Tesreau was found for five runs in the first two innings. Bush allowed only five hits. Doyle made a scintillating double play unassisted in the seventh inning. The two clubs play the fourth game of the series at Shibe park, Philadelphia tomorrow. Over 35,000 people saw today's battle at the Polo grounds. The official score:

Polo Grounds, New York, Oct. 9.—The New York Giants and the Philadelphia Athletics, pennant winners of the National and American leagues, crossed bats here this afternoon in the third contest of the world's baseball series. Thirty-five thousand persons, undisturbed by a constant threat of heavy rain, swarmed the vast concrete stadium to view the struggle. Each team, with a victory to its credit, was determined to win the day's game to obtain what the ball players call "the jump on the other fellows."

"You know luck breaks better for the leading team," said Captain Larry Doyle of the New York Nationals, "and that's why we will be out there today to beat the Athletics."

Lean dropped Tesreau's pitch. McInnis struck out. McLean to Merkle. Collins and Baker scored when Fletcher struck Strunk's grounder and threw wildly to the grandstand. Strunk went to second on the play. Barry popped fly to Fletcher. Three runs, three hits, one error.

Second Half—Bush put over the first one for a strike. The second one was a foul. After having two strikes on the batter, Tesreau pitched three balls. Herzog, out Barry to McInnis. Bush held a basketful of speed, but seemed somewhat shy of control. Doyle got an infield hit which Bush was unable to field in time. Doyle had a good start on the pitcher in an attempt to steal, but Fletcher fouled the ball. Fletcher was hit by the pitcher. Burns fled to Collins who tossed to Barry, doubling Doyle at second. No runs, one hit, no errors.

Second Inning.

First Half—Schang struck out, being unable to gauge Tesreau's smiter. Bush fled out to Murray. Murphy beat out a hit to short, Fletcher making a nice stop back on the grass, but could not get his man at first. Oldring got his second single to right, sending Murphy to third. It was the hit and run play cleverly worked. Oldring stole second, Murphy being held at third. Murphy and Oldring scored on Collins' line drive over Doyle's head. This made six hits off Tesreau in two innings and the third man still to be put out. Collins was at second when Doyle took Baker's burning smash and touched second. It looked like a sure hit and only wonderful fielding by Doyle prevented the ball from going to center field. Two runs, three hits, no errors.

Second Half—Shaffer out on a fly to Herzog. Collins out on a fly to Shaffer. No runs, no hits, no errors.

Second Half—Burns out on a fly to Murphy. Shaffer walked. Shaffer forced at second when Barry took Murray's roller and tossed to Collins. Wilson fouled to Baker. No runs, no hits, no errors.

Final Score.

Acting Manager J. M. Read of the Ogden Rapid Transit company states that the system of "pay-as-you-enter" has been instituted on the car line of the Brigham City service and that beginning tomorrow a regular schedule will be given in Brigham from the Oregon Short Line depot to Fruitdale, which is about one mile south of Brigham.

The car line in Brigham traverses only the main street of the city and the one leading to the depot, traffic not being extensive enough at present to warrant building extension. It is said, however, that it is possible that Brigham City, in a short time, may be of sufficient importance commercially to justify the operation of cars on a number of the streets.

Upon the return of Manager Kline from the east, steps will be taken to establish the new fare collecting plan in Ogden City by which passengers will be required to pay as they enter the cars, transfers to be called for at that time.

Andrew W. Nelson has commenced suit in the district court against J. G. Farley and others on an alleged breach of contract and he asks that the defendants be restrained from further participating in the breach.

The complaint alleges that the plaintiff and the defendant Farley entered into an agreement some time ago to build a private water main on Farley's Lane and that no other parties should be permitted to tap the main except by and under the consent of the plaintiff and Mr. Farley, but that Mr. Farley has permitted others to make connections and use water from the main.

It is contended that inasmuch as the water main in question is a private line it cannot be used by anyone except the parties who built it. It is contended that the defendant Farley has failed to keep good faith with the plaintiff respecting the use of the water pipe.

In the matter of the estate and guardianship of Fielding Barlow and Dorothy Rainey an order has been issued from the district court confirming the sale of certain real estate.

Deputy Sheriff George Leatham went to Provo today to turn over to the authorities of the state mental hospital Mrs. Margaret Wilkinson who was committed to that institution yesterday.

UNION PACIFIC CUT POSTPONED

New York, Oct. 9.—The much talked of \$90,000,000 Union Pacific "melon" is not to be cut just now. Robert S. Lovett, chairman of the Union Pacific board, issued a statement this afternoon saying that "circumstances make it inexpedient to deal with this subject at present."

RUTH GRIFFIN FUNERAL TODAY

Brief, but impressive funeral services were held for Ruth Griffin, the six-year-old daughter of Mr. and Mrs. B. J. Griffin, at the Ogden cemetery this morning at 11 o'clock. Elders Samuel G. Dye and J. E. Griffin spoke words of condolence and the Fourth ward quartet furnished musical selections. The grave was dedicated by Elder F. W. Stratford. The little girl died at Logan Monday of diphtheria and heart failure due to which fact a public funeral was not held. She was a sweet child and the parents are overwhelmed with grief. The body was taken direct from the depot to the grave.

SUPREME COURT TO DECIDE SUIT

Six Questions Involving Legal Issues in Midwest Oil Case Submitted.

ALL WEST CONCERNED

Title of Millions of Acres of Oil Lands Depends on Result.

Denver, Colo., Oct. 9.—The legal issues involved in the suit of the federal government against the Midwest Oil company today were sent for solution to the supreme court of the United States. A list of six questions, prepared by the judges of the United States circuit court of appeals was certified, filed, then mailed to Washington. Upon the opinion of the supreme court on these questions depends the title to millions of acres of oil lands in Wyoming and California, which the government seeks to retain to furnish a supply of fuel oil for the navy.

West Viciously Concerned.

The entire subject of land conservation in the west is vitally concerned in the result.

The questions concern the right of the president, prior to the act of June 25, 1910, to withdraw oil lands from entry. The validity of the specific order of September 17, 1909, by which the Wyoming lands involved in the Midwest suit were withdrawn, also is touched upon, particularly with regard to the expressed and implied purposes of the withdrawal. The supreme court also is asked to decide whether or not, between the withdrawal order and the act of June 25, 1910, persons were authorized to enter upon the land under the petroleum land act of February 11, 1897.

J. TENNUISSSEN AND CARL ELSING ARE SET FREE

When Carl Elsing and John Tennuisen were arraigned in police court yesterday on charges of disturbing the peace sworn to by W. J. Owen, pleas of guilty were entered. When the two appeared for the settlement of the case this morning, they brought with them an attorney who objected that the defendants had not properly understood when they entered the pleas, and he asked for a change, all of which caused a tilt between the city attorney and the defending lawyers. Following this, the plea was changed to one of not guilty and the trial proceeded.

W. J. Owen, the complaining witness, however stated that he had no desire to prosecute, so after the trial Judge W. H. Reeder dismissed the complaint.

According to Elsing and Tennuisen, they had been working under Owens in the coach shops and were discharged Tuesday last. They said that they had been poorly treated when they asked for reinstatement in their jobs.

Owens and another witness stated that when the two entered the office they threatened Owens and that Elsing grasped Owens by the neck and wrestled with him. The defendants said that Owens was the first to do the wrestling. Tennuisen claimed that he was struck on the head with a "black jack" during the melee.

Upon motion of John Heywood, assistant city attorney, the trial of J. Kuhn, was continued to October 17, because of the illness of the wife of the principal witness.

The case of F. J. Utard, charged with immoral conduct by Albert Coleman, was continued to the date following divorce proceedings in the district court.

The case against Berend Van Der Schuit, charged by Sanitary Inspector George Shorten with dumping rubbish on the sidewalk, was dismissed upon the consent of the complaining witness.

FOREIGNERS ARE LEAVING MEXICO

Much Alarm Felt Because of Reported Massacre of 175 Spaniards.

CONFIRM EVACUATION

Three Federal Commanders to Be Court-martialed For Leaving Torreon.

Mexico City, Oct. 9.—A telegram received last night at the United States embassy from Consul Hanna at Monterey, says that a party of more than 300 Americans, Englishmen and other foreigners left Torreon fifteen days ago by special train. They are expected at Monterey tonight. Word yesterday said that all were well.

Much alarm had been expressed here over the possible fate of foreigners in Torreon, in view of the reported massacre of 175 Spaniards by the rebels there.

The evacuation of the city of Torreon by the federal troops was confirmed today by Manuel Garza Adalpe, minister of the interior, who declared that General Aubert, the federal commander with Generals Munzunia, Ignacio Bravo and Escudero, is now at Hupolito, near Saltillo. The latter three commanders, according to the minister of the interior, are to undergo courtmartial for the evacuation of Torreon.

The report that General Aubert has gone over to the rebels is generally discredited here.

General Gustavo Maas has been recalled from the border to co-operate with General Lauro Villar, who left Mexico City last night with 400 federal soldiers for Torreon.

Confirmation of the execution by the rebels at Torreon of General Alvarez, with his staff and a number of federal soldiers, has been received by the war department from unofficial sources. General Alvarez had started for Durango when he was defeated and his artillery captured by the rebels.

CLARK TO TAKE DRASTIC MEANS

Baseball and Autumn Gunning Depletes House Quorum.

Washington, Oct. 9.—World's series baseball games and the lure of the autumn gunning and fishing days have played havoc with the attendance of members of the house and it was announced today, Speaker Clark will take drastic measures to insure the presence of a quorum from now until the present special session adjourns. The speaker hurried back from a two days' vacation with a determined look in his eyes and peremptory orders were immediately issued for absent members to put in an appearance.

The tying up of the conference report on the urgent deficiency bill, has annoyed the Democratic majority, although the situation is not regarded as actually serious. Efforts now will be made to rush the matter through. The bill contains important items for which many government enterprises are waiting. Chief among these is the item making provision for the new department of labor which up to the present virtually has been without funds.

CHINESE CORDIAL TO FOREIGNERS

President to Emphasize Friendly Intentions in Inaugural Message to Parliament.

Peking, China, Oct. 9.—The friendly intentions of the Chinese government toward foreign interests will be strongly emphasized in President Yuan Shi Kai's inaugural message to parliament tomorrow. On this subject he will say:

"The attitude of the foreign powers toward us has always been one of peace and fairness. They have given us cordial assistance whenever the occasion arose. This, of course, is due to the fact we highly appreciate the good will of the friendly powers. It is most important for all citizens of the Chinese republic clearly to understand this and to endeavor to strengthen international friendship.

"With sincerity, I hereby declare that all treaties, conventions and other engagements entered into by the former Manchu and provisional republican governments with foreign governments shall be strictly observed and that all contracts duly concluded by former Chinese governments with foreign companies and individuals shall also be strictly observed.

"Further, I declare that all rights, privileges and immunities enjoyed by foreigners in China, by virtue of international engagements, national agreements and established usages, are hereby confirmed.

"This declaration, I make with the view of maintaining international amity and peace."
