ANOTHER AUTO PURSE THIEF IS HAS BEEN TURNED OVER STOLEN TO SHERIFF

While making a call last evening at about 11 o'clock on Twenty-second street, between Washington and Adams avenues, Dr. J. W. Pidcock lost his automobile.

The call was of short duration and the doctor was very much surprised when he returned to the place where he had left it. He immediately advised the officers of the theft and since that time every possible effort has been made to locate the machine, but without avail.

Sheriff Harris of Farmington states that he saw a machine pass through his town at about 1 o'clock this morning which answered the description of the Pidcock auto, but he did not get close enough to the parties driving it to apprehend them.

The machine is an E. M. F. with a cab top, numbered 573, the letter "P" being inscribed on the doors. There is a red cross on the engine cover.

The Ogden Dental association presented a large set piece and the nurses of the Des Hospital presented an offering. The Episcopal choir rendered selections. Interment was in the City cemetery.

RUNAWAYS ARE TAKEN BACK TO IDAHO

Sheriff Lowery of Pocatello returned home this morning with John Bertolucci and Mrs. Piaga, the eloping Italian couple, to turn them over to the courts and have them face an irate husband.

FATHER AND SON WERE PALS ON A DRUNK

Henry Smith and Earl Smith, father and son, who were arrested yesterday afternoon on charges of drunkenness, pleaded guilty in police court this morning and were given suspended sentences.

The son, Earl Smith, acting as spokesman stated that since the mother had died at Cripple Creek, in 1909, he and his father had been pals, traveling over the country following their trade as painters. It was not customary for them to get drunk as they did yesterday, he said, and the son asked for a discharge that they might continue their work.

Detective Charles Pincock stated that the two were harmless drunks and had been arrested because they could not walk along the street with any degree of safety to the plate glass windows that lined the walk.

For disobedience, the small boy frequently gets the palm.

With one eye closed and the other partly hidden under a dirty bandage that covered his forehead, Peter Butler, the man who was caught in the act of burning a purse said to belong to Mrs. Lettie Maginnis, was arraigned before Judge W. H. Reeder this morning on the charge of burglary in the third degree.

Butler waived his preliminary examination and was bound over to the district court. His bond was fixed at \$500, in default of which he was given over to the custody of the sheriff.

Butler is charged with entering the house of Mrs. Maginnis, 2971 Washington avenue, and taking a purse and a silver sugar bowl. He was arrested Monday night following his attempt to burn the purse in the basement of the new store of Wilson Brothers, on Twenty-eighth street. In attempting to get away, he was struck with a brick on the head.

Mrs. Maginnis did not know her place had been entered until the purse was brought to her for identification. She remembered that while resting upon a sofa she had heard a knock at the door but had not answered, and presumes that the man entered the place at that time.

ROAD BLOCKED BY HEAVY SNOW

Judge J. D. Call, of the First Judicial district court, stopped off in Ogden a short time today on his return from Rich county where he recently held a term of court. The trip was made by way of Evanston, Wyo., due to deep snow on the mountains between Logan and Randolph.

The judge says that it is almost out of the question to get into Rich county from Cache valley at this time of year on account of snow and the bad condition of the roads.

This tends to prove that it would not be advisable for Logan people to undertake to get the trade of the Rich county by building a macadam roadway across the mountains. The more feasible route, as stated by Quil Nebeker, is over the divide from South Fork to Beaver and over the divide.

THEY CALLED KEMMERA A SCAB

Holding the idea that to disturb the peace one must break up furniture or engage in a fight, William Kemmerra, charged with such an offense, received a shock when Judge Reeder found him guilty and imposed a sentence of 25 or 25 days, this morning.

Kemmerra was arrested Saturday night at the Bon Ton restaurant on complaint of the proprietor that he was creating a disturbance by swearing and talking loudly.

Kemmerra stated that he had gone to the place to get supper and, while he was waiting to be served, some member of a party seated at a table near by called him a "scab". The defendant stated that he said nothing until the same name was called him again. Growing angry, he said that he told the fellow what he thought of him and the arrest followed.

EXTENSION OF WATER MAIN TO CEMETERY

The city board of commissioners this morning granted Chief of Police W. I. Norton a leave of absence of twenty-five days on full pay and \$100 expense money. In his application for the vacation the chief advised the board that he is to take a federal prisoner to New York and the government is to pay his railroad fare and expenses. While in the east he desires to visit police departments of the large cities to gain additional information regarding police affairs. He will attend the annual national convention of chiefs of police at Washington, D. C.

August Jensen was granted a license as a cement contractor, his bond having been approved.

On the recommendation of J. C. Nye, superintendent of streets, a resolution was passed vacating Grant street in the Brinker and Hufstetter subdivision. Property owners of the district petitioned the commissioners to abandon the street.

Mayor Fell, superintendent of waterworks, recommended that water main extensions be made from Thirty-first street on Jefferson avenue to the Mountain View cemetery and also Thirty-third street and Stevens ave-

ENGINEER DIES AFTER SHORT ILLNESS

Albert Seaton, O. S. L. engineer, aged 40 years, died at his home, 634 22nd street, at 2 o'clock this morning after a two-months' illness from leakage of the heart. Mr. Seaton is survived by his wife and two-year-old child, his father, R. B. Seaton, mother and brother, Charles Seaton, who reside in Los Angeles, John B. Seaton of Needles, Cal., L. Seaton, Ogden, and one sister, Mrs. William A. Lee, Blackfoot, Idaho.

The deceased was a member of Pocatello lodge, W. O. W., and the Pocatello branch of the Brotherhood of Locomotive Engineers. Funeral announcement will be made later.

PALMIST FIRED IN POLICE COURT

Under the name of John Doe, Professor Paul Raymond, the palmist, pleaded guilty to practicing his occupation without a license and was fined \$50, the amount of his license for three months, by Judge W. H. Reeder in police court this morning.

Raymond stated that it had not been his intention to practice without securing a license, but that in other towns it had been the custom to send license inspectors to collect and the palmist stated that he had been waiting for such a visit. Stating that he had newspaper advertising contracts for three months, Raymond declared that those contracts would show that he was not prepared to leave on slight notice. Furthermore, he said that it is his practice to give only written readings and that orders had been taken for readings but the typewritten messages had not been delivered.

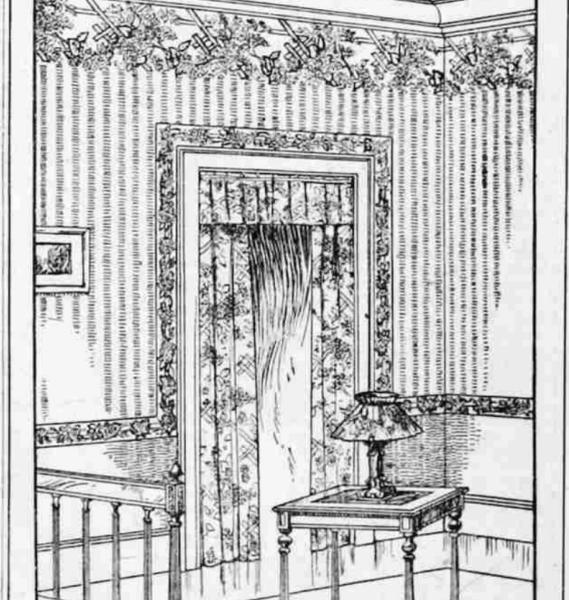

Detective George Wardlaw, who made the arrest, stated that he had the names of persons who had secured sittings and that the professor had no license at the time.

Judge Reeder explained, in sentencing the man, that it is his policy to fine for an amount equal to what the license would cost and he urged Raymond to secure the certificate at once, lest he again be arrested.

MORMON HYMN SERVICE ON SUNDAY

Preparations for the "Hymn" service to be given in the Tabernacle next Sunday afternoon will be completed by the Ogden Tabernacle choir at their rehearsal tonight.

The service will be of unique interest in that the story of the composition of a number of the well known Mormon hymns will be told by Apostle David O. McKay, after which they will be sung by the choir.

The noted "Soldiers Chorus" from Gounod's "Faust," and the "Inflammatus" from "Stabat Mater" by Rossini, which are to be sung as special numbers at the Nordic recital next month, will also be briefly rehearsed tonight.

Professor Ballantyne received word this morning that Mr. Paul Pufault, the celebrated Canadian tenor, is one of Madame Nordica's assisting artists and will be heard in the Ogden recital.

CLEVER MEN TO MEET ON MAT TOMORROW

The wrestling fans of Ogden will see a strong match tomorrow evening when Henry Irslinger, world's champion middleweight, meets Ernst Kartje, winner of the Chicago international tournament, last year, at the Orpheum theatre in best two out of three falls.

Irslinger is well known here. Kartje has a record over Chris Jordan and the Cuban Wonder. He has been after both Yokel and Gehring for some time past. For a match with either of the two last named, the Chicago Athletic club has offered a large purse but neither Yokel nor Gehring will agree to meet Kartje.

Manager Blankenship stated the public will see a good match. Any attempts at fouling or faking, he said, would mean the return of the admission fee to the public and the forfeiture of appearance money by the principals.

Emil Klank, manager of Frank Gotch and Kartje, will arrive from the east this afternoon. Yokel will be here tonight.

As one of the features of the pictures of the Yokel-Miller match will be shown. The match begins at 8:30 sharp.

A special car will bring the fans from Brigham City and a big crowd is expected on a special from Salt Lake.
