ELKS HAVE A BIG DAY AT HOT SPRINGS RESORT

More than 2000 people participated in the "Purple day" celebration staged by Ogden lodge No. 719, Benevolent and Protective Order of Elks, yesterday at the Utah Hot Springs, making the affair the most successful that has been held at the Boxelder county resort this season. About one-fourth of those in attendance were from Brigham City, the Commercial club of that town having joined with the Ogden Elks in making the celebration one of joint pleasure for the people of the cities. According to a member of the general committee, nearly 90 per cent of the local Elks lodge went to the Springs and many of them assisted the committee in making the day and evening a highly enjoyable one for the big crowd.

During the early afternoon, a program of foot races for the children and adults of both sexes were staged. Following the race meet, a baseball game was staged between a team of Ogden Elks and the Brigham City Commercial club team. According to Secretary "Bill" Greenwell, of the Elks lodge, the game was an "endurance" contest and the Brigham city players won out, 14 to 3. The lineup was as follows:

(Ogden) (Brigham)
 Elks Commercial Club
 Mortensen..... Jeppson
 Crow..... J. Keller
 MacMurdy..... Jensen
 Emley..... Ramshaw
 Dean..... Stacey
 McLaughlin..... Ward
 Eckhardt..... Kellar
 DeVine..... Roskelley
 DeWolf..... Sobel
 "Umps"—Davis, Brigham City.

A concert was given by a band from Ogden, in the afternoon, and in the early evening many members of the crowd enjoyed a picnic dinner in the bowery near the foothills.

Beginning at 8 p. m., the swimming and diving races were put on in the big open-air pool at the resort, but owing to the almost unprecedented crowd in the pool, there being almost 1000 bathing suits rented during the late afternoon and evening, the committee had some difficulty in keeping the racecourse clear.

The races, however, were finally pulled off and the winners were as follows:

Men's swimming race, Mr. Rosenbaum of Brigham City; ladies swimming race, Miss Shupe of Ogden; boys' swimming race, Clifford Holliday of Ogden; distance diving race, Messrs. Moller and Carey, Ogden, draw. Each of the latter were given an equal prize.

While one large crowd was enjoying the bathing in the warm pools, another watched the swimmers, a third found recreation among the different concessions and a fourth filled the dance hall to its capacity. Music for the dance was furnished by the concert band and this part of the program proved one of the features of the celebration.

The committee who planned and carried out the program of the day was composed of Walter Herrick, chairman, Dr. C. K. MacMurdy, Robert Hoggan, Roscoe Glasmann and George Hoggan.

BARROOM FIGHT SERIOUS AFFAIR

T. C. Morris and H. L. Bywater, who are alleged to have participated in a free-for-all fight last night with J. H. Brooks and Hal Lessenger, were arraigned in the municipal court this morning on a charge of disturbing the peace. Both entered pleas of not guilty and their hearings were set for August 18. Bail in each case was set at \$100. Lessenger, who was badly injured in the fray was unable to appear in court. He is still at the Dee hospital, where he was taken for treatment.

The fight started in a barroom and Brooks, who made his escape and has not yet been apprehended, is believed to have been the man who wielded the knife with which Lessenger was injured. Brooks, who came to Ogden about two weeks ago, is a native of Atlanta, Ga., but has been living in San Francisco, where he is said to have a wife and child.

During his stay in Ogden, he was employed as an extra salesman by the McCune-Foulger Shoe company and, according to a statement made by Manager G. W. McCune today, appeared to have been of a peaceable temperament and a thorough gentleman.

EARLY FRUITS HAVE GONE TO CANNERS

Ogden shippers say that the cherry and apricot crops for export are not heavy, as most of such fruits go to heavy canners at home. Shipments from Weber county this year in cherries are said to have not exceeded 15 or 17 cars and only 10 cars of apricots were sent out. Many of the Weber county apricots were shipped to Grand Junction canners, the crop in that locality being a failure.

But heavy crops are raised in Weber county on account of excessive blight and shippers are not figuring on much of a business in that line this season. It is expected that the crop will be gathered and disposed of in a few days after it begins to ripen.

At least normal shipping in peaches is anticipated and the shippers expect to begin to move the crop the latter part of this month.

Ten of the fifteen members of the board were present and the success of the recent Chautauqua and plans for the 1916 assembly were informally discussed.

The fact that some profit was realized from the sale of tickets of admission to the sessions of the 1915 assembly removed all doubt that the assembly would be continued as a permanent institution in Ogden.

Dr. E. P. Mills, who presided, said the fact that the board was so well pleased with the character of the entertainment and instruction afforded at the last meeting, together with the fact that all who attended were more than satisfied with the various numbers, which embraced a wide range of subjects, was responsible for a renewed contract with the booking concern, and that the people were again insured the opportunity of profiting by the array of talent that will be displayed here next year.

A complete corps of officers was elected as follows: President, Dr. J. R. Morrell, first vice president, D. H. Adams; second vice president, F. F. Smith; secretary, Dr. E. P. Mills; treasurer, O. A. Parmley.
