**—new spring togs for men and boys.**

**NYE'S**

**MAY 24**

IF THIS IS YOUR BIRTHDAY. You will lose money loaned or risked for another. Avoid giving money unless you are sure it will be best for all concerned. The illness of a friend threatens to trouble you. If in your own family it can be avoided. These hours today will act with bad judgment and suffer much in consequence. The wisdom gained before the age of fourteen will make or mar their lives.

**MAY 25**

IF THIS IS YOUR BIRTHDAY. Advance in social station and in prosperity will be yours and you will travel and make pleasing changes. Those born today will be energetic and ambitious, and though failures will mark their early efforts, they will have the clearest turn these to good account in later good fortune.

**STANDARD TELEPHONES**  
For Editorial, News and Society Department, Call City Phone No. 421  
For Subscription and Advertising Department, Call Phone No. 55

**RANDOM REFERENCES**

Kodak finishing. Tripp studio. --  
Railroad Official—Superintendent William Jeffers of the Western division of the Union Pacific was in Ogden today on business.  
Advertisers must have their copy ready for the Evening Standard the evening before the day on which the advertisement is to appear in order to insure publication.  
Recovers from illness—Miss Anna Skinner, treasurer of the Isis theatre, has fully recovered from an attack of typhoid fever that confined her to her home for three weeks.  
Call 421 for the news, editorial and society departments of the Standard.  
Arrested—The chauffeurs driving cars owned by D. A. Smith and the James Auto company were arrested last evening on the charge of exceeding the speed limit. They will be tried in Judge W. H. Reeder's court on Monday.  
Old papers for sale at this office; 25c per hundred.  
Leave for Chicago—Mr. and Mrs. Hyrum Lammers leave this afternoon for Chicago, where they will study music for the next three months. Mr. Lammers was a member of the Orpheum orchestra during the past winter and Mrs. Lammers was pianist at the Oracle theatre.  
For bargains in Idaho Seed Potatoes call The H. L. Griffin Co., phone No. 2.  
Cars to Canyon—Beginning at 10 o'clock tomorrow morning, cars will be operated to the Hermitage every hour until 1 o'clock, when a 45-minute service will be given. All the cars will have trailers. The last car will leave the Hermitage at 10 p. m. The regular early morning service will be prior to 10 o'clock.  
For Rent—Spencer Apt. Phone 505.  
New Ice Cream Factory—The Brown Ice Cream company has moved into its new quarters, 2455 Lincoln avenue, where the latest machinery for manufacturing frozen dainties has been placed. One of the latest ice cream manufacturing machines installed is a brine freezer, capable of turning out 2000 gallons of cream each working day of 24 hours. Shipments of the Ogden product are made to Pocatello, Montello, Rawlins and intermediate points, with a good market at home.  
That B & G flavor isn't to be found in any other Butter.  
Had Disappeared—The police were called upon shortly after midnight to investigate why two suspicious characters were around the Bristol home near the midnight hour. The patrol wagon and three patrolmen went to the scene but the police were unable to discover the individuals about whom the complaint was made.  
The Elite Cafe is open.  
Divorce Granted—In the case of Hendriks J. Krumpertman against Martina Krumpertman, an interlocutory decree of divorce has been issued.

First-Class Auto Service—Call up Elite Cafe, Phone 72.  
From Germany—Mrs. E. Miller of Frankfort, Germany, and her daughter and son-in-law, Mr. and Mrs. J. Stachnick, arrived in the city this afternoon to make Ogden their home.

Mrs. Miller is the mother of A. M. Miller, proprietor of the Washington most market on Washington avenue, and who has not seen her son in over 30 years. Mr. Miller came to this country 20 years ago. Mrs. Miller is 70 years old.

Watch Found—Ellwood Barker, the 8-year-old son of Representative J. J. Barker, last evening found a lady's valuable gold watch at Liberty park. The lad is desirous that the owner recover it.

Out of Hospital—Frank Frost of this city was released from the Berges hospital today, much improved.

Made the Flowers—Sarah Goetz of the School for the Deaf and Blind made 60 dozen flowers for the wreaths used at the May festival yesterday.

Now open. The Elite Cafe.  
Many Sisters—There are now 26 sisters at the Sacred Heart academy, which is the largest number in the institution at any one time. This indicates the growth of the school, which has 200 students, 75 of whom are boarders.

Cake Contest—A Cottolene cake test is described on the Standard Woman's page today which will prove interesting to many Ogden ladies.  
Contract Let—The contract for the building of the new school house at West Warren was let to Carl A. Wieser for \$3680. The decision was reached at the meeting of the Weber county school board this afternoon.

**IMPROVEMENT WORK GOING ON IN CITY**

The cottage grounds of the Sarah Farr estate, adjoining the Berges hospital on Washington avenue and 21st street, are being parked and improved on the same plans as the hospital parking. The plan is that at some time, not far distant, the cottage will be annexed to the hospital, to be used by nurses and by extra patients. The lawn has been planted and the entire front, which is spacious, will be filled with flowers and shrubbery.  
Other similar improvements are being made in the city, among them the parking of the Tabernacle square. This is a big undertaking, the Tabernacle committee says, but it will be accomplished before the season is over. Hundreds of loads of earth will have to be placed on the grounds to give them the proper grade, after which considerable time will be required in leveling. It is aimed, however, to seed early enough to have grass and flowers up before the fall of the year.

Forms for the concrete floor of the Kiesel building on 24th street and Hudson avenue are practically in place and the steel reinforcement is being placed for the 24th street sidewalk. Scaffolding for an elevator is in place and by the beginning of next week more men will be placed at work on the building.

The Eccles building is at a standstill, due to the fact that the supreme court has not seen fit to render a decision on the south wall controversy. A man is at work pumping water from the pit.

Excavating under the Howell business block is nearing completion and it is said by the contractor that concreting will begin the early part of next week. Much water has been encountered in this basement in the form of seepage from springs. The Broom hotel corner was at one time a slough.

The heavy steel stringers for the second floor of the H. L. White building on Washington avenue, between 23rd and 24th streets, have been placed in position and workmen are engaged on the upper floors of the structure. The Odd Fellows are eager to get into their new home, which forms a part of the White block.

At the Knights of Pythias' building site on Grant avenue, excavating has been completed and preparations made for the brick work.  
The O'Neill Construction company has made progress in excavating for the Peery estate business block on Hudson avenue, between 24th and 25th streets, and within a week the concrete foundation will be begun.

**SEASON IN THE CANYON HAS OPENED**

Canyon attractions are to be added this season and it is said by the managers of the Hermitage and the Ogden Rapid Transit company that better entertainment than ever before will be given. Manager Kline of the Rapid Transit, says that as the summer excursion season opens, Ogden canyon grows in popularity and it has become necessary for the company and all interested in the welfare of the beautiful gorge accommodations to offer more and better attractions.  
Beginning Memorial day, afternoon and evening, concerts will be given at the Hermitage for the season special concerts to be given Sunday evenings.

The dancing pavilion is being placed in the best of condition and every evening, except Sunday, a free dance will be given.  
Business men owning summer cottages in the canyon are now preparing for the hike to the mountains and it is expected that by the middle of June the gorge will be well occupied. There will be a number of Salt Lake families in the canyon this year.

**OGDEN SOAP AND CLEANSER CO.**

Yesterday afternoon articles of incorporation were filed with the county clerk by the Ogden Soap and Cleanser company with a capital stock of \$100,000 divided into shares of the par value of 5 cents each. All of the parties connected with the concern, except one, are residents of Ogden. The company, however, takes over

certain real estate from A. B. C. Davis and W. W. Ruby situated in Nevada, allowing 100,000 shares of stock for it.  
Following are the incorporators and officers of the company:  
A. B. C. Davis, Ogden, president; W. W. Ruby, Ogden, secretary and treasurer; August Harard, Carlin, Nevada, vice president, who, with W. A. Tomings and A. Dalton of Ogden form the directorate.  
The object of the company is to manufacture soap and cleansing powder.

**EXTENDING THE STREET CAR LINE**

The board of directors of the Ogden Rapid Transit company has authorized Manager P. D. Kline to build the Wall avenue extension from Thirtieth to Thirty-third street. Mr. Kline says that the work will be begun within the next few days.  
Property owners in the vicinity of Thirty-third street had petitioned the city commissioners to have the street company make the extension, but the work could not be taken up earlier than this because of the fact that it could not be definitely determined whether clearance could be had under the Bamberger overhead crossing on Wall avenue. An understanding has been reached, however, by which the clearance can be made and the street car company will proceed without further delay.  
The extension will necessitate the removal of the street grade track of the Bamberger road from the car barn to the Union Pacific tracks. This track will be taken up the entire distance and the connection with the steam road will be made from a point west of Wall avenue. By removing the Bamberger track a dangerous intersection of the two electric roads will be avoided at the overhead crossing.  
It is stated that Mr. Bamberger has agreed to remove his track immediately and begin grading for the spur to the Union Pacific road west of Wall avenue at an early time.

**SHAKING UP OF THE LEAGUE IN VIEW**

E. C. Mulroney of Missoula, president of the Union association, was in Ogden yesterday, where he saw the game at Glenwood park and held a conference with President A. P. Bigelow and Secretary Angus Kennedy of the Ogden Baseball association. President Mulroney is paying official visits to the baseball towns of the league. He left for Salt Lake this morning.  
Mr. Mulroney stated to the local officials that he believes Ogden to be within the salary limit as well as some other teams but he has strong suspicions that others are exceeding the \$1,650 by a large margin.  
"There will be no exceeding of the salary limit, if it is within my power to prevent it," said Mr. Mulroney to Secretary Kennedy last evening, "but there are so many ways of getting around the rule that it will be a hard matter to deal with. I feel with others that the success of the association depends upon keeping within the prescribed limit. If the rule is not obeyed it will only be a matter of time until the salaries paid the men will be so high that the towns will not be able to support the team and the association will be a thing of the past."

These are some talk of Salt Lake being made to disclose its salary list. At the game yesterday afternoon President Mulroney saw the team from his own city fined, but he agreed with the umpire that the fine was deserved. Roberts had protested that a ball thrown to Van was a strike and was fined \$5. Blankenship also objected when Van struck and knocked a home run by hitting what Blankenship thought to be the fourth strike.  
Mr. Mulroney is a prominent attorney of Missoula and he will leave Salt Lake this evening for Missoula, as he has cases pending in the courts there. He stated to Secretary Kennedy that he will spend a week in Ogden during the summer. It is his intention to become thoroughly acquainted with the cities of the league.

In discussing the attendance at the games this season the president expressed himself as satisfied. He stated that the attendance in the north would increase as the season advances.  
Mrs. Mulroney accompanied the president of the association. Fiddler and Perkins made up the batteries for Ogden today and Maloney and Roberts are doing the honors for Missoula.  
Manager Blankenship is still feeling poorly and remained at the hotel this afternoon. He stated that he had secured the Indian pitcher, Cadrean, who played with Spokane last season. "Blank" declares that with the Indian, Krekell, Weicher and Maloney, he will make the other teams dance.

**TOURNAMENT WILL BEGIN NEXT WEEK**

Another practice shoot was held at the Ogden trap grounds yesterday by Ogden and Salt Lake shooters, the high score being 94, by Skeen. The gunmen will meet again Monday and on Tuesday.  
Crack shots of three states, Utah, Idaho and Nevada, are getting in trim for the big event next week and the prospects are that the tournament will be the largest and most successful of any held in the Intermountain region in a number of years. The Ogden people have contributed liberally to the purses and the officers of the local club have arranged a pleasing program. The grounds are in

**Let's make Ogden BIGGER—BUSIER—BETTER by using Ogden made goods. CRESCENT FLOUR is made in Ogden, and is made to please or your money back.**

**PATRICK: The Pony and Rig Which Wrights are Giving Away**

We want to give this pony, carriage and harness to the most popular boy in Ogden. Any boy might be "the most popular" boy if he gets out and works hard enough. We want to say that the boy who gets out and works hardest will get this outfit.  
Get your friends to vote for you. Get your name in now so that they will know you are in the race.  
We give you fifty votes to begin with. Every purchase made in the store entitles the holder to more votes. One vote with 10 cents—ten votes with a dollar—AND SIX VOTES WITH ONE PAIR OF PONY STOCKINGS.

**Fifty Votes Free USE THE COUPON**

Every boy and every girl in Ogden may enter the contest without cost. Cut out the coupon. Write your name and address in the blanks, bring it to the store and deposit in the ballot box. We will publish your name with the others, and your friends will know that you are in the race.

**50 VOTES 50**

This entry ballot is good for fifty votes. It can be used for the same contestant but once. Fill in name and address carefully. Deposit in ballot box at our store.

NAME .....

ADDRESS .....

**REPAIRS TO THE DAMAGED CANAL**

Reports from the Riverdale power plant are to the effect that the flume at the break of the Davis and Weber counties canal will be completed today and that water will be turned into the canal as early as tomorrow morning.  
Farmers expect to have water running through their ditches Monday or Tuesday of next week.

**DEATHS AND FUNERALS**

**ROGERSON**—Daniel Rogerson, aged 62 years, died at 2:30 o'clock this morning at his residence, 146 West Twenty-second street. His death was due to leakage of the heart. Daniel Rogerson was born in Bolton, England, November 5, 1851. While still a small boy he was baptized into the Mormon church and came to Utah with his parents when 10 years of age. He had resided in Weber county since 1861. Surviving him are the following sons and daughters: Daniel E., Roy, Vernon, Stewart, Elijah, Leslie, Louis, Mrs. L. M. Brown of Salt Lake, Mrs. C. Lund of Black Pine, and Mrs. Stella Hunter of Slaterville. Fifteen grand children also survive him. The body is at Larkin's undertaking parlors.

**MUNICIPAL COURT**

The following suits have been filed in the municipal court:  
Dr. R. A. McCune vs. W. G. Taylor; suit, \$90.

June 2nd the school will open a four-weeks' drill in special office practice; something new for young stenographers. Better investigate. Adv.

**REV. THOMPSON RETURNS TO OGDEN**

The Rev. James Thompson of the Presbyterian church of Templeton, Cal., arrived in Ogden yesterday for a two weeks' visit with friends.  
Mr. Thompson was formerly pastor of the Central Park Presbyterian church of this city, having held the position for upwards of nine years. He left Ogden for California five years ago on account of heart trouble. He states that doctors advised him that it was necessary for him to move to a lower altitude, if he wished to prolong his life.  
He is pleased to return and says, he marks with interest the many improvements that have been made since his departure.  
"I love Ogden," he said today, "and it always had had a place in my heart. The people are good and hospitable and the community is progressive. It seems to me that great things have been done since I left."  
"I wish I could live here, but the doctors tell me that that is out of the question." The Standard has been placed at my door in California ever

**ELEVATOR FOR THE KIESEL BUILDING**

The Dinwiddie Construction company is erecting a 70-foot hoist for the handling of concrete for the three lower floors of the Kiesel building on Hudson avenue and Twenty-fourth street and 80 feet will be added to it for the two upper floors.  
Concrete will be hoisted in large buckets by electric power to the top of the structure and then turned through a steel chute 100 feet in length to the point where it is needed.  
The contractors say it is cheaper and more rapid to handle the concrete in this way than to convey it in wheelbarrows. The steel chute will be adjustable and readily placed where the concrete is needed on any part of the construction.  
Attached to the hoist will be added at a later date a building material elevator which will be used in elevating lumber and other building material. The contractors expect to have brick men at work by June 1.

**GOODYEAR SHOE REPAIRING CO.**

J. E. GUERNSEY, Mgr.  
One door east of Standard Office, 364 24th St.  
"REPAIRING OF QUALITY."
