UTES LOSE TO SEALS 5 TO 4

San Francisco, Aug. 30.—It was wild and woolly—the pitching of the opening with the Salt Lakers on election day, but to the credit of the champs they stuck it out and by dint of constant efforts made the welkin ring with a 5 to 4 victory that wasn't conceded until the last of Blankenship's men had been retired.

And our thanks go out to Messrs. Dickie Bayless and Gislason, right fielder and second sacker, who in negative fashion, helped most mightily when the locals needed tallies. Coming right up to the last of the eighth, the San Franciscans discovered themselves shy two runs to tie and three more if they were going to win.

Hoff of Little Rock, Ark., the boy pitcher for the Utes who has been going in nice worm, developed a streak of wildness. He walked Downs while Coffey grounded out to third. Jones smashed to center for one score and reached second on a boot by Quinlan.

When Autrey was passed there came a call for assistance and Piercy was rushed to the rescue.

VERNON WALLOPS OAKLAND 3 TO 0

Los Angeles, Aug. 30.—Vernon succeeded in trouncing the Oaks today in the first game of the series by the 3 to 0 score. Although the rejuvenated Oaklets played good ball most of the time, it took the Tigers just one inning to win the game. That chance came in the second frame when they put over their three runs. After that canto "Speed" Martin and Beer heaved good ball.

"Speed" Martin started the game for the cellar champs and went along in grand style until he struck a snag in the second inning. After the Tigers had slipped over their runs, Martin settled down again and allowed only two hits for the last five innings that he worked. In the eighth he was relieved by Beer, who chalked up another goose egg against the Vernonites.

Frank Decanniere was on duty for first class order. Although he allowed one hit more than the Oakland heavies, he held his opponents down with ease. In two innings, the third and fourth, he was touched for two hits, but on neither occasion did an Oakland player pass second base.

In the second, after one was down, Daley opened on Martin by singling to center. Mattick reached first on an error by Middleton. McGaffigan singled to center, scoring Daley and putting Mattick on third. Whaling

finished up the proceedings by sending a scorching triple to left and emptying the bases.

BEAVERS WIN IN ONE-SIDED GAME

Portland, Ore., Aug. 30.—Reinforced by a new third sacker, Schultz of Pittsburgh, Los Angeles received a severe licking at the hands of Portland today in the opening game of the ten-game series. Standridge and Scoggins made a poor pair to sick on to the Beavers. Standridge walked seven men, hit another and allowed a flock of hits in less than six innings, and Scoggins was not much of an improvement. The Mackmen scored over half of their total off the south-paw, and save for a couple of circus catches by Rube Ellis in left, two or three more tallies would have trickled over.

Chuck Ward at short for Portland was the other fielding star of the day. Kelly pitched for Portland and the Angels dented him for but one run up to the ninth. In the seventh they opened up on Scoggins for four runs. With the bases full, Wille led to center, scoring Ward and Kelly. Southworth singled, scoring Evans. Wille then scored when Boles made a wild throw to first. In the fifth inning three tallies were made when Rodgers doubled, scoring Wille, and Howard scored when Wolter threw wild to second. William then singled to right, scoring Rodgers.

WELSH-WHITE BOUT WILL BE STAGED

Colorado Springs, Colo., Aug. 29.—"No matter what comes of the railway situation, the Welsh-White lightweight championship battle will be fought on Monday afternoon, September 4, as originally scheduled."

This statement was made today by Edward Pitts, who is managing the contest, after a number of conferences with the managers of the rival boxers. This statement brought out the fact never in the history of big fights in this country who so many automobiles pour into this city as are expected from all points within a radius of 200 miles. Denver, Pueblo and Cheyenne are the largest centers, while scores of towns with populations of 3000 to 10,000 persons will swell the quota. The sporting fraternity anticipated any trouble by organizing automobile parties. They had paid

BURT SHOTTEN DOES LOTS OF LEADING FOR BROWNS IN DRIVE TOWARD TOP

Burt Shotten is leading the Browns in their remarkable drive toward the league's top and he's leading in more ways than one. He leads the team in fielding averages and now that George Sisler is out for a while he will probably lead in hitting. Burt is also known to be able to lead most any player in the world—not excepting the divine Ty—at getting down to first. Shotten is a worthy leader.
