SERVICES ARE HELD IN TABERNACLE SUNDAY

At the Tabernacle yesterday afternoon, a fine program of vocal and instrumental music was presented by the Tabernacle choir and soloists, under the direction of Prof. Joseph Ballantyne, and the purpose of music in religious worship was discussed by T. Earl Pardoe. The occasion marked the resumption of the regular Sunday afternoon services at the Tabernacle for the winter months and the program given was noticeably appreciated by the large congregation assembled.

It was conducted by Elder Frank Williams of the Tabernacle service committee, as follows:
 Organ prelude..... Sam F. Whitaker
 Chorus, "Don't You Mind the Sorrows"..... Tabernacle choir
 Solo, "Abide with Me".....
 Annie Williamson
 Instrumental quartet, "Eleanor" (Jessie L. Deppen), Ralph Swenson, violin; Axel Nylander, flute; Leith Pearson, cello; Sam F. Whitaker, organ.

Address..... T. Earl Pardoe
 Solo, "The Lord Is My Strength"..... William S. Wright
 Male quartet, "A Perfect Day," Douglas Brian, Jed Ballantyne, Leo Madison and Walter Stephens.
 Instrumental quartet, "Water Lilies"..... (St. Clair)
 Solo, "The Holy City," Mildred Ware
 Male quartet, "The Close of Day," Duet, "Song of the Wanderer," Annie Williamson and Douglas Brian
 Solo, "Within Thy Sacred Dwelling"..... Leslie Saville
 Solo and chorus, "See Now the Altar"..... Walter Stephens and choir
 In his address, Elder Pardoe said that the power of music was in its appeal to the emotions, the source of man's greatest development; that its proper appreciation meant the enlargement of the aesthetic vision of the listener and the resultant increasing of his desire and power to serve his fellowmen.
 The invocation was offered by Elder Evert Neuteboom and the benediction was pronounced by Elder T. Samuel Browning. Following the service, the choir held a half-hour rehearsal, singing the choruses to be presented next Thursday at the recital with Lucy Gates.

F. E. SCOTT WILL BE NEW S. P. AGENT

Willard G. Wilson, commercial agent and George A. Bush, city ticket agent of the Southern Pacific railroad, went to Salt Lake City yesterday, where they joined the other members of the Southern Pacific traffic department in this district, in welcoming F. E. Scott to his new headquarters. Mr. Scott is the new district freight and passenger agent, having been appointed to succeed C. L. McFaul, who has been promoted to the position of general agent of the same company at Fresno, Cal.

The retiring district agent, Mr. McFaul, who has a host of friends in Ogden commercial and railroad circles as in other parts of the district, will depart for his new headquarters some time this week. He was assigned to the headquarters at Salt Lake City in 1913, and has since that time been one of the prominent "boosters" of the intermountain country. He is president of the Salt Lake Passenger association and one of the vice-presidents of the Salt Lake Transportation club, in addition to being a member of other civic and social organizations.

Mr. Scott comes to Utah from the general offices at San Francisco, where he was right-hand man to G. W. Luce, general freight agent of the Southern Pacific, and, according to Messrs. Wilson and Bush of the local office, possesses the qualities that have figured in the making of his predecessor's success in this territory. It is expected that Mr. Scott will pay a visit to Ogden later in the week.

KELVINIA SUNK BY A TORPEDO

One of Americans on British Ship Says Vessel Was Torpedoed Without Warning.

New York, Sept. 18.—A torpedo sank the British ship Kelvinia carrying 28 Americans, according to G. W. Dillard of Richmond, Va., one of the Americans who arrived here today on the Cunard liner Tuscania.

Dispatches from England left in doubt the question whether the Kelvinia, bound from Newport News, Va., to Glasgow, was torpedoed or sunk by a mine on September 2.

Agents of the department of state met the Tuscania upon her arrival here and took the depositions of the Americans.

According to Dillard, the Kelvinia was torpedoed at 2 o'clock in the morning without any warning having been given. The vessel listed immediately and as there were not enough boats for both the crew and the Americans, who were engaged as hostlers for the cargo of horses, many of the Americans put on lifebelts and jumped overboard. They were rescued by a trawler after floating about for 14 hours. Dillard said that at the time the Kelvinia met with the mishap he saw nearby a small light which later seemed to disappear under the waves. This, he declared, confirmed his belief that there had been a submarine attack.

The dispatch also reports that French troops on the allied left wing have captured the station at Florina. Heavy fighting continues.
