Meeks-Godell.

Last Sunday, at the home of Mr. and Mrs. A. W. Meeks, on Jackson avenue, the wedding of the daughter, Grace Muriel, to Everett T. Goddell, the culmination of a pretty romance begun eighteen years ago, when the bride was a tiny baby and the groom was a young boy with all the proclivities attached thereto.

Only a pocket watch divided the two as they grew up together, the boy naturally constituting himself the protector and champion of his little playmate, who never failed to call on "Ebbey" to life her over the fence or help her over rough places. Into her girlhood his same thoughtful care extended, until, however, the lad was obliged to go out into the world to battle for himself. But the memory of his pretty little playmate abided always with him. Returning to visit his old home, several years later, he found the little girl grown into maidenhood, womanly and sweet. Their engagement was a natural sequence, to be followed by the pretty home wedding to which only relatives and close friends were invited.

The home was tastefully decorated for the occasion, the bay-window where the bride and groom were especially artistic in green and white. Promptly at 1 o'clock the bridal procession entered to the soft strains of Mendelssohn's "Wedding March," rendered by Miss Louise Allen and Miss Edith Corey. Rev. Noble Strong Elderkin officiated, using the beautiful and impressive Episcopal ritual.

The bride was exquisitely gowned in soft white silk, trimmed with rich lace and hand embroidery, and carried a large bouquet of American Beauty roses. After the ceremony refreshments were served in the dining room by intimate girl friends of the bride.

Amid a plentiful supply of rice and other good luck accessories, Mr. and Mrs. Goddell were driven to the depot to take the Limited for their home in San Francisco, followed by the sincerest wishes of their loyal friends for long continued happiness and prosperity.

Mr. and Mrs. Goddell were more than popular. They were loved truly by a large circle of friends throughout the state. Their lives had always been in accord with everything that was beautiful and good, with charity to all and malice to none, and though "into their lives some rain must fall, some days must be dark and dreary," the wish is that the clouds be few, and always from without, while only the silver lining of perfect trust and love shall penetrate within.

Musical history club.

The third musicale of the Musical History club was given at the Congregational church, Friday evening, and was an unqualified success.

The speaker of the evening was Don Maguire, who delivered a most able and interesting lecture, giving as the subject the appropriate topic of "Primitive Music." He outlined the history of music, citing the influence that music has and will ever have upon the human race. He dwelt particularly on the folk songs of the existing nations and drew several apt comparisons between their peculiarities.

Among the more interesting numbers of the musical program was the violin solo, given by Miss Armstrong. Ferraro. This selection was the unique "Hymne to Apollo," a relic of ancient Greek melody, discovered graven upon stone tablets at Delphi, in 1832, by French scientists, and supposed to date back to at least 1,000 years before the Christian era.

Folk songs of America, Scotland and

Wales were rendered by Mrs. Dalrymple in a very pleasing manner.

A number of Russian folk songs were very ably given by V. Parosovitch, who generously responded to several encores, employing in each the Russian tongue.

Mrs. Ferraro, the accompanist of the evening, interpreted several African melodies, which were much appreciated.

A disappointing feature of the evening was the inability of Hagbert Anderson to appear, through illness. He was to have contributed a number of Norwegian folk songs.

Pretty wedding.

The marriage of Mrs. Armeta C. Roberts to Ralph D. Roberts was solemnized Thursday afternoon at one o'clock at the residence of the bride's parents, Mr. and Mrs. A. B. Corey, 2560 Washington avenue. Rev. J. E. Carver officiating. The rooms were very prettily decorated with carnations and jonquils intertwined with ferns and palms. Only the relatives and a few friends were present at the ceremony, after which luncheon was served.

To the strains of Lohengrin's wedding march, played by Edith Corey, Myrtle Kenner and Charles Whittemore, the bridal party entered the parlor in the following order: Rev. Carver, the groom attended by the bride's brother, Lawrence Corey, little Claudia Roberts, daughter of the bride, the ring bearer, followed by the bride and her father. They took their places beneath an arch of carnations, jonquils and ferns, where Mr. Corey gave his daughter away, and Rev. Carver performed the beautiful ring ceremony.

A reception attended by relatives and a few immediate friends, was held from 2 till 4.

The bride wore a dainty gown of white messaline silk with real lace trimmings, a spray of orange blossoms in her hair, and carried a shower bouquet of bride's roses.

The young couple left Thursday afternoon for a short sojourn in Southern California, after which they will make Ogden their home.

Mr. Roberts is prominently connected with a leading real estate construction company and at present has extensive contracts in the far northwest.

B. A. Y. Entertainment.

Thursday evening, the twelfth anniversary of the Brotherhood of American Yeomen, Ogden Homestead 1505, entertained the members, their families and friends in honor of the event.

Recitation—Irene Farrell. Vocal Duet—Mr. and Mrs. Blair.

Vocal Solo—Miss W. C. W. Recitation—Eileen Anderson. Quartette—Miss Beinaip, Mr. C. Marriott, Mr. and Mrs. E. Marriott.

One of the many hospitals which have found Pe-ru-na of value in treating old and obstinate cases of catarrh is the Hospital St. John, who writes as follows:

"We your Pe-ru-na has given us satisfaction. Three patients have tried it, one 68 years old, Renouf Dupuis, afflicted with catarrh, is much relieved, more than he has been for a number of years."

"A young girl, 15 years old, had an obstinate cough, which half a bottle of Pe-ru-na caused to disappear."

"As to myself, two bottles have convinced me that Pe-ru-na is magnificent as a tonic. Before the treatment I could not walk for a quarter of an hour without experiencing much fatigue. Now I can walk a mile easily."

"Through these three cases we desire to make known to the public the efficiency of your remedy."

HOSPITAL TO BE MOST MODERN

Building to Cost \$100,000 or More and Be Located on the Bench—A Memorial.

The location for the new Thomas D. Dee Memorial hospital on the southeast corner of Harrison avenue and Twenty-fourth street, has been purchased and paid for and is now in the formal possession of Mrs. Thomas D. Dee and other members of the family who are jointly interested in the project. The site covers an area of three acres and the hospital will cost at least \$100,000—and perhaps more if necessary to construct a modern and strictly up-to-date hospital that will accommodate from seventy-five to one hundred patients.

Members of the family have recently devoted considerable time to the inspection of modern hospitals, with a view of making suggestions to architect employed in drawing plans, and every member of the family of the late Judge Dee is deeply and personally interested in the charitable proposition which will perpetuate the name of Thomas D. Dee for all time to come.

While the term "charitable" is used advisedly, the hospital will be conducted along business lines and any profits arising in the business will be applied to enlarging and improving the memorial. However, where deserving charity is required, in the reception of patients, it will be extended without hesitation by those in charge of the institution.

FARMING IN KANSAS WITH ELECTRICITY

In our young days we were compelled to fill and trim the coal oil lamp, to find our way through the city streets at night with a lantern, to smooth the clothing with the old sadder, heated on the kitchen stove, to operate our machinery with dogs, horses and steam; in short to do everything in the most inconvenient manner.

How is it with us today? To touch an electric button brings a lady to the door, turns on our lights, boils our coffee and makes the toast while seated at the table, revolves the washing machine and irons our linen without a match or a stove. In short this subtle, yet mighty force, which guides the starry planets on their way, has now become the indispensable servant of man.
