The affair was their second annual ball and the attendance of over 500 persons attested to their popularity.

An especially fine feature of the occasion was the result of the forethought of the committee in selecting the program of music and printing the names of the selections on the souvenir programs which were given to the guests.

The service was given by Albert Greenwell and Roland Titlison and was most satisfactory.

The committees who arranged and carried out the affair so successfully were composed of the following members of the union: Arrangement—Margaret Gotch, chairman; Eva Rex, Maud West, Laurie Wilson and Norman Boyle.

### GREAT INTEREST IN SATURDAY'S BIG CONTEST

According to an inventory taken of the Ogden high school football team yesterday afternoon, they will have to depend to a great extent on the support of their fellow students and the loyal fans of Ogden in winning a victory over the Red and Black next Saturday afternoon.

Jones, Tackett and Glasmann, the backfielders, are all somewhat bungled up. Jones has a bad bone bruise, Tackett has two small bones in his left foot broken, and Glasmann has a wrenched knee.

The boys are, however, filled with proverbial Ogden spirit, and game, and with careful practice under the direction of Coach Romney and well directed rest, during the two more days before the big game, they should with the kind of support that Ogden knows how to give to a local contender for athletic honors, come out victorious.

The Herald-Republican says: "The Salt Lake and Ogden High school football teams will furnish the big game of the week Saturday, when these old time rivals will meet at Glenwood park in Ogden.

"The showing the Ogden team made against the Utah freshmen last Saturday has opened the eyes of the coaches, who believe the Red and Black will have the hardest tussle of the year with the Junction City eleven.

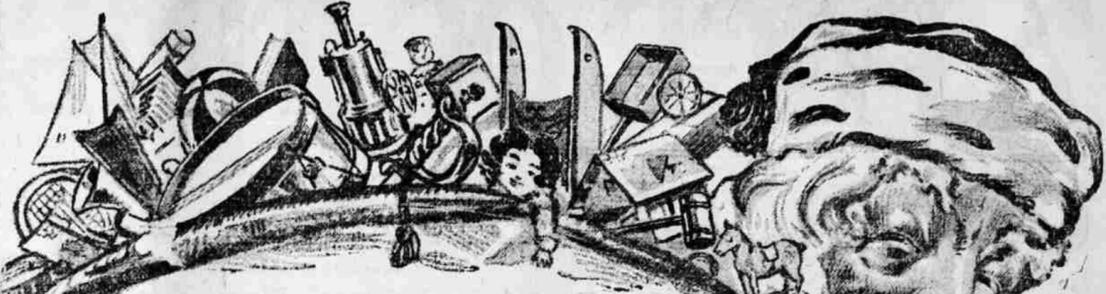

In the Ogden lineup Glasmann, Fuller, Price and Mattson are playing great games, while Tribe and Cooney are also dangerous men that the Red and Black warriors will have to watch. The entire squad, according to Coach Romney, is in the best kind of condition for the battle and are working with a much better spirit this week than ever before.
