MASONS HOLD GAME WARDENS JOLLIFICATION FORM SOCIETY

Fiftieth Anniversary of Federal Game Preserve Is Proposed; Public Shooting Club Favored

SALT LAKE, Jan. 18.—Masons of Utah last night celebrated the fiftieth anniversary of the organization of the grand lodge of Utah. Free and Accepted Masons, in the Orpheum theatre with hundreds in attendance. The large building was crowded to overflowing with men prominent in all walks of life and on the rostrum there were two veterans of the order who took part in the organization of the grand lodge fifty years ago. They were Samuel Paul of Salt Lake, past grand master, and A. Toppone of Ogden, past junior grand warden.

Mr. Williams made a few introductory remarks. He spoke of the pleasure it gave him to preside at such a gathering, reviewing the fifty years of his business life in Salt Lake and nearly fifty years as a Mason. He spoke feelingly of the small beginning with 125 members, the growth in fifteen years to 500 members and to the present date when there are more than 4,000 Master Masons within the jurisdiction. He also referred in a reverent way to the only two who were present at the organization fifty years ago. He then introduced Dr. Carver, who gave a brief address of welcome.

NEW VOTERS TO BE ACCORDED WELCOME

LOGAN, Jan. 18.—An elaborate citizenship celebration will be held in the Logan high school January 21, at which all new voters and women who become voters during 1921 by virtue of having reached their twenty-first birthday, will be welcomed as citizens and told of the duties and obligations devolved upon them, according to plans of chamber of commerce committee who are working out the details for the celebration. This idea is copied from the ancient Romans, who welcomed new citizens of the Roman empire with great ceremonies. It was suggested by Superintendent of Schools Bronson Ryan and readily accepted by the directors of the chamber of commerce. The heads of the various subcommittee which are working out the plans for the event, announced and announced progress to date. A tentative program was announced, which will be followed on the occasion. On this program Justice J. E. Frick of Salt Lake will be the orator of the day and deliver the message of the community to the young citizens who are to be "officially" accepted into citizenship on this day. Former Mayor William M. Howell was named as temporary chairman of the function, and he will introduce Mayor John A. Crockett, who will be permanent chairman. The remainder of the program is as follows: Overture, by the enlarged Brigham Young college orchestra; invocation by President Joseph E. Cannon of the senate; community singing, "The Star Spangled Banner," by a soloist to be selected; oration, Justice J. E. Frick; singing, "The Flag Without One Star," by Miss Edna Johnson, community singing; benediction, the Rev. Harris Pillsbury.

CLARK CO. FARMERS HOLD CONFERENCE

DUBOIS, Ida., Jan. 18.—Phases of farming and the raising of livestock are the subjects under discussion at the Clark county farmers' institute that began yesterday for a three-day session. G. G. Wright, president of Anderson Bros. bank of Idaho Falls, delivered the principal address, dealing mainly with the financing of the farmer. Other speakers included C. W. Hickman of the University of Idaho, John Paul, president of the Clark county farm bureau, and President C. E. Fryer of the Idaho Technical Institute of Pocatello.

WATER-USERS NAME OFFICERS

POCATELLO, Idaho, Jan. 18.—The Pocatello Water-Users' association elected officers at the chamber of commerce rooms Monday. O. T. Stewart was chosen president; T. J. Larsen, vice president; and W. P. Haywood, secretary-treasurer. The chief address before the meeting by Mr. Haveron was on methods of measuring water and improvements upon irrigation methods. The members pledged their support to the institute at Pocatello, January 24 and 25.

SMALL BLAZE IN THEATRE

POCATELLO, Ida., Jan. 18.—The quick response of the fire department Monday doubtlessly prevented an extensive fire at the American theatre on East Center street. Some one dropped a match into some ropes on the stage. This started a fire. The loss is estimated at a few hundred dollars. A small fire was caused from a defective chimney in the motor shops of the Oregon Short Line. Slight damage was done.

SCOUTING SCHOOL TO OPEN AT A. C.

(Special Dispatch.) LOGAN, Jan. 18.—Beginning January 23 and running until February 4, a special school for scoutmasters will be conducted at the Utah Agricultural college under the direction of Dr. George R. Hill. This course is designed to give scout leaders the ability to actually teach scouting to boys in such a way that troop enthusiasm will be maintained and the troop kept going. Dr. Hill, "due to the lack of scouting material it has been the rule that scout troops do not last longer than one year. Scouting is recognized as a tremendous force in the education of boys and properly understood is so appealing that it will get any boy's attention and interest. Twenty specialists, therefore, are putting their time at mastering games, stories, contests, nature study, maping, first aid, public health, life saving, and swimming. These experts, who will assist at the college during the period of the two weeks course, have studied the psychology of boy leadership to such an extent that the work will be thoroughly practical to scoutmen."

Prevent Children's Cold Troubles When Kiddies Come In Wet and "Sniffling," Apply Vicks Over Throat and Chest to Keep Off a Cold

CHILDREN, as modern mothers know, should play outdoors daily. Colds result. How to treat colds without inward dosing, so disturbing to little stomachs, has been a problem. Vicks answers this need. Applied externally, it can be used freely and often. Daytimes, the kiddies can continue their outdoor fun. Nighttimes, the windows can be opened wide, for if the bed clothes are left loose about the child's neck, Vicks healing vapors will be inhaled until morning. This direct treatment usually averts spasmodic croup, and if an attack does come on unexpectedly, the use of Vicks as directed frequently brings relief in 15 minutes. Good for Grown-ups, Too. Vicks is effective in the same way for all the cold troubles of the family, grown-ups as well as kiddies—for head colds, catarrh and asthma, deep chest colds, bronchitis, incipient pneumonia, tonsillitis, sore throat and "grippy" colds. Its penetrative and rubefacient action makes it useful for dozens of daily ills, such as bruises, burns, cuts, stings, and itching skin troubles.

The DIRECT Treatment for All Cold Troubles. ABSORBED, like a liniment, and, at the same time. INHALED as a vapor, Vicks reaches immediately the congested air passages. Vicks doesn't relieve every case. No remedy can do that. But it is successful in such a large percentage of cold troubles—from head colds and sore throat down to bronchitis or deep chest colds—that we have been able for years to make the following offer: VICKS STANDING OFFER. Buy either the 35c, 75c or \$1.50 size. Use all or part of it. If you are not delighted with the results, mail us the top of the carton and the purchase price will be cheerfully refunded. VICKS VAPORUB. Over 17 Million Jars Used Yearly. TRIAL TIN FREE. Send this coupon to the Vick Chemical Company, Greensboro, N. C. A 1/2-oz. trial tin of Vicks will be mailed you promptly, sufficient to test the efficacy of its vapors by melting in a spoon, as shown in the illustration to the left. Name: Address:

O. S. L. PROPOSES TO REDUCE SERVICE

BOISE, Idaho, Jan. 18.—The Oregon Short Line is proposing the severest curtailment of train service on ten branches of its system, according to H. V. Platt, general manager, in a letter addressed to the public utilities commission of Idaho. The object, according to the rail road management, is to reduce losses in operation now sustained on all of these branches in the hope of securing funds from capital accounts for improvements and extensions badly needed. The proposed changes in service on these lines follow: Mixed train service in place of straight passenger service on the Mackay, Victor and Wood River branches. Daily except Sunday, north side branch, Minidoka to Bliss. Mixed train Sunday. Tri-weekly, Oakley, Declo, Hill City, Nampa-Murphy and Nampa-Wilder Idaho Northern, Oregon-Brogan and Ontario-Homedale.

DEFENDANT WINS IN CONDEMNATION SUIT

IDAHO FALLS, Idaho, Jan. 18.—A verdict for the defendant was returned Saturday night by the jury in the case of the city against H. R. Jackett. The case grew out of a condemnation suit relative to property in which Jackett asked judgment for \$10,000. With Judge Baum of American Falls on the bench the second week of the adjourned session of the Bonnevill county district court opened yesterday.

CONVICT DECLARED GUILTY OF ASSAULT

SALT LAKE, Jan. 18.—Jury yesterday found Stanley Shadlow, who is serving an indeterminate sentence in the state prison for burglary, guilty of an attack upon a guard. He will be sentenced next Saturday. Shadlow testified yesterday he obtained the pistol used in the attempted escape of September 14, from Harry Brewer, who escaped from the prison several weeks before.

PROVIDENCE, Jan. 18.—At the advanced age of 90 years, John Francis Maddison, pioneer, died here on Monday. He was born June 16, 1832, at Trenton, N. J., and came to Utah in 1851, settling in Salt Lake. In addition to his daughter, Mrs. Lily M. Hanson, at whose home he died, he is survived by one son, Dr. W. E. Maddison of Salt Lake, a sister, Mrs. Flora Maiben of Salt Lake, and ten grandchildren.

SWITCHMEN HURT IN YARD ACCIDENT

POCATELLO, Idaho, Jan. 18.—E. B. Roe and A. L. Lowellen, switchmen, were severely injured early yesterday morning when two switch engines crashed in the railroad yards. The snow prevented signals given by Foreman Rupe from being seen, it was said. Roe suffered a crushed left ankle and Lowellen suffered severe injuries to his right shoulder and side. Light snowstorms were reported last night and this morning over the Idaho division of the Oregon Short Line railroad. The temperature varied from zero to 30 above, with ten inches of snow in the Bear Lake section. Nine to ten below is reported from the Montana division.

DIES OF HEART FAILURE

LOGAN, Jan. 18.—James T. Reese, 50 years of age, of Smithfield, died suddenly yesterday of heart disease, while riding in an auto truck between Smithfield and Richmond. Mr. Reese was employed at the milk condenser at Richmond and made the trip daily in the company's auto truck. He had been unwell the week before and had been in a short distance to catch it and died soon after leaving himself. The funeral will be held at the Smithfield first ward chapel Thursday afternoon at 1 o'clock.

You are entitled to the benefit of the doubt Why not take advantage of it? The law is very careful in protecting the rights of a prisoner charged with a crime. How about the Law of Common Sense and the man who has committed an error only? Isn't this a good place to use the benefit of the doubt, too? Take your own case: If you don't know for sure whether tea or coffee is harming you, you do know that many are harmed by the drug element in tea and coffee, and that headaches, nervousness, or high blood pressure are symptoms which often tell that the drug, caffeine, is giving the nervous system too much jolt. Probably you know, too, that some people can't take a cup of tea or coffee at bed-time, and sleep well that night. Where many have been harmed by tea and coffee, and you may be harmed, isn't it well to put the benefit of the doubt on your side before doubt becomes an unpleasant certainty? There's charm without harm in Postum—a pure cereal beverage, rich in flavor, fully satisfying, the favorite table drink of thousands. Suppose you try giving yourself this benefit today, and keep up the test for ten days; then judge the results. See if you don't feel better and work better. You can get Postum wherever good food and drink are sold or served. Postum comes in two forms: Instant Postum (in tins) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make drink while the meal is being prepared) made by boiling for 20 minutes. Postum for Health—"There's a Reason" Made by Postum Cereal Company, Inc., Battle Creek, Mich.
