DICKENS

Photograph of the Dickens' set in the Famous Authors Home Library editions. It consists of six volumes, containing more than 3,000 pages of strong bible finish paper, printed in new, large type, gold lettered and embellished, illustrated with a striking frontispiece in each volume, and bound in red ribbed English Buckram cloth.

### LOVERS OF DICKENS' WILL BE DELIGHTED WITH THIS SET

You are not content to read Dickens only once. You read him again and again. His pages are so crowded with interesting characters of all types that you sigh when you must close your book and take yourself off to bed. And you want to meet those same characters once more, for the truth is that Dickens, "human nature's master," cannot be "sucked dry" in one reading. The plot is always so exciting and absorbing that you rush through the story, and then go back time and again to enjoy its sparkling dialogue, laughable situations, pulse-quickening action.

Dickens gives you new power to understand men and women, a clearer insight into human nature, and his stories are intense because they are true. They have never been offered at anything near this price—and never will be, in anything like this form. Sets of all the world's greatest authors will be offered you, in uniform binding, at a uniform price, but secure Dickens now and start your library. No library is complete without him.

### AT THE SAME PRICE YOU MAY SECURE A SIX-VOLUME SET OF

- Victor Hugo's Works.
- Alexandre Dumas Works.
