

# BOOSTERS FORM SALT LAKE FANS GLOB IN OGDEN ALL FOR BROMEO

### Baseball Team Will Have Full Support of Pep Organization

Springtime weather with Ogdren again back on the baseball map has made sporting conversation during the past few days thicker than flies in August. And it all centers around the pep and ginger being shown by young men of Ogdren who are to be known during the coming season as "Ogdren's Loyal Boosters." The Ogdren club of the Northern Utah league will have the support of this body and their support will be for the entire season.

Headed by a number of young business men of the city the new organization should be successful in its endeavors. The new organization will probably never be numbered among the international orders unless uncontrolled enthusiasm will make them internationally known.

And here's what it means. Ogdren has a new wide awake, live organization of young men who are going to see that the baseball pep of the days of the old Union association is restored. They are going to back the ball club through thick and thin.

And here's how you are going to tell a member of the "O. L. B." He is going to carry a smile about twice as large as the average fellow. Yes, and beginning May and every day thereafter during the baseball season in Ogdren there's where you are going to find him.

These young men have started the ball rolling and are expected that other booster clubs will be formed for the same purpose.

Extensive plans are being made by officers of the Ogdren baseball club for the coming season, various means of raising funds being considered.

The dance, which will be given at the Berthana hall Thursday evening, March 31, will be one of the first stunts listed to start the ball rolling. All money made at the dance will be turned into the baseball treasury.

## BEES HITTING FINE IN PRACTICE GAMES

ROYES SPRINGS, Cal., March 22.—Heavy hitters are hammering bats out of sight daily in the training camp here of the Salt Lake club of the Pacific Coast league. Newspapermen here with the team predict that the Bees will be up among the leaders at the end of the season if they hit the ball in league games as well as they have been hammering it during the spring training.

Leading the hitters is "Gavvy" Cravath, veteran major league player who is Salt Lake's new manager. Cravath in one practice game recently knocked out seven home runs and it is predicted he may set a new league record for circuit clubs. Along with Cravath in the hitting department are Jenkins, catcher, Lynn, catcher, Jordan, first baseman, and Sand, third baseman.

Cravath hopes to obtain several more players from eastern league clubs to fill in some of the gaps made in the club last season.

## YALE CHIEF GIVES CREED IN ATHLETICS

NEW HAVEN, Conn., Mar. 22.—His "creed" in regard to intercollegiate athletics was given by President-elect R. Angell of Yale university, in an address. It was Angell's first speech at Yale, where he takes up the duties in June, following the retirement of President Arthur W. Hadley. "These," he said, "are the essential features of my athletic creed: Physical education of the helpful kind for every college student, particularly for the non-athlete, who is often a bit neglected. I want clean, honest intercollegiate athletics. If there are to be professional or semi-professional coaches, I want men who are not only technically expert, but are of essentially sound, fine character. I should rather have a man of questionable character in any other position than that of athletic coach."

Indication of the popularity of Claire Bromero in Salt Lake was noted last night when a leader for a large delegation of ring fans told Promoter Jim Downing that the Salt Lakers will attend the Friday night scrap 150 strong and will be prepared to back their favorite to the limit against Gordon McKay. Bromero is declared to be out to redeem himself in the eyes of the Ogdren ring followers for his lack of aggressiveness in his fight with Leo Matlock.

# CLASS BASEBALL GAMES ON CARD

### Ogdren and Weber Athletes Mixing in Annual Series

Class baseball series at the Ogdren High school and Weber Normal college got off to a good start today. Games were scheduled between the four class teams at both schools. Coach Malcolm Watson of Weber Normal has more than fifty candidates out for the school team while Coach Carl Peterson at the Ogdren High school has a like number of candidates.

The school teams at both Ogdren and Weber will be selected from the class team material and for that reason the players on the various teams are working hard for their positions.

Track stars at Weber Normal have answered the call, more than thirty men being out in the abbreviated tops every night. Coach Watson expects to have a first-rate team in harness when the bell sounds for the division meet and is working hard with his sprinters, Lindsay, and Hickman in particular.

The Tigers will not be represented in the track and field sport during the coming season, according to Coach Peterson. The entire attention of the athletes of the school will be turned toward baseball. The first game for the Tiger baseball squad will be played Thursday afternoon when they tangle with a crew of all-stars composed of former Ogdren high men.

The contest between the all-stars and the Tigers will be played at the state school for the deaf.

# Kansas Defeats Jackson and May Meet Benny Next

### Rocky Kansas of Buffalo received the Judge's decision over Willie Jackson of New York after a 12-round bout in Madison Square garden last night. Jackson weighed 132 1/2 and Kansas 133 1/2. Kansas, who came into prominence recently by knocking out Ritchie Mitchell of Milwaukee, probably will be given a chance at Benny Leonard's title.

His attack puzzled Jackson, who was unable to avoid Kansas' terrific left swings. There was a question as to the eligibility of a backhand blow used by the Kansas but Referee Patsy Haley declared it was permissible if the blow was struck with the gloves.

Jackson out-pointed Kansas in the first and second rounds, although in the latter round he received a hard left to the head which sent him across the ring. In the third Kansas punished his opponent's body with hard lefts. In the next two rounds, Jackson kept him away with a long left. From the sixth to the eleventh, Kansas rushed his opponent about, punishing him about the head and body. Jackson was cautioned the seventh for pushing his thumb into Kansas' face. In the last round Jackson fought harder, standing toe to toe with his opponent. Kansas' best attack was at close quarters.

The bout was staged to raise funds for the suffering poor in Ireland. M. J. O'Brien, chairman of that fund committee, introduced Tex Rickard as the best sportsman he ever had in this community. Rickard announced more than \$70,000 had been made for the fund, above expenses.

## Yokel-Dern Sign for Finish Match for World's Title

Mike Yokel, world's middleweight wrestling champion, and Ira Dern of Salt Lake have signed articles of agreement for a finish match at Salt Lake, March 26, according to word received here today. The match will be the best two in three falls to a finish, the world's championship going to the winner.

A purse of \$1500 has been put up by Promoter Harry Heagren and it is very probable that the men will wrestle on the winner take all terms. Yokel and Dern wrestled 3 hours to a draw at Salt Lake last April and since that time Yokel has been anxious to tangle with the Salt Laker.

## Veteran Golfer to Clash with Yankees

George Duncan, famous English golfer who plans to visit this country the coming summer, will do well to bring a crew of caddies with him, his reputation of being the fastest man on the courses of England has preceded him here, and all of the American caddies are worrying for fear they will be assigned to work for him. Duncan does not parley over his shots. He takes in the situation in a glance, walks up and whangs away at the ball, then starts off on a brisk walk. Ted Ray, white horse, last summer declared Duncan was the hardest gofer in England to caddy for, and that all the youngsters at the leading club in England disliked to see him report for play. Duncan is the British open champion.

## Maranville Brings Boston Good Purse

Baseball does not seem to be entirely commercialized according to very probable that the men will wrestle on the winner take all terms. Yokel and Dern wrestled 3 hours to a draw at Salt Lake last April and since that time Yokel has been anxious to tangle with the Salt Laker.

Tommy Gibbons, a brother of Mike, and an aspirant to the heavyweight championship, will meet Paul Sampson in a 15 round bout tonight in Gotham.

Charles C. Ramsey, a member of the American polo team, entered for competition with English teams for the world's championship in June, sailed today on the Aquitania. Other members will leave next month.

Plans are under way for a big regatta on Chesapeake bay next July under the auspices of the Baltimore Export and Import Board of Trade.

Mike Yokel, claimant of the middleweight wrestling championship, will meet Ira Dern at Salt Lake March 26.

## Sport Chatter by Al Varden

Bull Montana, light heavyweight wrestler, is anxious to meet Jack Harbertson of Ogdren. Montana has written this department hurling a challenge at the top.

K. O. Romonoff has also hurled a challenge at Harbertson. In a communication to this department from Los Angeles, Romonoff states that he has written promoters of Ogdren on several occasions but has failed to receive an answer. He is ready to meet Harbertson on any terms.

Eddie Mulligan, third sacker of the Salt Lake Bees during the 1920 season, now with the Chicago White Sox, appears to have clinched his position at the far corner. Mulligan has been sapping the ball to all parts of the lot in practice games and has been fielding with regularity.

The West high school tracksters defeated the Granite high school team in the Granite gymnasium yesterday afternoon 36 to 32. Marks in all of the events, however, were poor.

Twenty-one more days and the gates at the big league parks will swing open to a department of managers in the two leagues have predicted that their teams would cop the gale.

A golfer doesn't have to go to a photographer's to be interested in the birds.

Many are wondering: What did Benny Kauff up when he chatted with Landis?

Tip to mayors of big league cities: Practice throwing a baseball as far as it is from home plate to the pitcher's box.

There'll be no gearshift in the Cub machine this year. Just one speed, says Evers, and that'll be high.
