

I AM FOR UTAH

This slogan, coined two years ago by a member of the Manufacturers Association of Utah, has been put on a neat button by the Commercial Club. Every man, woman and child in Utah should wear one. It should be made to mean just what it says. A high sounding phrase don't amount to much unless it has the substance. I AM FOR UTAH.

WHEN, as a public servant in state, county or city, I set a worthy example in the use of native materials and home products in every department under my jurisdiction:

WHEN, as a merchant, I sell Utah-made goods in preference to all others:

When, as a consumer, I use none but Utah products in my home:

When, as a citizen and taxpayer, I keep Utah money in Utah to build up Utah, being loyal to my home town, my country and my state. Anything short of such policy makes the phrase "I AM FOR UTAH" nothing but "hot-air."

ODD FELLOWS TO HAVE A DAY OF JOY

The Odd Fellows of this city have completed their new home and are about ready to move to the new quarters. They can boast of one of the most commodious and splendidly equipped lodge quarters in the west. The structure has been erected at a cost of about \$20,000, the building occupying a space of 24 ft by 128 feet, facing Washington avenue between Twenty-third and Twenty-fourth streets. There are two floors and a basement in the building, the lodge rooms being situated on the upper floor. The ground space has been leased for business purposes at a neat little revenue to the organization. Furniture and fixtures, including additional lodge equipment, are ready for installation and it is said that everything will be in readiness for dedication of the building September 23. A dedicatory program has been arranged for that day and to that end all the members of the building committees are bending their best efforts. Chairman J. J. Brummitt of the committee states that it is certain that there will be no hitch in the proceedings and the greatest time in the history of the local Odd Fellows will be experienced. The program of the day will consist of the regular Odd Fellows' dedi-

atory ceremonies and a speech by the Grand Secretary, Rev. P. A. Simpkins of Salt Lake, after which the Rebekahs of the city will serve refreshments. A musical program will be given during the evening. The exercises will be conducted by the grand master and grand marshal of the order. The quarters are arranged to suit the convenience of the lodge and no means have been spared to make them just what is desired. The lodge room and ante rooms are conveniently situated and the kitchen and dining rooms are made adjuncts. There are also reception rooms, equipment rooms, library and resting room. The building committee has been less than a year in working out their plans which is a record breaker. The Woodmen of the World have leased that part of the upper floor not occupied by the Odd Fellows and the organization will move there in the near future. On the afternoon of September 18 a reception will be given in the new quarters and a musical program in the evening. On the evening of September 19 the Woodmen will give a dancing party in the great hall which is said to be among the largest lodge room halls in the state. The room space occupied by the Woodmen quarters is 46 by 128 feet. The Woodmen are leasing of H. L. White who built the structure known as "Fraternity building." The Odd Fellows contracted with Mr. White for the construction of their part of the block.

HARBERTSON TO MEET JORDAN ONCE MORE

Although no agreement has as yet been signed, T. B. Kelly, manager of Jack Harbertson, the local wrestler, is confident that a match with Jordan will be arranged to take place at the Orpheum theater in Ogden, September 24. Kelly expects the articles to be signed next week. Tom Long, who was recently defeated by Harbertson, has offered his services as a trainer and he will probably be taken into the Ogden grappler's camp. Kelly, however, has a new system of training that he wants followed out and Long must agree to obey instructions. Kelly believes he has solved the problem of putting a man in the ring without having him tired out by his training sledge.

AGENT IS HELD PENDING AN INQUIRY

George Buell, the Kansas insurance man who was arrested Thursday on the charge of obtaining money under false pretenses, is still in the city fall and will probably be held there until Willard Done, state insurance commissioner, can fully investigate his case. Buell accepted \$8, according to the complaint against him, and failed to deliver a policy. Since his arrest it has been learned that other applications were secured by Buell with no policies given.

MRS. DRANEY IS RELEASED BY JUDGE

Mrs. Lela Draney, the only prisoner to face Judge W. H. Reeder this morning, was discharged when the evidence was heard. She was arrested last night with her husband when the neighbors had complained. The husband, Ray Draney, was posted \$10 for his appearance and left his wife in the bastille. The evidence this morning was to the effect that Draney had been beating his wife. Nothing was said at the trial to indicate that his wife had fought. Draney forfeited his bail of \$10.

BABY PARADE AT THE FASHION SHOW

Go-Carts to Pass in Review and the Prettiest, Largest, Smallest and Most Perfect Babies Are to be Selected and Presented With Prizes—Babies' Buggies to be Decorated—Auto Parade on the First Night With Silver Cups for Best Decorated Machines.

Another big feature added to the list of Fashion Show attractions is the baby parade. The amusement committee, during the meeting yesterday, decided to have a procession of babies in go-carts. Prizes are to be offered for the heaviest baby, the tiniest baby, the baby with the most hair, the baby with the least hair and prizes will be given for other features not yet studied out. Entries are listed to babies under the age of 2 years. It is planned to have the babies wheeled before a reviewing stand in go-carts. Of course the carts need not be decorated, but already a number of mothers who have entered have planned attractively decorated carts to set off the remarkable features of their children. It is probable that plans will be made to offer prizes to the best decorated go-cart or baby buggy.

The date for this big feature has not been decided upon. It will probably be held in the morning of one of the two days of celebration, September 26 or 27. The enthusiastic committeemen felt pleased with themselves when that big feature was launched, but they did not stop there. Instead they went out and purchased three handsome silver cups from a local jeweler to be given for the automobiles winning first, second and third prizes in the parade. Other cups will be purchased for the winners in the industrial parade.

It was decided to hold the automobile parade on Friday evening, the first night of the celebration. The industrial parade will be given on Saturday, either in the morning or the afternoon.

George Goddard, chairman of the industrial parade committee, took a day off from the pickle factory and made a canvass of the business houses today in the interest of the parade that is designed to show the growth of Ogden along industrial lines. He reports to show the growth of Ogden along industrial lines. He reports the best of success. Albert Scowcroft and Frank Rose, the other members of the

committee, are also busily engaged along the same lines. While the amusement and parade committees have been busy with their end of the celebration, members of the advertising committee suggested a new newspaper to be published with the title "Fashion Show News," but that feature is yet to be passed on. The members of this committee, which is headed by Gus Wright, decided to go to Brigham with a band and delegation of rooters on Pesch day. Also they decided to visit Huntsville and Morgan. Each of the towns will be serenaded by a band and addressed by orators who will extend an invitation to the citizens to spend two days in Ogden, September 25 and 27.

The streets will be decorated from Twenty-second to Twenty-sixth on Washington, and from Washington to Wall on Twenty-fifth street in a manner that will make former efforts appear tame. Not only will there be streamers across the streets at right angles to the car tracks, but streamers and flags will be strung from one steel pole to another along the sidewalks. Special efforts will be spent upon the corners to make them resemble veritable bowers.

Hudson avenue will have a canopy of colored electric lights on the night when the masked ball is held. Red and other colored fires will gleam and there will be continuous music from the bands. As soon as one band completes a selection, the next will begin.

In the meantime, all merchants are planning to display the latest in the most attractive style, making of their show windows creations of art. Ogden manufacturers will take pains to display Ogden-made products to people as they promenade.

Autumn leaves will be brought from the hills by the ton for decorative purposes. While the windows will be decorated by Friday morning, the big car and fashion show will begin at 3 o'clock when the bands will give concerts on the streets.

BEETS ARE TOO LOW IN SUGAR CONTENTS

Recent sugar beet tests show the percentage of saccharine to be under that required by the sugar company and the field manager states that it is impossible to fix any definite time for beet digging. The recent wet weather reduced the sugar percentage; about 12 per cent is the present average of the beets.

CARDINAL RECOVERS
Rome, Sept. 6.—Cardinal Joseph C. Vivian, perfect of the congregation for religious affairs, and most influential member of the cardinal college at the Vatican under the present pontificate, has recovered from the mental derangement which has affected him for many months but is ill with appendicitis, and is to be operated on shortly.

ASSIGNMENT OF TEACHERS IN THE CITY

General plans for the school work of the year were discussed this morning at a meeting of principals and supervisors with Supt. J. M. Mills of the city schools at the City Hall. All employees will meet at the High school at 4 o'clock this afternoon, when general instructions will be given and the building faculties will be organized under the direction of the principals. These meetings will be the last before school opens Monday morning.

Following the meeting at the High school this afternoon, the assignment of teachers to the various schools will be announced. The list of instructors in the High school has been completed, and includes four new instructors. They are Alonzo Romney, instructor in athletics; James E. Haslam, instructor in stenography; Edgar Johnson, instructor in Latin, and D. A. Glasscock, instructor in physiology.

Principal Henry Peterson of the High school announced today that Monday will be devoted entirely to registration. He urges that all pupils be on hand at that time as school will begin promptly on Tuesday. To aid pupils in designing a course of study, the faculty will be divided into committees to offer advice or suggestions.

Principal Peterson also desires it made known that the High school is open to all students who desire to attend the schools. Anyone who desires may enroll at the High school. Last year there was a class of 50 ladies studying literature and the principal stated that he desired more this year. He said today that there are probably hundreds of grown people in Ogden who would like to take up one or more subjects but do not know how to go about it. He suggests that they call at the school where information will be furnished. He wants it understood that the school is for the city and not solely for boys and girls between the ages of 14 and 18 or 19 years.

When the principals met this morning, the subject that came up for most discussion was the six-year high school course that is being given in Ogden. It was the general opinion that the most advanced American system of education is in effect in this city. The principals and supervisors agreed that pupils are getting more practical and theoretical instruction where there are two years spent in sub-high work and four years high school work than ever before. To more strongly close the gap between the junior high school and the regular high school, the courses of study are being printed not for four years as in the past but for six years. This means that the first two years of the course are to be taken in the sub-high schools with the last four in the High school. By making up the course in such a manner, the board and superintendent believe that students will not consider their education completed when they leave the primary school. Superintendent J. M. Mills announced the faculty of the High school with pride today. The superintendent and board of education claim that the faculty is the strongest in the state. There are 30 members, and 18 are men, as follows: High School Teachers.
Henry Peterson, Ph. B. University of Chicago, A. M. Harvard university, principal; W. E. Archibald, A. B. Brown university; J. A. Brown, M. B. S. Agricultural college; Geo. M. Best, science; Verna Bowman, B. S. Agricultural college; domestic science; R. C. Belnap, A. B. University

FOR MISS HINLEY.
One of the delightful affairs of the week was given Monday afternoon at the Parry home, 2104 Jefferson avenue, when Miss Meda Parry gave a linen shower for Miss Mary Hinley, who is to be one of the September brides.

Miss Hinley was the recipient of many beautiful linen pieces in dainty designs, exquisitely embroidered. Festoons of red hearts and cupids decorated the parlors and dining room of the Parry home where twenty girl friends of Miss Hinley were bidden.

Five hundred was the diversion, first prize, a dainty embroidered handkerchief, being won by Miss Lura Chambers and second prize, a picture, by Miss Elsie Stone.

A nicely prepared three-course luncheon was served, covers being laid for the following: Misses Daisy Rolapp, Juanita Ballantyne, Gertrude Oertel, Ruth Moore, Altha Avey, Oertel Rich, Ruth Watters, Irma Noble, Elsie Stone, Frances Van Namee, Lura Chambers, Leah Pardoe, Ruth Douglas, Orella Blackman, Mary Hinley, Florence Dinsmore, Mildred Hiner and Lula Thatcher. Mesdames Myrtle Farr and Helen Moon Glas-mann.

AT KAYSVILLE.
Mr. and Mrs. William Varney of this city were visitors in Kaysville the first of the week.

RETURN FROM LONG BEACH.
Mrs. James A. Gill and children have returned from Long Beach, Cal. where they spent the summer months.

MISS MOORE ENTERTAINS.
Last Tuesday afternoon, Miss Erma Moore pleasantly entertained thirty young ladies at a four-course luncheon in honor of Miss Mary Hinley, a September bride-to-be. Pink asters, and yellow sunflowers in profusion adorned the rooms of the Moore home on Orchard ave-

Streamers of yellow crepe paper were festooned from the chandelier in the dining room to each corner. Pink asters and a large sunflower with smilax formed a beautiful centerpiece for the table, where covers were laid for the following guests bidden: Misses Mary Hinley, Katherine Falck, Juanita Ballantyne, Meda Parry, Daisy Rolapp, Ruth Douglas, Altha Avey, Iris Malone, Kate Volker, Cora Volker, Arlene Stevens, Leah Pardoe, Ruth Watters, Gladys Ballantyne, Edna Watters, Marguerite Long, Gertrude Wetherby, Myra Moon, Helen Taylor, Myra Groat, Marion Browning, Marsha Treseder, Marion Reed, Orella Blackman, Mildred Pardoe, Marion Treseder, Florence Wright, Lela Rich, Vera Frey and Mrs. Helen Moon Glasmann.

Miss Mildred Pardoe and Miss Iris Malone assisted Miss Moore in serving.

MRS. LANE RETURNS.
Mrs. Thomas Lane has returned to her apartment in the Stillwell terrace after a three weeks' visit with her sister at Evanston.

FAREWELL PARTY.
One of the most unique social affairs of the past week was the farewell party given Tuesday evening by Mrs. Scott Parry in honor of two popular young ladies of this city: Her sister Miss Edna Hamilton, who left Wednesday for Boston, where she will enter the New England Conservatory of Music to study voice culture, and Miss Ruby Cook, who leaves shortly for the University of Utah, where she will take up an advanced course along educational lines. Mrs. Parry proved a charming hostess in every sense of the word, and their cozy little home on Brinker avenue presented an attractive setting for the merry party gathered there. A variety of Japanese lanterns were artistically arranged on the porch, and about the lawn, while the interior was especially designed to represent a veritable Japanese garden. The evening was spent in games, and much amusement was caused when the crowd was requested to seat themselves on the floor in truly Japanese fashion to aid in the unravelling of a "Stunt Ball." At a late hour dainty refreshments were served, and the remainder of the evening sped all too quickly in exceedingly pleasant diversions. Miss Cook charmed her listeners with a clever recitation "Moriaki Mourning" and musical selections instrumental and vocal by Misses Hamilton, McNulty and Brooks and Mr. Reeves were heartily enjoyed by all, after which the merry party reluctantly departed, wishing the two young ladies every success upon their entrance into the broader fields of music and education. Those who enjoyed the affair were Misses Edna Hamilton, Ruby Cook, Ella O'Neill, Marguerite McNulty, Winifred Kerchoff, Bessie O'Neill, Genevieve McNulty, Mabel Krauss, Margaret Cramer, Stella Murray, Melba Brookshire, Leah Pardoe, Messrs. Baughman, Maguire, Loos, Wall, Reeves, Powell, Kelleher, Fisher, Brophy, Brown, Maher, Greenwell and Morrissey.

FOR MRS. FIFE.
One of the pretty evening affairs of the week was given Wednesday evening by Mrs. Lindsey W. Fife at her home 2122 Adams avenue in event of her fiftieth birthday. Cut flowers and potted plants effectively arranged added beauty to the home. Musical selections, both vocal and instrumental were rendered by members of the party.

Mrs. Fife was the recipient of many gifts both useful and ornamental. An elaborate supper was served in the dining room where covers were laid for over thirty guests. Toasts were given and appropriately responded to by Mrs. Fife.

RETURN FROM VACATION.
Messrs. Walter and Joseph Fife have returned from the Stewart ranch in Provo canyon where they spent a pleasant summer's vacation.

MISS MAGUIRE RETURNS.
Miss Nellie Maguire formerly of Ogden who has been teaching in the

city schools of Butte, Mont., has returned from San Diego, where she spent the summer months as the guest of Mrs. F. W. Burns.

RETURNS FROM VISIT.
Mrs. James Ballard returned from Devil's Slide this week after a short stay with Mrs. Wyant of that place.

RETURN FROM VIOLA.
B. M. Fox and family returned from their cattle ranch at Viola, Wyo., the first of the week, where they have been spending several weeks.

OGDEN VISITORS.
Mr. and Mrs. W. S. Taylor of Rockford, Ill., are making an extended visit with William Craig and family on Seventeenth street.

MARTHA SOCIETY.
The Martha society ladies will meet Monday, September 8 with Mrs. G. L. Becker at her canyon home. Members will take the 2 o'clock canyon car. Mrs. Becker will provide transportation from the end of the car line to her home.

RETURN FROM TRIP.
Mrs. Krauss and daughter, Mabel, have returned from an extended visit covering the northwest.

MACCABEE RALLY.
The Maccabee rally held in Salt Lake Tuesday and Wednesday was attended by representatives from all over the state. It was a great success in every way and the Salt Lake Maccabees were the recipients of many compliments upon the way in which the various committees planned and executed every detail of the program during the two days. The largest visiting delegation was that of Silver Hive No. 1 of Ogden.

The rally sessions were presided over by Mrs. Alice B. Locke, supreme lieutenant commander, and Mrs. Belle M. Hedge, deputy state commander. All the ritualistic work was exemplified, classes initiated and guard teams from the various divisions gave the floor work and fancy drills. The guard team from Ogden attended every session and both they and their captain, Mrs. Agnes Graves, are to be congratulated for the splendid manner in which they presented the drills. In the absence of the Ogden commander, Mrs. Alice Collins consented to fill the office. She presided so ably that no one realized that she was not the regular officer. Tuesday evening the entire assembly banqueted at Maxims Cafe. Among those responding to toasts were Mrs. Alice B. Locke, Mrs. Emeline B. Wells, honorary member, Mrs. Belle M. Hedge, Dr. Ada Faust, Dr. Alice M. Ridge and commanders from all the hives.

The session closed with a large public reception Wednesday evening.

FAREWELL PARTY.
About two hundred people participated in the festivities last night on the lawn of Mrs. F. C. Woods, given in honor of Elder William J. Stephens, Jr., who soon will depart for a mission in Great Britain.

The evening was spent in dancing and other recreation and refreshments were served. Mrs. Woods was assisted in entertaining by Mrs. Welta Bramwell and Mrs. Ellen Woolley.

A musical program was given by Mrs. Agnes Warner, Miss L. Browning, Mrs. B. Glazer, Miss Carrie Browning, and M. C. Woods. Miss Nellie Leads gave a number of folk dances and Miss Minnie Brown gave a dramatic reading. It was an enjoyable event.

CONSOLIDATION OF ALL AERO CLUBS

Paris, Sept. 6.—Leon Barthou, former vice president of the Aero club, in an interview in the Matin this morning, hints at the possible fusion of the French aeronautical circles into one body, which he says he believes would be of great benefit to aviation.

The Matin says it understands that the resignation of Henri Deutsch de la Meurthe as president of the Aero club may be expected.
