**DOCTORS TO BE PROSECUTED BY CITY**

Although the complaint against Dr. E. R. Dumke, charging him with a misdemeanor in failing to report a birth last October, is the only complaint of that kind to come to the municipal clerk recently, it is understood that several warrants are to be issued on complaints which were sworn to by state health officials in 1910. According to Sanitary Inspector Geo. Shorten, there are eight such complaints that have never been brought to court.

Dr. Whalen, city physician, declared yesterday that he had been instructed by the city board of health to urge the prosecution of every case of the kind called to his attention.

From president indications, J. B. McCracken, acting county attorney, will be busy with such cases during the absence of David Jensen.

The case against Dr. Dumke will probably be heard in Judge W. H. Reeder's court tomorrow morning.

**DEATHS AND FUNERALS**

**ANDERSON**—The funeral of Junius N. Anderson, second victim of the canyon wreck, will be held from the Third Ward meeting house Wednesday afternoon at 2 o'clock. The services will be conducted by Bishop W. D. Van Dyke, Jr. The remains may be viewed from 10 o'clock Wednesday morning until 1 p. m.

**PLATZ**—Clarence E. Platz, aged 35 years and a brother of Fred Platz, died this morning at the Dee hospital of tuberculosis. He had gone to the institution ten weeks ago in the hope of securing relief, but he grew gradually worse. Platz was a member of the F. O. Eagles of South Bend, Ind., and the local lodge will probably take charge of the funeral arrangements. The body is lying at the Kirkendall establishment pending funeral arrangements.

**CLEARING SALE**

**You Clean Up Some Money During Our Clean Up Sale**

We wish to clean out all of our surplus season's stock. Our prices will talk to you good and hard when you come in. We will sell our strictly high-class goods at prices we quote below. We have too many goods and we want money for them. This is the reason why we are making this offer. You yet have lots of time to use and enjoy our reasonable merchandise. REMEMBER, we sell only RELIABLE GOODS, and that our reputation is back of every article you buy.

**ASKS FOR A MAN TO TEST THE ASPHALT**

City Engineer H. J. Craven this morning requested the city board of commissioners to permit him to place A. A. Steed in charge of the testing of asphalt, inasmuch as the Moran company has begun work. In the opinion of the engineer, it will require all the time of one man to look after the testing. The matter was referred to the superintendent of streets and public improvements, J. C. Nye.

A communication from the John Scowcroft & Sons company, requesting the commissioners to provide more adequate sewerage for surface water caused by rains and for a fire alarm box at the corner of Twenty-third street and Wall avenue, was referred to the superintendent of waterworks.

The company stated in its communication that, during the recent rain storm, a part of the basement of their business block was covered with water to a depth of a number of inches, due to the fact that the excessive water supply could not find its way into the sewer. It is the opinion of the company that more copious screen or iron bars should be provided for the rain sewer that the water may freely pass from the gutters.

Attention of the board was called to the fact that, in case of fire in the vicinity of Twenty-third and Wall, the telephone system has to be resorted to get alarms to the fire department. An alarm box is requested as a matter of protection to property and also as an aid to the fire department.

**O. S. L. TEAM HAS ISSUED CHALLENGE**

The Oregon Short Line ball team has issued a challenge to play any amateur baseball team in the state. "Heine" Houtz, manager of the O. S. L. team, states that his team is the best amateur aggregation in the county and can defeat all so-called near-league teams at the national pastime. Games with this bunch can be had by telephoning 624-R and asking for J. Earl White.

**ASSESSMENT IN THE COUNTY AND CITY**

Clerk Samuel G. Dye and his corps of deputies are just completing the revision of the assessment rolls to conform to the changes made by the county board of equalization.

The revision shows Ogden City valuations to be \$12,846,863 for 1912 and \$13,059,649 for 1913; Weber county, outside of the city for 1912, \$4,220,325 and for 1913, \$4,173,040.

There is a gain over last year's assessment of \$185,501.

Total valuation in Weber county, including the valuations by state board of equalization, are \$20,744,471.

**ELECTRIC CAR STRIKES AN AUTO**

One of the delivery automobiles of the Washington market was damaged to the amount of \$500 and the driver, A. McMillen, had a narrow escape from death when the Bamberger train, which left the Ogden depot at 11 o'clock this morning, struck the machine as the chauffeur attempted to cross the track between Twenty-eighth and Twenty-ninth streets. The coolness displayed by McMillen, according to eye witnesses, is all that saved his life.

The automobile was being driven along Lincoln in the same direction as the train was traveling. According to the story told by the chauffeur to A. F. Miller, the proprietor, the motorist neither rang his bell nor gave other signs of warning. McMillen attempted to cross and half the automobile cleared the track. The car struck the rear end of the machine. It was at this crisis that the driver displayed his skill. At the instant he saw a collision was inevitable, he turned his steering wheel to such a position that the automobile faced the electric. This motion on his part prevented the train from rolling the auto over and probably saved the young man's life.

The machine was so thoroughly smashed that it could not be towed into a garage and was left on the side of the road until machinists had been placed at work.

**NEGRO ATTEMPTS AN ASSAULT**

Washington, July 8.—Police today are searching for a negro who in broad daylight yesterday in a fashionable section of the city seized Mrs. May Jorgensen, a sister-in-law of Senator Poindexter and of Brigadier General Charles Merion, U. S. A., retired. A number of negroes have been arrested but the attack was so sudden that Mrs. Jorgensen has been unable to identify any of them.

The negro's motive is not clear to the police. He came up behind Mrs. Jorgensen as she was approaching Senator Poindexter's house and seized

**ARRANGING FOR EXCURSION TOMORROW**

The secretary of the Ogden Publicity bureau went to Salt Lake this afternoon, following a joint meeting of the bureau and the Weber club, for the purpose of completing arrangements for N. E. A. day in Ogden, tomorrow, and also arrange for the special entertainment of the Oakland delegation.

Because of the interest taken in Ogden by Walter Forbes, formerly of this city, but now a school principal of Oakland, those at the meeting today decided to invite all Oakland people to Ogden. A trip to the canyon with a banquet at the Hermitage will be on the list of entertainment provided.

Wednesday, having been set aside as N. E. A. day in Ogden, it is anticipated that more than 1,000 delegates will visit this city.

**ELOPE AND ARE MARRIED IN OGDEN**

Herbert L. Frank, advertising manager of a Chicago firm, and Miss Emma Tenenore of Beaver City, Utah, eloped from Salt Lake Saturday and were married in Ogden.

Mrs. Frank is the daughter of a wealthy, retired business man of southern Utah, and she and her husband left the Marion hotel this afternoon to take a Bamberger train for Salt Lake, where Mrs. Frank hopes to make a satisfactory explanation by introducing her husband to her father.

From Salt Lake the elopers will go to Chicago, where they will make their home.

**ANOTHER LEG IS AMPUTATED AT THE DEE**

The left leg of S. C. Stephens, a victim of the canyon car wreck of July 4, was amputated above the knee at the Dee hospital this morning. He withstood the operation well. Gratten, Sherman and Brophy are slightly improved.

Manager P. D. Kline of the Rapid Transit company states that his company will give no information respecting the accident until Jesse Sherman is able to give his version of the affair. Mr. Sherman gained partial consciousness yesterday afternoon and, for a short time, it was expected that he would be able to tell of the accident, but he soon sank back into unconsciousness and has remained in that condition since.

**MANY ATTEND MINNOCH FUNERAL**

Funeral services for Peter Minnoch, the first death victim of the collision in Ogden canyon, July 4, were held at 2 o'clock this afternoon in the Ogden tabernacle. Bishop W. D. Van Dyke of the Third ward officiated.

The services were attended by delegations from the Ogden lodges of Elks, Modern Woodmen and Lumber men. Out of respect to the deceased, the Eccles lumber yard of which Peter Minnoch was foreman, was closed.

The employers and employees attended the services.

Delegations from the Woodmen and the fellow employees marched with the cortege from the home. The Elks met at the club rooms and at 1:30 o'clock marched along Grant avenue and joined the cortege at Twenty-second street, continuing to the Tabernacle.

The pall bearers, selected from the organizations to which Mr. Minnoch belonged were: Jed Ballantyne, F. A. Gysli, W. E. Sanderson, A. J. Marshall, W. G. Emley, Phillip Kinsey, William Draney, and J. S. Shafer.

There were many beautiful floral tributes from the lodges and friends of the family.

The musical program, which had been arranged by Hagbert Anderson, consisted of a duet by Mrs. Bernice Erickson and Miss Stella Wright; a solo by Miss Elsie Shorten; solo, Mrs. Erickson; solo, Stella Wright and se-

**STRIKERS FIRE ON NON-UNION MEN**

Charleston, W. Va., July 8.—That the shooting at Ohley, on Cabin Creek, was the act of strikers from other mines was a statement by the superintendent of the Cabin Creek Consolidated Coal company at Ohley today. The men who were fired on by strikers last evening have sworn out warrants for six strikers and other warrants will be issued during the day.

No inkling as to the names of the men for whom the warrants were issued was given but the statement was made that many of the attacking force were recognized by men who have declined to go on strike.

Governor Hatfield has called the attention of the civil officers to the law that justices and judges must first use every effort to suppress rioting before coming to him; that they have the power to call on any person to assist them and the failure of a person or persons to respond places them among the rioters.

are expected here from Wenatchee tomorrow and these too will be seized if they are under size. This is the first time in three years that false bottom cherry boxes have been sent here by western shippers.

**TRAIN KILLS TWO AND INJURES SEVEN**

Omaha, July 8.—Two men were killed and seven injured near Brock, Neb., today when a Missouri Pacific passenger train ran down a motor car carrying a gang of section hands.

**Real Estate Transfers.**

The following real estate transfers have been placed on record in the county recorder's office:

The Merchants' Light & Power company to the Utah Power and Light company all its real estate, transmission lines, improvements, substation and franchises in Ogden and Weber county. Consideration \$1000.

Lily May Leaman to Margaret

**GOVERNOR CLARKE BETTER.**

Des Moines, July 8.—The condition of Governor George W. Clarke, was reported at the Methodist hospital this afternoon as being fairly good. He passed a very poor night, according to the attendants, but rallied somewhat during the morning hours.

**4,000 BASKETS OF CHERRIES SEIZED**

New York, July 8.—Four thousand baskets of cherries shipped here from Wenatchee, Wash., were seized today by the commissioner of weights and measures who charged that they were short of a quart by more than nine cubic centimeters each. The discovery was made when one of the baskets was exposed for sale after a hole had been eaten in the false bottom by a mouse.

Four thousand additional baskets
