PIRATE LEADER GOES TO THE FARM.

Fred Clarke.

Fred Clarke, after fifteen years as manager of the Pittsburgh National League Club, is about to quit and retire to his farm in Kansas. In that time he won four pennants for his club, and generally had it near the lead. He himself was one of the greatest outfielders, and during the time he played he was near the .300 notch.

CHICAGO TEAM WINS IN TOKIO

American Victory Due to Ability to Make Hits When Hits Meant Runs.

Tokio, Sept. 24.—6:15 p. m.—Twenty thousand Japanese baseball enthusiasts saw the University of Chicago team win the first game of its series with Waseda university here this afternoon, by a score of 5 to 3. The American victory was due to their ability to make hits when hits meant runs. The natives fielded cleverly and ran bases well, scoring all their runs with only one hit.

VERNON WALLOPED. Los Angeles, Sept. 23.—It was just a plain massacre under the guise of a ball game. Salt Lake wasted enough base hits to set Ty Cobb up in a branch business and, despite this wanton wastefulness, won by the handy score of 9 to 3. Had Salt Lake made the most of their hits it would have been necessary to punch the register for fifteen or twenty runs.

Quaint Fray. By all odds it was the quaintest game of the fall season. Nothing quite like it has ever been seen here as late as September, when the athletes are supposed to have all the corruption out of their systems. Doc got out and coached and coached and coached, but every time he barked somebody kicked the ball, so finally he retired to the bench and devoted all of his time to changing pitchers. Every change made was not for the worse, only because the guy who had just been taken out was so bad.

OAKS TRIM ANGELS. San Francisco, Sept. 23.—Oakland is out of the cellar. The elevation was accomplished through the Seals' victory in the north and the drubbing administered the Angels today in the cross the bay session. They beat the southerners

SEVEN TIMELY HITS NET NEW YORK GAME.

St. Louis, Sept. 23.—Seven hits, including a home run and a triple in the second inning proved the undoing of Salles and netted New York six runs, enough to defeat St. Louis today. The final score was 7 to 3. Tesreau had but one bad inning—the sixth—when a single, two doubles, a base on balls and a wild pitch produced three runs for the locals.

FRED CLARKE WINS LAST BALL BATTLE.

Pittsburg, Sept. 23.—Manager Fred Clarke played his last game of baseball in the National league today and his team defeated Boston 8 to 4. Clarke was presented with a bound book containing the names of several thousand Pittsburg friends. Marmox started the game, but gave way to Cooper at the end of the fifth inning. The Pirates knocked Rudolph out of the box and Hughes finished the contest.

RED SOX GAIN TWO MORE.

Boston, Sept. 23.—The Red Sox today gained two more victories at the expense of Cleveland, 5 to 4 and 6 to 2.

The visitors pressed Boston closely in the first game, when Joe Wood, pitching his first game in a month, weakened. Coumbe, who succeeded Kiepler in the fourth, kept his hits scattered except in the fifth and seventh. A triple by Roth grew into a tally in Cleveland's fourth; singles by Evans, Wambgsann and Coumbe produced two runs in the seventh and the visitors approached within one run of Boston when they added another off 3's delivery on a single by Roth and Kirke's double in the eighth.

The second game was won by Boston almost at the start, and Benton soon gave way to Collamore. Roth, whose hard hitting has been a feature of the series, knocked the ball over the high left field fence for a home run in the fourth.

Graney, the Cleveland leftfielder, broke his collar bone when he made a difficult catch yesterday, it became known today. Cleveland000 100 210-4 Boston003 010 10-5 Second game: Cleveland000 00 100-2 Boston221 100 00-6

Morgridge disposed of the opposition handily in the first game, 7 to 0, and Markle was effective in the second, winning by 5 to 1. Five St. Louis pitchers failed to check the Yankees in the first game. They were given poor support. In the second game, New York knocked Chester Hofr, a St. Louis recruit, out of the box in four innings.

Washington, Sept. 23.—Chicago today won its last game in Washington this season, 2 to 1. Harper gave six bases on balls and forced in a run before he was relieved by Boehling. An out was followed by Vitz Schalk and two errors gave the visitors their second count in the sixth. Scott allowed but four hits and Washington's only run resulted from consecutive misplays by Fournier, Schalk and J. Collins. Chicago010 001 000-2 Washington010 000 000-1

TIGERS WIN AGAIN, BUT FAIL TO AIN.

Philadelphia, Sept. 23.—Detroit defeated Philadelphia today 6 to 5 and made a clean sweep of the series of three games. The home team staged a batting rally at Loudermilk's expense in the eighth and took a lead of one run. In the ninth Knowlton took Sheehan's place. Kavanaugh led off with a triple and McKee walked. An out was followed by Vitz Schalk, filling the bases. Cobb fanned, but Veach scored the run which won the game with a single to left field.

WANT ALEXANDER TO PITCH THE OPENER.

Chicago, Sept. 23.—Every mail is bringing Pat Moran, manager of the Philadelphia Nationals, scores of letters urging him to pitch Grover Alexander, the big righthander, in the

first game of the world's series, in which the writers are convinced the Philadelphia club will be one of the contending teams.

Orval Overall, who is in business in Los Angeles, wrote Moran, his old battery mate, a letter of congratulations and urged him to pitch Alexander in the opening game of these series. Another letter from Pittsburg, Mass., Moran's home, contained the following appeal: "Pat, please pitch Aleck in the first game against Boston."

THEATERS

AT THE ORPHEUM.

With the first presentation of a complete Pantages vaudeville circuit program still a week distant, Manager Joseph Goff of the Orpheum has gathered together four high class acts and three others that have enough good points to "get by" for the entertainment of his patrons this week. The acts were tried out yesterday afternoon and evening before large audiences and each was well received.

A dancing act presented by the La Picairens, a family of three, the third member being a little girl who has not yet reached her sixth birthday, receives the warmest approval. The man and wife prove as graceful a pair of exponents of the terpsichorean art in nearly all of its intricacies as has ever appeared in Ogdan and yesterday's audiences were not a bit backward in expressing their appreciation of the fact. In addition to Russian, Spanish and other European dances, the couple present, by a wide margin, the prettiest and most interesting conception of the modern "heavenly" waltz that has yet been presented on a local stage. The baby member of the family wins enthusiastic applause with some toe dancing that is remarkably good for a child of her age.

Another act of real culture is that

presented by "Winsome Peggy," late of the "Isle of Spice" company. The first part of the name fits her personality admirably and in addition to the personality she had a charming stage presence, being a brunette well favored by nature. She also has a good voice, plays the piano and wins several encore calls with "catchy" songs of this age and others, each rendered with an appropriate change of costume.

The "Great Barnum" hypnotist, gives an entertainment with a large class of "patients" that goes to prove that hypnotism is as interesting as ever to an American audience. Barnum is a past master of the profession and his performance, both in its scientific and comedy features keeps the audience almost continuously laughing and applauding.

A remarkable foot juggling and top spinning act is presented by the Edgertus, a Japanese and his wife. It is called "The Act Beautiful" and is worthy of a prominent place on any vaudeville program.

The Russells, who, with the Japanese act, are substituted for the Equestrian act booked this week, but which failed to make connections, prove to be a clever duo and present some live songs and comedy.

Richard Hamlin's dancing is enough for any one man to attempt being expertly executed and well received, but his patter is trying. He laughs very easily with himself, in fact nearly all the time he is talking and one aged gentleman in his audience last night was heard to remark that he "nearly kicked the foot out of his cradle" the first time he heard several of "Hamlin's" jokes. Sam Hind and Clarence Wertz win a good share of the laughs indulged in by the audience, being
