Boise, June 2.—Ragged playing by Ogdens and nine hits by Boise, several of them Texas leaguers, gave the opening game to the Irrigators. Toner's errorless support rendered Ogdens' equal number of hits harmless.

A double steal by Kelly and Bauer and Bostick's three-bagger did part of the damage in the box.

Successive singles by Woolums, Murphy and Jones provided Ogdens' one score. Fast work by Schimpff, including two double plays, featured the game.

After a three-base hit by Thomas and a double by Blauser, Lemley relieved Knight in the box.

ter was used for a time at second, but was weak with the stick. Finch showed wonderful form at the end of last season, but could not get in congo to Calgary in the Western Canada league, while Slater will get on with one of the Copper league teams at Garfield.

BENZ WANTS A BOY.
Chicago, June 2.—Joe Benz, pitcher of the Chicago American league club, looked over the children in the municipal court seeking to adopt a baby.

"I want a good sturdy boy with the right kind of arms," he said.

The clerk promised to look out for a boy to suit Benz' requirements. Benz was married here this spring after a tour of the world, made by the New York Nationals and Chicago Americans.

MURRAY DEFEATS THE VIGILANTES IN A SWATFEST

After dropping five out of seven in the series last week, the Murray ball tossers returned home yesterday with Helena and took the measure of the Vigilantes to the tune of 14 to 7.

Rex Ames started the game for the visitors, but was hammered from the box in four innings and Wells took over the burden, but fared little better. Dawson worked the entire game for Murray and outside of the eighth inning, in which Helena grabbed five runs and seven hits, hurled a glittering game.

The game lacked pepper, but this was partially due to the fact that the teams did not arrive here until noon and had no chance to rest up after the ride from Helena. There never was any question about who was going to win. Blank sent Dawson to the mound and for seven innings Rex was mighty stingy, allowing but four hits.

In the eighth he eased up and Helena collected seven and five runs. Rex tightened again in the ninth and failed to allow a hit.

JUDGE DECIDES JOHNSON CASE

Injunction Preventing "Chief" From Playing With Kansas City Federals Stands.

Chicago, June 3.—The injunction preventing George H. ("Chief") Johnson, former Cincinnati pitcher, from playing with the Kansas City Federal league team, stands, according to a decision of Judge George H. Foell in the superior court of Cook county today.

The decision is generally considered a victory for organized baseball, as the Federal league and the Kansas City club, in their motion to dissolve the injunction, made a direct attack on the "ten-day" clause, a feature of the contracts of all clubs within the "National agreement."

Judge Foell's decision.

In his decision sustaining the injunction Judge Foell said in part:

The testimony in the case shows that with few exceptions the ten-day clause is practically the same as that contained in practically every baseball contract made during the last 20 years. It seems improbable that the many baseball players should have, for a score of years, voluntarily signed the contracts if the practical effect of the clause resulted in hardship upon them.

Under the evidence in this case, the rule laid down in the authorities, the court is of the opinion that the contracting question here is not void because of section seven thereof.

Decision's Four Points.

I.—That the Cincinnati club can obtain justice in a suit for damages.

II.—That a "negative covenant"—the clause restraining the player from playing with any other team than the one contracted with during the life of the contract—cannot be enforced in law.

In regard to the alleged fraudulent representations made to Johnson regarding the ability of the federal league to fulfill its contracts, the court held there was no evidence.

Ten-day Clause Not Unfair.

Regarding the ten-day clause, Judge Foell pointed out that Johnson signed the contract after working under a similar one the past year at a much lower salary; that the clause appears in almost every baseball contract, and that it is hard to believe players would repeatedly sign contracts which they considered unfair.

The court held that it was impossible for the complainant to recover in a suit for damages inasmuch as specific performance will not be enforced in the courts.

The contention of the defendant that a "negative covenant" cannot be enforced in law was the strongest point brought forward, the court said, but Judge Foell declared that most of the cases cited were not in point for the reason that where specific performance will not be enforced by the courts, relief will be granted to the complainant in a suit where a "negative covenant" is expressed or implied.

CUP YACHTS IN SECOND CONTEST

Rye, N. Y., June 3.—A moderate southwest breeze early today was more than welcomed by the cup defense candidates, Resolute and Vanitie, for their second contest in the preliminary series. Especially was this so after yesterday's double battle in which the yachts not only struggled against one another, but fought baffling winds almost the entire race, which the Vanitie won by 16 minutes and 48 seconds in elapsed time.

The two contenders spent the night behind the breakwater in Glencore. On each boat a few minor changes were made. Designer Herreshoff spent the night on board the Resolute's tender, Cape Cod, and held a long conference with Robert W. Emmons, manager. Both agreed that the Resolute showed plenty of speed in the first two legs of yesterday's race, but that in the light fluctuating airs later in the day the Vanitie "out-lucked" them.

This morning the Vanitie's crew took a long, strong pull at the out-haul on the foot of the main sail, for the big sheet of canvas was badly wrinkled yesterday. Captain Dennis said it probably would have been re-cut. He laughed at the suggestion that he was fortunate yesterday in picking up the favorable streaks.

"The faster boat always has the luck," he said.

Another triangular course was selected for today's race, with the start off Parsonage Point, at the end of Rye Neck.

School Girls—BACK to the BICYCLE

Enjoyment is measured by sensation—an abundance of sensation is yielded by the glorious sport of bicycling; the blood is drawn from the head, leaving it clear and cool; deep breathing exhilarates; rhythmic flexing of the muscles, without shock or strain, produces a consciousness of suppleness and power; coasting lets the blood tingle delightfully back through the relaxed muscles. Then the delicious lounging afterwards—the appetite and dreamless sleep.

AMERICAN LEAGUE.

Boston, June 2.—Philadelphia and Boston divided a doubleheader today. Boston winning the first, 3 to 2, and the Athletics the second, 4 to 2. In the first game the Red Sox won out in the seventh, when Hooper tripped and scored on Scott's single.

Baker started the scoring in the second game in the fourth, when he singled, was advanced on another single by McInnis, a sacrifice by Strunk and a squeeze play. Consecutive hits and sacrificing accounted for Philadelphia's other run. Boston drove Pennock from the box in the eighth, but Shawkey stopped the scoring.

NATIONAL LEAGUE.

Brooklyn, June 2.—Brooklyn and Boston divided today's doubleheader. Boston won the first game, 3 to 2, and Brooklyn took the second, 4 to 3.

The first game was a thirteen-inning battle. Boston made two triples in the first inning, scoring two runs. Wheat came up in the fifth with Smith on second and two out and knocked the ball over the right-field fence for a home run, tying the score. Mann, first up in the thirteenth, hit for three bases and Pitcher James won his own game by driving the runner home with a single.

The second game was also close. Brooklyn winning by bunching hits off Coeheim.

MURRAY RELEASES FINCH AND SLATER

Dr. C. P. Harvelle, president of the Murray baseball club, announced last night that Pitcher Finch and infielder Slater had been released, Slater was used for a time at second, but was weak with the stick. Finch showed wonderful form at the end of last season, but could not get in congo to Calgary in the Western Canada league, while Slater will get on with one of the Copper league teams at Garfield.
