Fullback Oliphant.

Oliphant, West Point's star kicker, is shooting the ball away this season in his best form and the Army boys are sure he'll be the mainstay of a strong team. Oliphant's toe is one of the Army's greatest strengths and also one of the best reasons why the soldier boys think they'll beat the Navy when the big game takes place. Oliphant is the type of player that is a favorite with the football fan. He can always be depended on to do something spectacular. If he fails to boot a field goal he will tear off a zigzag run down the field with several timid tacklers hanging on at different points. His plunges into the opposition's line never fail to startle and excite. In the game against Holy Cross he scored eleven of the Army's seventeen points. His 35-yard runs were enjoyed by all the Army supporters. Olly is unquestionably one of the niftiest pigskin performers on any gridiron.

TENER WANTS RULE ENFORCED

National League President
Says Fining Players Should
Be Carried Out.

New York, Oct. 24.—President Tener of the National league takes issue with David L. Fultz, president of the Players' Fraternity, who has protested against the contemplated action of the National commission in fining ball players for barnstorming after the league season is over. Mr. Tener said that in each contract signed by the player there is a clause in which the player agrees not to play after the season without consent of the commission. This clause was inserted, he said, to protect territorial rights of the different clubs. The National league president declared that the commission has power to fine players for any such infraction of the rules, but would say that such fines have been levied against the Boston American players for participating in a game against New Haven a few days after winning the world's series. He asserted that the New York Nationals and Philadelphia Americans and several other individual players also had violated their contracts in this respect and added "there undoubtedly will be a general disciplining."

AMERICANS TAKE THREE EVENTS

In the broad jump Bob Simpson and Fred Murray of the American team captured first and second places respectively. The visitors also won the 800-metre relay race. In the 1000-metre run Ted Meredith was again defeated by the Swedish champion J. Bolin, while in the shot put Murray was beaten by the Norwegian, Hellum. Summaries: 60-metre run (65 yards 10 inches)—Loomis, America; first; Rustad, Norwegian, second; Simpson, America, third. OAKS LOSE TO SALT LAKE UTES

Bunny Brief Is Hero at Bat—
Utes Come Out Ahead
With Score 6 to 2.

Salt Lake, Oct. 25.—The Oaks who last week were a thorn in the side of the redoubtable Mr. Hamilton Patterson, boss of the Tigers, didn't play the ball yesterday which gave them six games out of seven in the series with Vernon. Consequently the opening joust of the final week of the Pacific Coast league season will pass into history as a victory for Salt Lake. The score was 6 to 2. When it waxed time for activities to begin, Bill Bernhard picked Bill Piercey to do the hurling, while Del Howard thought there was much wisdom in the choice of Beer, which there is on a hot day, but yesterday's October air was very brisk. As somebody had to select the quince, Skipper Howard was the goat, for while Mr. Beer was very stinky in the number of hits, Howard didn't reckon on two costly errors in the fifth inning which brought in a brace of tallies for the Utes, nor upon the performance of one Mr. Bunny Brief in the first inning. The doings of Mr. Brief shall be commented on right here. In the first frame, after two had been disposed of, he stepped up to the plate as he generally does when it comes his turn to bat. His coming wasn't heralded by very much fuss, but when he crossed the plate after making a circuit run a minute later the fans had warmed up about forty degrees and their squawks were pitched in high C. The truth of the matter is this, that after allowing the count to go three and two, Mr. Brief poked his twenty-eighth home run. It was the longest swat which Brief has made since the third blue moon before last. The ball sailed over the

left centerfield wall and very nearly topped the tall poplar trees on the outside. This swat shows what young Mr. Brief is trying to do. He is steaming up to break the home run record made last year by Bodie. There are just three circuit clouts between him and breaking the record of the Cow Hollow hero. Until the end of the fifth inning it looked as though Brief's homer would be the only tally made, but there was a blow-up just then in the Oaktown infield which, coupled with two hits from the delivery of Beer, netted the Utes three counters. Two more runs were scored by the Utes in the seventh, both of them unearned. Bill Piercey pitched shutout ball until he muffed up a bunt in the seventh inning. In the first six cantos Piercey did not allow his generosity to exceed two bingles, which had proved useless to the Oaks. His muff and a single in the seventh killed shut-out hopes and some loose work in the ninth when everybody shut his eyes and let Kenworthy steal bases right and left brought in another Oak tally. Del Howard made a couple of shifts in his line-up yesterday. Kopecs Kenworthy was sent to guard the third bag, while "Speed" Martin, pitcher, chased flies in the center field garden. Murphy played second base. Score by innings—Oakland: Runs000 000 101-2 Hits010 001 101-4 Salt Lake: Runs100 030 20x-6 Hits111 020 10x-6

CHAMPS GIVEN SEVERE BEATING

Ham Patterson's Tigers Celebrate Home-coming by Winning From Angels 11 to 5.

Los Angeles, Oct. 24.—Just to let the championship Los Angeles aggregation know that they were not unbeatable Patterson's Tigers celebrated their return home for the season by slammimg Ote Crandall all over the lot, marking up seventeen base hits and eleven tallies. Art Fromme also found himself in hot water more than once and was only saved from a licking by his teammates pounding out base hits galore behind him. The final score read 11 to 5, with the champs on the short end. Callahan, who has been used as a utility man, went into the fray to take the place of Swede Risberg, who was injured while pitching at Oakland last week. Five times Callahan traveled to the plate and five times he

pounded out hits, one of them being a screaming double. Vernon started out by pounding Ote all over the lot in the opener and kept up the procession of runs throughout the contest. Two in the opener and two more in the second frame were just enough to show the Angels what was to come later. Crandall pulled himself together in the third and got by without allowing a hit. After that a procession of singles, doubles and hits of all other descriptions scored three in the fifth, three in the sixth and the final tally in the seventh. The Angels awoke for the first time in the fourth and played ball long enough to ring the bell three times. Two more in the eighth was the total of the Angel rally. Score by innings—Los Angeles: Runs000 300 020-5 Hits100 312 031-11 Vernon: Runs220 033 10x-11 Hits430 034 30x-17

SEALS WALLOP BEAVERS 7 TO 1

Superior Clubbing Ability Wins Game for San Francisco—Houck Takes Lacing.

San Francisco, Oct. 24.—Now that the fight in the Coast league for top honors is all over, it is only fair to relate the tale of today's doings between the Beavers and the Seals. The lads from the north and Seals of the south are fighting for a berth in the first division, that being about all there is left to fight for. And, by way

of establishing a claim for said honors, the Seals today handed the Beavers a lovely licking, the score being something like 7 to 1. It was no phoney victory, either, for the Seals earned each and every tally by dint of superior clubbing ability. Elmer Houck was the lad who took a lacing at the hands of the Seals. Rudio Kallio mounted the mound for the Seals, but in the fourth he was submarined and Curley Brown was picked as the rescuing party. In the meantime, the Seals had gathered three tallies off Elmer and Elmer yielded four more near the close of the fray, when his soup-bone began to crack. The one bright piece of humor came in the sixth frame when Bill Rodgers stole second in grand form. It was great stuff except for the fact that Mr. Williams already populated the middle sack. This brilliant maneuver forced Mr. Williams on to third and an elongated double play resulted. Score by innings—Portland: Runs000 100 000-1 Hits100 311 100-7 San Francisco: Runs030 001 12x-7 Hits050 001 33x-17

GIANTS AND TIGERS PLAN NEW KIND OF EXHIBITION TOUR

New York, Oct. 24.—Something new in exhibition tours was announced today by the management of the New York National league Baseball club. After the close of their spring season in the south the New York and Detroit clubs will travel through several northern cities for a week or more, playing a game each day. The tour will start at Dallas, Tex., about April 1 and end at Kansas City, Man. Manager McGraw said he regarded such a tour as better practice than playing minor league teams in the south. A new union of chain makers has been formed at Trenton, N. J. Union barbers at Montreal, Canada, have been granted an eighth-day day.

M'CORMICK AGAIN SUED BY O'LEARY

New York, Oct. 24.—Vance C. McCormick, chairman of the Democratic national committee, was served late today with a summons and complaint in a second suit for libel brought against him by Jeremiah A. O'Leary, one of the heads of the American Independence conference. The action, which is for \$100,000, is based on a statement Mr. McCormick is said to have given to the newspapers on Monday. This statement, it was asserted, was in connection with charges by the Democratic national committee that a secret agreement was made between O'Leary and his associates and Charles E. Hughes, Republican presidential nominee, by which Mr. Hughes made speeches to conform to "demands" of the American Independence conference. O'Leary's first suit against the chairman of the Democratic national committee was based on a statement Mr. McCormick was said to have made concerning O'Leary after the latter had sent a telegram to President Wilson criticizing his administration. The president replied, in substance, to O'Leary that he would "feel deeply mortified" if O'Leary, or "anybody like you," voted for him. The Democratic national committee issued its "third installment" of charges involving Mr. Hughes and the American Independence conference. What purported to be "confidential committee reports" were made public and were declared to "reveal in detail the secret purposes, plans and scope of the racial, political organization promoted by Jeremiah A. O'Leary and his associate propagandists." Chairman McCormick and former Governor Martin H. Glynn denied tonight a statement issued from Repub-

lican national headquarters quoting a telegram from Will R. McDonald of Chicago, in which he charged that Mr. Glynn had conferred on a train with O'Leary just before President Wilson's speech of acceptance. The McDonald telegram said Mr. Glynn had asked O'Leary to use his influence to induce the American independence conference not to throw its support to Mr. Hughes until after the subject had been discussed by Mr. Glynn with President Wilson. Mr. Glynn, declared he met O'Leary on the train and talked with him "about politics, the weather and many other things" in the public smoking compartment of their car, but added that he never at any time mentioned the conversation to President Wilson. Mr. McCormick asserted he never saw or heard of O'Leary until after O'Leary's telegram to President Wilson. TO END CONVENTION AT NEWHOUSE HOTEL The three-day convention incidental to the formation of the Salt Lake chapter of the Fraternal Society for the Deaf will be brought to a close at the Newhouse hotel tonight with a reception to be given by the sixteen charter members of the organization to their friends in the city. Yesterday the members visited Salt Lake and near-by smelters, and last night installed the officers of the new local at a ceremony held in the parlor of the Newhouse hotel. Today they will visit the state institution for the deaf and blind at Ogden, will have a trout luncheon at the Hermitage inn, in Ogden canyon, and return in time for tonight's reception. South Vancouver, B. C., sewer work men were granted an increase from \$2.50 to \$3. Many Irish workers are leaving Ireland to work in British munitions plants. Read the Classified Ads.
