**REPUBLICAN LEGISLATIVE AND COUNTY CONVENTIONS**

Conventions of the Republican Party of Weber County, Utah, are hereby called as follows:

**Conventions.**  
 On Saturday, September 9, 1916, at 11 o'clock A. M., at the County Court House, Judge Howell's Court Room, in Ogden City, Utah, for the purpose of nominating candidates for the following county offices, to-wit:  
 One State Senator.  
 Four Representatives from Weber County to the State Legislature.  
 On Saturday, September 16, 1916, at 11 o'clock A. M., at the County Court House, Judge Howell's Court Room, at Ogden City, Utah, for the purpose of nominating candidates for the following county offices, to-wit:  
 A County Commissioner for a term of four years;  
 A County Commissioner for a term of two years;  
 County Clerk and Auditor; County Attorney; County Treasurer; Sheriff; County Recorder; County Assessor; County Surveyor.  
 To select a new County Central Committee, composed of one member from each election district, to serve for the ensuing two years.  
 And also, as far as the delegates to said Convention from Ogden City are concerned, to nominate a candidate for the office of Constable for Ogden City precinct.

**PRIMARIES.**  
 The delegates to said Convention and the members of said County Committee, from those Election Districts OUTSIDE of Ogden City, will be elected at mass primaries to be held as follows: Tuesday, September 5, 1916, at 8 o'clock P. M., for said Legislative Convention, and Tuesday, September 12, 1916, at 8 o'clock P. M., for election of members of the County Committee and for election of delegates to said County Convention.  
 The delegates to said Conventions,

from those Election Districts WITHIN Ogden City, will be elected as follows:  
 For said Legislative Convention on Tuesday, September 5, 1916;  
 For said County Convention on Tuesday, September 12, 1916.  
 The primaries in such Ogden City Election Districts will be conducted in accordance with the following rules:  
 The Committee of the Election District will call the primary to order at 8 P. M., whereupon a Chairman and a Secretary will be selected by those present. The call, so far as it pertains to the Election District, will be read. At the County Convention Primary, September 12th, a member from said District upon the Weber County Republican Central Committee will be elected. The polls will be open at each primary from 8:15 P. M. until 9 P. M., for the casting of ballots for the election of delegates from said Election District to the approaching Convention. Every Republican elector residing within the election District shall be deemed to have been nominated for delegate. Every Republican elector residing within the District or any elector who resides within the District and will indicate to the judges of the primary that he or she intends to vote the Republican ticket at the approaching Convention are eligible to vote at said primary. Three judges of election will be appointed jointly by the Committee of the district and the secretary of the County Central Committee which judges will act at both of said primaries during the time the polls are open. The ballots may be written or printed and any ballot containing more names than the number of delegates allotted to the district will be rejected by the judges. Each ballot before it is presented to the judges must be enclosed by the voter in a plain envelope to be supplied by the judges. One of the judges will take the name and residence of each voter presenting a ballot and keep a permanent record thereof in a book to be provided therefor.

At 9 P. M. the balloting will cease, except that those present in the room where the primary is being held, and who, if any, have not had an opportunity to vote, will be permitted to vote, whereupon the balloting will be closed and the judges will forthwith, at the place where the primary is held, count the votes and declare the result. The person receiving the highest number of votes, to the number of delegates allotted to the District, shall be declared the delegates to the approaching Convention from said District. In case of a tie vote, each candidate so tied shall be declared elected and shall be entitled to the proper fractional vote as such delegate. The Chairman and the Secretary of the primary will thereupon issue, in duplicate, credentials for the person elected as a member of the Central Committee and also for those elected as delegates to said Conventions, one of said credentials to be delivered to the person elected as committee man and the other to one of the delegates so elected to said Conventions respectively. The judges will forthwith deliver the list of the names and residence of the voters, the ballots and ballot box, and the duplicate credentials to the County Central Committee at Room 518, David Eccles Bldg.

**APPORTIONMENT.**  
 The apportionment of delegates to each of the above Conventions from the several election districts of Weber County is upon the basis of one delegate for each 25 votes cast for Honorable Joseph Howell for Congress at the general election of 1914. On this apportionment the Convention will consist of 210 delegates, apportioned as follows:

**NEW HOWITZER FOR U. S. ARMY**  
**Gun More Powerful and Effective Than Larger Ones in Europe.**

Washington, Aug. 28.—Designs for a 9.5-inch howitzer have been virtually completed and army officers believe the gun a more powerful and better weapon in every way than the 11-inch and 12-inch guns of similar type now in use abroad. It will have a range of nearly ten miles. The weapon is taken from its carriage for transportation and can be taken down, drawn over virtually any roads or even hard open ground and set up again in a very short time.  
 It is planned to create two new heavy artillery regiments next year each to be equipped with twelve of the guns and eventually to have an army corps of two divisions supported by a regiment of 9.5-inch howitzers.

**JOHN D. SHOOP SERIOUSLY HURT**

Danville, Ill., Aug. 28.—John D. Shoop, superintendent of Chicago schools, who was injured in an automobile accident last night near Christian, Ill., is in a hospital here today with eight broken ribs, a crushed chest and a broken collar bone. He rested easily, but was still unconscious. McFarr Davis, editor of the Danville News, suffered a fractured skull and may die. F. J. Hagen of Paris, was internally injured and had his right shoulder broken, but will recover. Two other men in the automobile were slightly injured.

**ARTILLERY DUELS IN MACEDONIA**

London, Aug. 28, 11:45 a. m.—Artillery fighting is in progress along the Macedonian front, but no infantry actions of importance are under way, so far as is indicated by today's official account of the operations on this front.

The announcement follows: "On the Dolran front our artillery silenced the enemy's guns which were bombarding our positions.  
 "On the Struma front the Bulgarians shelled Meki, and we dispersed an enemy working party northeast of Komarjan."

**PREPARING TO NOTIFY WILSON**

**National Democratic Leaders Gather in Washington—Campaign to Be Launched.**

Washington, Aug. 28.—National Democratic leaders began to arrive here today in readiness for conferences which will precede the Wilson notification ceremony at Long Branch next Saturday. The gathering of members of the national committee for the first time since the St. Louis convention will enable Chairman McCormick to canvass the political situation in all parts of the country and prepare campaign plans to be launched as soon as the president has made his speech of formal acceptance.  
 The notification committee, of which Senator James of Kentucky is chairman, will have headquarters this week at a local hotel, while the members of the national committee and the two campaign committees will meet at campaign headquarters.  
 The grounds at the president's summer home, Shadowlawn, will accommodate nearly 20,000 persons and to bring as many as possible within the reach of the candidate's voice, a sounding board has been put up over the platform in front of the veranda of the house where the president will make his speech.

**GLENWOOD PARK HAS BEEN PURCHASED BY THE CITY**

Glenwood Park has been traded to the City of Ogden for three tracts of land, located in different sections of Ogden and now belonging to the city. The park, which has suffered the yearly humiliation of mismanagement and consequent close-down, will be utilized for the purpose that nature has so abundantly prepared it. A wholesale cleaning, leveling, building of new contraptions for fun, planting of grass and a general beautifying of the park will be supervised by the commissioners and carried out to a point, which, when finished, will be made a veritable wonderland for the complete enjoyment of pleasure lovers, especially women and children, who have been denied their dues at the majority of our resorts in the past by the ever-present drunk's obscene language and sickening actions.

The exchange was consummated by Mayor Heywood and John Watson, vice-president of the First National bank, the latter institution owning Glenwood park. The sections of land traded are: The property on which is located Fire Station No. 2, on 23rd

street just above Monroe avenue; the City hospital property on 28th street just above Jefferson, containing about two acres, and the 40-acre tract out near the Country club which was formerly used for the isolation hospital.  
 The acquisition of the tract is in line with the plans outlined by the commission when the piece of land known as Jones' grove was purchased by the city officials about two weeks ago. The city by the latest possession is now owner of a continuous tract, with but one interruption, fronting on the Canyon road, with a half-mile frontage on the river and reaching to Washington avenue on the river frontage. It extends through to the bluffs and in the construction of the park will be connected with the Glenwood and contiguous tracts by a grade and bridges. The only break in this is a small tract lying between the Glenwood and the riverbank park and Glenwood as shown on the map. That tract belongs to Commissioner M. L. Jones and an agreement has been reached under which it will be sold to the city at a bargain.  
 The entire area lately acquired in this vicinity for park purposes has been secured at a bargain. The Glenwood tract easily is worth much more than the parcels of land given in exchange for it. Outside of the value of the property itself there are more than \$15,000 in improvements upon it.

**Beautiful Amusement Park.**

The plan the commissioners have in mind is to make a large and beautiful amusement park and the design are unique in every detail. Particular attention will be paid to equipping the park for the special recreation and entertainment of women and children and if carried out the completed amusement place will be the largest and most beautiful of the type in the intermountain region.  
 The park will have three entrances, one on Washington avenue near the river and two on Canyon road, although other entrances will probably be provided on the bluff when that portion of the property is improved for park purposes. Immediate work to put the immense tract into shape for a park will be commenced.

The Glenwood tract includes a ball park with grandstand and is fenced with a high board fence. This tract as is the case with the lately purchased Jones grove, is covered with a magnificent grove of trees except at the point where the ball park is and where the saucer track for bicycle racing was constructed. This latter excavation will be filled with water and utilized as a miniature artificial lake upon which boating can be enjoyed and which will also be devoted to bathing purposes, solving the problem of a municipal bathing pool.

In the park now are a number of buildings which will be used as a rest room for the women and a playground for the children, the plan being to place the house of sand and swings and other means of recreation and amusement for the children. Over on the south side of the park, near the river, is a bear pit and a score of animal cages which again may be utilized for the keeping of animals for the entertainment of the children.

This park, when completed, will be beautiful and unique, offering every form of recreation and entertainment for citizens, especially the children, and it will be a monument to the thoughtfulness and public spirit of the present city commission.

**DRIVING PAST A CAR CAUSES ARREST OF A MAN**

Charlie Howard, a colored driver of a service automobile for a local firm, was arrested Saturday night by Patrolman W. W. Richardson and Detective Peter Naylin, on a charge of driving an automobile past a street car while passengers were being discharged. He was released on payment of \$25 bail.  
 According to the officers, Howard crossed the Washington avenue intersection, past the street car, at a high rate of speed and narrowly missed striking several persons who were proceeding to board the car.

**NEW TEACHERS AT STATE SCHOOL**

The Utah State School for the Deaf and Blind will open on September 5, for the 1916-17 term. In the enrollment of students, according to an announcement made yesterday, there will be ten more blind children than in former years.  
 Four new faces will be seen in the faculty group, replacing Lucia MacDonald, who goes to an Indianapolis institution; Betty Larson, who goes to Winnipeg, Canada, and the Misses Beverly Riley and Eleanor Schipp, who are married. The "new" teachers are Miss Avin Shields of Salt Lake City, a graduate of the University of Utah; Miss Effie Webster, Sherman, Texas, a graduate of the St. Louis training school; Miss Carlone Tary of Cedar City, Utah, and Miss Lila Stanley of Park City, graduates of the University of Utah.

**EXPERT TESTIMONY.**

Young Mrs. Cornell was a bride but a short time. One afternoon she confided to her friends at a pink tea that she was sure her husband never played poker at his club.  
 "How," queried one of the women, "did you find out?"  
 "Oh," explained the young bride, "I met a couple of the members of his club the other day and I asked them: 'Can Perry play poker?' They looked thoughtful for a moment and then answered very sincerely: 'No!'"

**MANY FINES IMPOSED BY JUDGE OF THE CITY COURT**

The already large crowd of laborers working for the city without pay other than board and lodging was augmented to a considerable extent, as a result of the police court proceedings this morning. Eleven drunks, James Cole, H. C. Sweet, Phillip Brady, James Alred, George Myers, Claude Jones, Thos. Carroll, Gus Ohlen, John Hooker, Tom Clark, Wm. Campbell, were each sentenced by Judge G. S. Barker to serve five days in jail.  
 George Leahy and James Scott, booked for drunkenness, each forfeited \$5 bail.  
 Upholding the standard of fines for speeding in automobiles, set several weeks ago, Judge Barker fined Geo. A. Heiner \$25 for this offense. Heiner was arrested Saturday night by Motorcycle Patrolman George Covey, on Washington avenue between Twenty-seventh and Twenty-eighth streets. He was driving his car, the officer claimed, at the rate of 35 miles an hour along the thoroughfare.

Billions and billions of tons of fish of prehistoric age which the cave men could not catch and which were later caught in shallows by volcanic action, according to scientists, furnish the petroleum from which gasoline is made. Oil men, who were in no sense geologists, were the first to advance the idea that petroleum-gasoline was the product of decayed fish. Scientists declare that to the oil from the body of the fishes, much vegetable oil was added.

In general, women are replacing men throughout Germany in all branches of trade, the professions and as clerks, cashiers, saleswomen, streetcar conductors, elevator operators, artisans, farming, light street cleaning and other unskilled pursuits.
