HIGH COURT VOTES TO REMOVE GOVERNOR SULZER FROM OFFICE

Every Article of Impeachment Acted Upon Separately by Judges to Determine Guilt or Innocence of New York Executive—Vote to Disqualify Him From Ever Holding Another Office in the State Lost.

PRESIDING JUDGE VOTES NOT GUILTY

Alleged Falsification of Statements and Misuse of Campaign Funds Together With Suppression of Evidence and Charges of Perjury Considered Sufficient Evidence of Moral Unfitness for High Office.

Albany, N. Y., Oct. 16.—The high court of impeachment which is trying William Sulzer adjourned shortly after 3 o'clock this afternoon, at which time it was announced a start would be made on the final vote to determine the guilt or innocence of the governor.

It was reported that the court voted informally in its secret session this morning to remove the governor from office by a ballot of 43 to 14. A vote to disqualify him from ever holding another office under the state was lost. It was said.

There was not a single vote favorable to his disqualification, it was reported. Every article of impeachment was voted on separately, according to the news that leaked from the court room, and not all of them were sustained. Those on which the governor was reported to have been held guilty were articles 1, 2, 5 and 4, of the impeachment charges. The three first are the "money articles," having to do with the alleged falsification of the governor's campaign statement, and the misuse of campaign contributions.

Article four relates to the suppression of evidence by the governor before the Frawley committee, including the testimony of Duncan W. Peck, superintendent of public works. It was reported that the following members of the court voted in favor of finding the governor not guilty and against removing him:

Presiding Judge Edgar M. Cullen and Senators James F. Duhanel, Independence League; James A. Egeron, Republican; Seth G. Hencock, Independent; James W. McKnight, Democrat; Thomas H. O'Keefe, Democrat; Abraham J. Palmer, Republican and Progressive; William R. Peckham, Democrat; John Seeley, Democrat; John D. Stivers, Republican; Ralph W. Thomas, Republican; Gottfried H. Wende, Democrat; Clayton H. Wheeler, Democrat; George H. Whitney, Republican.

It was 3:10 o'clock when Presiding Judge Cullen directed the clerk to open court. After Judge Cullen had pronounced the high court duly opened.

Voting Begins. After 26 members of the court had voted on the first article the tally stood: Guilty 19, not guilty 7. With 22 members left to vote the tally stood: Guilty 25, not guilty 10.

"Steamer Kroonland, Oct. 16.—October 9, Volturmo found to be on fire, 6 55 a. m., latitude 49 12 north, 34 51 west longitude. EATON MURDER TRIAL BEGINS

Wife of Rear Admiral Charged With Causing His Death By Poisoning.

DAUGHTER A WITNESS

Prosecution Expects Defendant to be Found Guilty in First Degree.

Plymouth, Mass., Oct. 16.—The preliminary over, the trial of Mrs. Jennie May Eaton, charged with the murder of her husband, Rear Admiral Joseph E. Eaton, started in earnest today. The court room was filled with spectators. It was expected that the opening statements of counsel would be completed today and the first witnesses taken.

Mrs. Dorothy Ainsworth, younger daughter of Mrs. Eaton, by her first marriage, arrived yesterday prepared to testify for the prosecution. "The prosecution contends and expects to show," said Mr. Katzmann, "that Mr. Eaton met his death at the hands of his wife by the administration of poison. The commonwealth expects the jury to render a verdict of guilty of murder in the first degree if the act is shown to have been committed by a rational being."

Mr. Katzmann indicated that jealousy was the motive for the alleged crime. He recounted the incidents of the admiral's courtship and marriage to Mrs. Eaton and told of unsettled life in the household. "For years, he said, Mrs. Eaton had tried continually to have her husband adjudged insane. The foundation for these attempts, he said, was Mrs. Eaton's accusation in the summer of 1908 that her husband had poisoned a child adopted by them the previous spring. "Mrs. Eaton cried in the highways and the byways," said he, "that the admiral had poisoned the child and had tried to poison her and her daughters."

WOMEN WORKING FOR CANDIDATE

Chicago Results in Sharp Drawing of Lines.

Peoria, Ill., Oct. 16.—Although women of the fifth supreme court district cannot vote at the forthcoming election of a state supreme court judge, the incursion of suffragette speakers from Chicago in behalf of the Progressive candidate has resulted in arousing the greatest interest among the women partially enfranchised at the last session of the legislature.

Woman suffrage in Illinois extends only to offices created by statute and does not apply to positions named in the state constitution, such as supreme judges. This is the first important campaign in which the women have expected their efforts for their respective candidates. The attack of Mrs. Medill McCormick on Judge Peterbaugh yesterday and his spirited defense by other women has resulted in a sharp drawing of the lines.

The Chicago women, Mrs. Medill McCormick, Mrs. Sherman Booth and Mrs. George Plummer, planned a strenuous campaign in the smaller cities near here.

BIDS ON THE PAVING OF LINCOLN AVE. ARE OPENED

This morning City Engineer H. J. Craven submitted bids for the concrete paving of Lincoln avenue, between Twenty-sixth and Thirtieth streets, and recommended that the contract be awarded to A. A. Clark the lowest bidder without a guarantee. The engineer reported that he was of the opinion that the property owners would prefer to carry the insurance and have the low bid accepted.

The two lowest bidders were A. A. Clark and P. J. Moran, both of Salt Lake, as follows:
A. A. Clark, no guarantee, \$14,750.00
A. A. Clark, guarantee, 19,000.00
P. J. Moran, no guarantee, 17,534.94
P. J. Moran, guarantee, 18,417.85

Other bids ranged from \$3,000 to \$3,900 higher and were passed without consideration. It will be seen that Mr. Clark is the lowest bidder on non-guaranteed work while the Moran company is the lowest on guaranteed work. Mr. Clark asks nearly \$5,000 to guarantee the job, while the Moran company makes a difference of only about \$100.

The following payrolls and claims were allowed and the auditor instructed to draw warrants:
Street department, labor, \$1,663.06
Street department, sprinkling, 289.90
Claims for sewer connections, \$25.00
James Macbeth, 25.00
W. J. Dallimore, 25.00
A. J. Atkin, 46.50
Sangberg & Sargent, 36.00

CENTENNARY OF GREAT BATTLE

Austrians Celebrate Anniversary of the "Battle of the Nations."

SPLENDID REVIEW

Emperor Francis Joseph With Royalty, State Officials and Generals Present.

Vienna, Austria, Oct. 16.—A splendid military review was held here today in celebration of the centenary of the "Battle of the Nations," fought at Leipsic, October 18, 1813, when 200,000 of the allied armies of Austrians, Prussians, Russians, Swedes and Saxons, commanded by the Austrian Field Marshal Prince Carl Philipp Von Schwarzenberg, defeated Napoleon with an army of about 180,000 French troops. The combined casualties of both armies were 94,000 killed and wounded; 30,000 French were taken prisoners.

The display took place in Schwarzenberg plain, where Emperor Francis Joseph, all the Austrian archdukes, the members of the cabinet, court and state officials, and all the generals on the Austrian active army list had gathered. The aged emperor laid a huge laurel wreath at the foot of the Schwarzenberg monument and subsequently on the Ringstrasse reviewed deputations from the regiments which had participated in the historic battle.

FORTY-NINE MEN TAKEN TO JAIL

Fifteen Deputies March the Strikers to County Bastille in Trinidad.

Trinidad, Colo., Oct. 16.—Forty-nine striking miners, charged with picketing, were arrested at the McLoughlin mine of the Santa Fe Coal company today and marched three miles to the county jail at Trinidad. Fifteen deputies, armed with rifles, flanked the prisoners on either side and a machine gun, mounted on an automobile, brought up the rear, but in spite of this several members of the crowd of 300 strikers that followed the party attempted to break through the lines and liberated the prisoners.

A crowd of 75 strikers gathered at the McLoughlin mine this morning when they learned that the twenty miners, whom they succeeded in preventing from entering the mine yesterday, had returned to work.

FAMOUS ATHLETE DIES OF TYPHOID

Ralph Rose, Holder of Olympic and World's Records, Fights Last Battle.

San Francisco, Oct. 16.—Ralph Rose, holder of the Olympic and world's records for shot putting, died here today of typhoid fever after a brief illness.

Rose was a big, florid, full-blooded man, of the type in which typhoid finds rich soil. From the first his battle against the disease was not encouraging to his physicians.

Ralph Rose was born in Healdsburg, Cal., 25 years ago, graduated from the Healdsburg high school and for a time attended the University of Michigan, but did not graduate. He returned to California, studied law, was admitted to the bar and has been a practicing attorney since.

Eight Years a Champion. For eight years Rose has been a championship figure in amateur athletics. His prowess won him a place on the first American Olympic team that went to Athens in 1906, and he was successively a member of the American teams at London in 1908 and Stockholm in 1912, always bringing home first place until last year when he was beaten by McDonald (American) with a put 8 inches short of Rose's own world's record of 51 feet, flat for the 16 pound shot, made at Travers Island, New York, in 1909.

In addition to his records with the 16-pound shot, right hand putting, Rose also held all American records with the 8 pound, 18 pound, 21 pound and 28 pound, and the world's record with the 16 pound shot for right and left hand combined, made last year on the Stanford university field, in the Olympic try-outs.

Rose was a member of the San Francisco Olympic club.

Since the beginning of the strike on July 23, strikers have been permitted to live in company houses and have paid no rent.

CAUGHT AFTER GRABBING PURSE

A second alleged attempt to work the "snatch and run" game was nipped last night when James Morgan and John Downs ran into the arms of Patrolman Jerry Kellner while the two were pursued by M. J. McGinnis, from whom it was alleged the two had taken \$38. The men are booked on the charge of larceny from the person, a felony.

McGinnis told the police that he had met the two men and was taking them to the Rex theater. When he took out his purse to buy the tickets, one of the two grabbed the purse and ran down the street.

When the patrolman arrested the men the \$38 was found on one of them.
