOOT ELECTED FOR FOURTH TIME AS U. S. SENATOR

Colton and Leatherwood Will Go to Congress From State

SALT LAKE, Nov. 3.—The Republican ticket from head of the ticket down to the office of constable in virtually every county of the state, according to returns compiled early today from 27 of the 29 counties in the state. The total number of precincts reporting were 320 out of 650 in the state.

The only possible exception to absolute Republican success came from Washington county where the Democratic ticket was leading that of the Republicans by a narrow margin in the county eleven out of nineteen precincts had reported partial returns.

Standing of candidates at 9 o'clock this morning was as follows from 27 out of 29 counties: For president: Cox 24,210; Harding 37,023. For senator: Wellington, Democrat, 23,550; Smoot, Republican, 35,875. For congress, first district: Colton, Republican, 14,771; Funk, Democrat, 9681.

For congress, second district: Thomas, Democrat, 13,794; Leatherwood, Republican, 21,425. For governor: Mabey, Republican, 36,083; Taylor, Democrat, 24,625.

Senator Reed Smoot for the fourth time as the result of the election. He has served continuously since 1903 and been prominent in formulating the financial policy of the Republican wing of the senate. The Republican congressmen-elect are both new men in national affairs. E. O. Leatherwood, of Salt Lake, is a Salt Lake attorney and has served as district attorney. Don B. Colton, a business man of Vernal, will represent the second district. He has been a representative and senator in the Utah legislature since 1902.

SOCIALISTS PLEASED WITH ELECTION RESULTS. CHICAGO, Nov. 3.—Socialist headquarters today expressed satisfaction over the showing the party made in its effort to elect Eugene V. Debs president, although he is in Atlanta prison for violation of the espionage act. They said reports indicated that not only had the vote been increased for the national ticket, but that of some precincts Socialist candidates had run even with Republican and Democratic candidates while in New York they elected four Socialist members of the legislature, who had been ousted or resigned, and had added a woman member to that body.

Otto Brandtetter, national secretary, last night sent a telegram to Debs, estimating that the total vote for him would be nearly 3,000,000. The Socialist vote was heavy in Milwaukee, giving Victor Berger a lead for congress, from which he has been twice expelled.

SUTHERLAND IN LINE FOR PORTFOLIO; SMOOT ALSO IS MENTIONED

MARION, O., Nov. 3.—Although nothing authoritative has come from Mr. Harding or any of his close advisers as to the probable cabinet selections of the new administration, campaign gossip as it has been related by callers at Harding headquarters and by local leaders has included repeated mention of several prominent Republicans.

In this current of unofficial and purely speculative talk two names heard with great frequency are those of Harry M. Daugherty, Senator Harding's pre-convention manager, and John W. Weeks, of Massachusetts. Throughout the campaign Mr. Daugherty has been more closely associated with Mr. Harding than any other party manager. This close contact, together with the senator's repeated praise of Mr. Daugherty's services, has led to guesses that the latter can sit in the new president's official family if he so desires. He is a lawyer and has been mentioned most frequently as a possible choice for attorney general.

WEEKS MENTIONED. A former senator, Mr. Weeks, also has been a member of the Republican campaign executive committee. He is a graduate of the naval academy and a former member of the senate naval committee, a circumstance which has linked his name in the undercurrent of political speculation with the secretaryship of the navy.

Another name mentioned frequently in connection with the attorney generalship is that of former Senator George Sutherland of Utah, who was attached to Senator Harding's headquarters here during a large part of the campaign. George W. Wickersham, of New York, a former attorney general, has been mentioned in speculation about both the war and justice portfolios, and Senator James W. Wadsworth, of the same state, has been talked about as a possible secretary of war.

For secretary of agriculture, those who think they know are suggesting Henry Wallace, of Iowa, publisher of farm periodicals, Senator Arthur Capen of Kansas, and many others. Representative John J. Esch, of Wisconsin, is one of those suggested for secretary of commerce and in general speculation about the important social welfare work to lodge.

ROOT AND LODGE. Among many names which appeared by the self-constituted cabinet makers in connection with the post of secretary of state are those of Henry Cabot Lodge, Elihu Root, Philander C. Knox and Charles Evans Hughes. Mr. Lodge, as chairman of the foreign relations committee, has led the fight against unreserved ratification of the Versailles and Mr. Harding frequently has expressed high regard for his knowledge and judgment in international affairs.

Whether political history will repeat itself in the selection of Will H. Hays, chairman of the Republican national committee, as postmaster general, is another question which the gossip has assigned him most frequently to the treasury or interior departments. There also has been a theory circulated that Senator Harding might prefer to put the reorganization of the war department in the hands of an army man instead of a civilian and might ask Major General Leonard Wood of General John Pershing to take portfolio.

IMPERIAL TAPESTRIES TO BRING BREAD TO AUSTRIA. VIENNA, Nov. 3.—The reparations commission has authorized the government to pledge the famous imperial tapestries as security for a loan to purchase sixty thousand tons of breadstuffs.

STUDY U. S. ARMY METHODS. THE HAGUE, Oct. 3.—(Correspondence of the Associated Press.)—The study American army methods and, with the permission of the United States government, has sent a commission of officer observers to the American army department has decided to can army on the Rhine.

Quite often the most interesting news of the day is to be found in the want-ad section.

NEW YORK, Nov. 3.—The Republican landslide continued to roll along in even proportions today as belated election returns from the west.

Besides electing Warren G. Harding president, it was assured that the Republicans would increase their margin in both houses of congress and in the senate in particular, would change their previous control by one to a substantial working majority.

Congressional returns from many states were slow, as were, indeed, the returns on the vote for president. Both on the basis of actual returns at hand and indications from partial returns coming in, it seemed that Harding would have not less than 330 votes in the electoral college with a probability of more than 230, while all that could be counted in the Cox column were the one hundred and twenty-seven votes from the solid south.

Unless some sudden change were to appear it seemed that the returns were making good the Republican prediction that Cox would not carry a western or a northern state. In many of its aspects the election was very unusual. It developed what may turn out to be the greatest Republican victory in party history. Both the Democratic candidate and his chief managers conceded defeat before enough returns actually were in to show it. It appeared probable that what President Wilson characterized as "a solemn referendum" on the league of nations issue, and if it may be said that the election regarded their votes as an expression on that question, they registered a preference for Harding, who declared for "staying out" against Cox who declared for "going in" with a landslide which exceeded the expectations of the most enthusiastic Republicans.

REPUBLICAN SHIFT. Everywhere a shift toward the Republican column was heavy. Many states which went to the Democratic strength when Wilson defeated Hughes in the senatorial election of 1916 returned to the Republican column in yesterday's balloting.

Boston going Republican for the second time in its history; New York giving Harding an unheard-of plurality and ratios of two to one in many states, gave indications of the proportions of the Republican landslide which apparently left the Democratic candidate nothing but the traditional solid south.

This morning, twenty-four hours after the nation had begun to begin, it appeared that complete returns from all districts would not be in for another day, but the trend of those returns being reported gave no indication of latering the situation.

At noon eastern time today congressional returns were complete from only seventeen states, but all the returns then available showed a Republican gain of twenty-five in the house of representatives offset by losses of three.

GAIN FOR HARDING. In the senate the only Republican gain definitely recorded was one from Maryland, but the landslide motion of the Republican national ticket in other states promised further senatorial gains with it.

The only news in the incoming presidential returns was a steady gain for Harding in the electoral college. In addition to the states hitherto given to him in the electoral college there would be added Idaho, Nevada, Missouri and Maryland.

Others carded in the doubtful column showed a continuing list to the Republican column.

'I'M DEPRESSED' SAYS SECRETARY ON SEEING VOTE. WASHINGTON, Nov. 3.—President Wilson was up early this morning and after breakfast spent some time on the south porch of the White House porch enjoying a warming sun.

White House officials said they did not expect the president to make any statement today on the result of the election.

Secretary Colby, of the state department, declared he was "disappointed and depressed." However, he added:

"I cannot but feel a confidence that in some way and by some avenue not at the moment disclosed this country will act up to the highest concept of duty."

IRISH VILLAGE AGAIN TERRIFIED BY OUTRAGES. DUBLIN, Nov. 3.—Another crop of outrages, attacks on police and reprisals was reported today, involving several deaths and many injured at Tralee, where the situation was so serious that the townspeople were fleeing, fearing worse things.
