

EXTRA SESSION OF THE LEGISLATURE OF UTAH

SALT LAKE, June 10.—The Tribune says: That a special one-day session of the Utah legislature will be called in the early part of July to consider ratification of the national prohibition amendment and the matter of giving suffrage to soldiers in the field has been practically assured by letters which have been received from legislators throughout the state favoring such action.

The letters came in reply to communications sent out by Representative Richard W. Young, Jr., father of the bone-dry bill, and Senator Culbert L. Olson to members of the legislature, asking them how they felt as to the matter of calling a special session and whether they would forego their regular per diem and also pay their own expenses. Favorable replies were received from practically every member of the house and the senate.

The matter was first taken up with Governor Bamberger, who expressed himself as favoring an extra session, provided it could be held without additional cost to the state. Representative Young was asked to get in touch with the members of the house to get their expression of attitude on the matter, and Senator Olson was requested to do the same thing with the senators.

It has been explained that the particular reason for calling a special session at this time is that it would give an opportunity for the same legislature which passed the prohibition legislation at its last session to consider the national amendment in a light favorable to its ratification. If ratification of the national amendment were deferred until the next legislature meets, chances for its successful adoption might not be as great, it is claimed, inasmuch as the complexion of the legislature may be changed.

One of the objects, it is said, in calling the extra session is to prevent the liquor interests from launching a campaign at the fall elections, in an effort to elect men who would decline to ratify the nation-wide prohibition amendment to the constitution of the United States.

Rumors have been current for many weeks to the effect that a special session might be called by the governor for the purpose of securing legislation deemed necessary or advisable at this time.

One matter specifically mentioned in the letters to the legislators is that of making it possible for soldiers in the field, either in the training camps or overseas, to vote at the time of the fall elections.

ENLARGING OF DEE HOSPITAL

An addition which will provide thirty more rooms to the Dee Memorial hospital will be constructed on the south end of the institution building this summer, according to an announcement made by the board of directors Saturday night. The plans for the construction of the new addition have been drawn by Architect Leslie S. Hodgson, and the proposed improvement will cost about \$50,000.

BELFAST STEAMSHIP ATTACKED BY U-BOAT

LONDON, June 9.—A Belfast steamship, torpedoed by a German submarine while bound from England, has reached an Irish port, badly damaged. Three of the crew were killed by the explosion of the torpedo.

No fewer than four torpedoes were discharged by the submarine. The vessel was maneuvered so adroitly, however, that three of them missed their mark. The attack was made at night.

CAPT. J. RAY WARD NOW REGIMENTAL ADJUTANT

BALBOA, Cal., June 9.—Amid cheers and farewells from thousands of persons who lined the streets at 7 o'clock this morning the Utah artillerymen marched from Santa Ana.

Although the hour was early when the troops filed along the streets, bound southward, the streets were filled with the residents to say farewell to the Utah boys and wish them a pleasant trip back to camp.

The Utah regiments now belongs to the Santa Ana people, so well were they pleased with Utah's soldiers that they adopted the entire command last night and announced their choice as a huge mass meeting which was held near the camp where more than 5000 persons gathered. They also presented Colonel William C. Webb with a beautiful silver loving cup, engraved with words that came hot from the heart. They read: "From Citizens of Santa Ana to Colonel William C. Webb, 145th Field Artillery, June 8. Officers and Men: You Came to Us Strangers, You Won Our Hearts, You Leave Us Our Adopted Sons."

At 7 o'clock they marched south from Santa Ana at a pace that brought them in their camping grounds here at an hour before noon and made possible a warm meal instead of the regular midday sandwiches. Forty short minutes saw the camps completely established and the men were dismissed to enjoy themselves in town and on the beaches. Tonight a band concert and dance will feature the activities in town.

In view of the short march of seven miles tomorrow at Laguna, the men will be allowed to remain away from camp until 11 o'clock tonight.

With the promotion of Captain Curtis Y. Clawson to major, Captain J. Ray Ward, former commander of B battery, from Ogden and who has been acting as regimental adjutant during the hike, will now fill the adjutant position permanently. He succeeds Captain Clawson.

COL GREEN BUYS \$1000 THIMBLE

NEW YORK, June 9.—Colonel E. H. R. Green, son of the late Mrs. Hetty Green, has paid \$1000 for Mrs. Woodrow Wilson's favorite thimble, according to an announcement tonight by the aviation committee of the National Special Aid society, which is raising a treasure and trinket fund to supply aviators with equipment not included in the government issue. The president's wife sent the thimble here on the first aerial mail trip made from Washington to be held by the committee.

VICTIM OF AUTO TRAGEDY BURIED

SALT LAKE, June 10.—Private funeral services for C. B. Sprague, chief chemist and metallurgist of the United States Smelting, Refining & Mining company, who died Saturday morning as a result of injuries received in an automobile accident in North Salt Lake last Tuesday night, were held at 2:30 o'clock yesterday afternoon at the residence, 1160 Harvard avenue. Dean William W. Fleetwood of St. Mark's cathedral presided.

The services were attended by the immediate family and relatives and a few close friends. Mr. Sprague's mother, Helen A. Sprague of Seattle, Wash., his brother, W. B. Sprague of Seattle, a sister, Mrs. D. J. Sharp of Berkeley, Cal., and E. W. Bannister of Los Angeles, Cal., were present. Interment was in the family plot at Mt. Olivet cemetery.

STIRRING UP INTEREST IN WAR SAVINGS AND STAMPS

At a general meeting of the Chairman of the war savings and thrift stamp committees of the county held at the Weber club, State Chairman James W. Collins and Rev. Peter A. Sive talks on the purposes of the campaign and urged all the chairmen to put the utmost energy into the work of selling the stamps in this country.

According to reports, Weber county has not kept up to expectations in the sale of the stamps.

The meeting was opened by Chairman Frank M. Briggs in a statement to the members in which he explained the methods pursued in securing pledges from the heads of families.

James W. Collins, the state chairman, took up the subject from the standpoint of the nation's needs, showing the enormous expenditures necessary to carry on the war and support our men at the front, who are dying in ever-increasing numbers. He gave the essential reasons why it remains providing the nation's funds at this time must be spread over the country so that the entire national family shall bear the burden equally.

ARMOUR COMPANY TO CHANGE STATUS

CHICAGO, June 9.—Armour and company announced tonight that it would change from a closed corporation to a stockholders company by issuing \$50,000,000 in debenture bonds, exchangeable for 7 per cent cumulative preferred stock as a part of its \$114,174,135 of assets, in order to procure additional capital for the expansion of its business to take care of war orders. The bonds which are to be issued at 6 per cent, have been underwritten by Chicago banks and the transaction constitutes the largest single piece of financing ever carried for exclusive by Chicago financiers. The bonds are to mature in six equal installments from June 15, 1919, to June 1924, callable at the option of the company, but convertible at any time at the option of the holder into stock. Armour and company's announcement of the plan says that the new bonds constitute the only lien on the concern, except the first closed mortgage for \$50,000,000, due in 1939, and that the entire proceeds will be used to reduce the company's current liabilities.

FOUR AMERICANS WAR PRISONERS

WASHINGTON, June 8.—Three American soldiers previously reported killed in action today were reported prisoners of war. They are 1st Lieutenant Charles W. Maxon, Baltimore; Privates Lawrence Perlmutter, New York City, (unwounded) and Louis Sandler, Philadelphia.

Sergeant Pielon Kerwood of Bryn Mawr, Pa., also is reported a prisoner of war unwounded.

The official announcement today that another phase of the German offensive was opened this morning between Montdidier and Noyon, was interpreted by the public as having a hopeful aspect. The point was made that the latest attack is on a front of only fifteen to eighteen miles, compared with a front of fifty miles for the first offensive this year, on March 21, and of twenty-five miles for the attack along the Aisne on May 27. This is regarded as an indication of diminution of the power of the attacking masses.

The attack, it is added, has been no surprise, as it was made just where anticipated and where, therefore, preparations had been made to resist it to the best advantage.

DEALERS CLAMOR FOR SUPPLIES

War Orders Crowding Out Civilian Demands—Labor Supply Is Scarce.

WASHINGTON, June 9.—Curtailment of the production of less essential articles has greatly stimulated the demand for them. The monthly business conditions report of the federal reserve board, issued tonight says retail dealers and consumers clamor for supplies before they are exhausted and place abnormally large orders which manufacturers in most cases are unable to fill. This has been true particularly of the demand for pianos, talking machines and other musical instruments.

Business conditions throughout the country continue healthy, with war orders tending more and more to crowd out orders for civilian consumption. Labor conditions are a little more settled, but the supply is still scarce, and in some parts of the east considerable shifting from one industry to another is reported. Money rates in most federal reserve districts are steady. Construction is light.

GRAND DUCHESS OLGA IN BERNE

Romanoff Family May Take Up Residence at Some Point Outside Russia.

BERNE, Switzerland, June 9.—The arrival in Switzerland of the Grand Duchess Olga, sister of former Emperor Nicholas of Russia, gives color to recent persistent reports that the former emperor and empress and others of the Romanoff family may take up residence here or at some other point outside Russia where their personal safety will be less endangered by disorders in the country.

ALSACE-LORRAINE NOT PRO-GERMAN

AMSTERDAM, June 9.—The military dictatorship in Alsace-Lorraine was denounced in the reichstag yesterday by Herman Wendel, Socialist deputy. He said four-fifths of the population was strongly pro-German when the war began, but that now conditions were entirely reversed.

JAP FREIGHTER HAS BEEN WRECKED

A PACIFIC PORT, June 9.—The Japanese freighter steamer Aikoku Maru has been wrecked off the north Pacific coast and is in a sinking condition, according to advices received here today by the marine department of the Chamber of Commerce. The report said the steamer ran ashore. No details were given. The Aikoku Maru is a vessel of 2466 net tons and carried a crew of about 30. She is owned by Kyushu Kisen Kaisha.

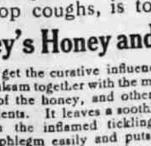

WOMAN IN WAGON STRUCK BY AUTO

SALT LAKE, June 10.—Mrs. Henry Marshall of Bountiful suffered several painful bruises and lacerations about the body late last night when a wagon in which she was driving with her husband and child, was struck by an automobile, said to have been driven by John T. Corbridge of 983 South Ninth East street, assistant manager of the Utah Concrete Pipe company.

The accident occurred just south of Bountiful, according to witnesses, and was due to the confusion of the drivers, occasioned by the lights of half a dozen automobiles, some of them traveling on the wrong side of the road. Mrs. Marshall was taken to her home in the machine by Mr. Corbridge, and was given medical attention there. While the wagon is said to have been damaged considerably, Mr. Marshall and the child escaped injury, it is said, as did also Mr. and Mrs. John McKendrick of 988 South Ninth East, and Mrs. Fred Nicholson, who were riding in the Corbridge car.

In Canada there are now fifty-four electric furnaces running, with a combined capacity of 173,000 tons of iron and steel, 50,000 tons of ferro silicon and 8,000 tons of ferro alloy per annum.

STOP COUGHING

The simplest and best way to stop coughs, is to take **Foley's Honey and Tar**

You get the curative influence of the pine balsam together with the mollifying effect of the honey, and other healing ingredients. It leaves a soothing coating on the inflamed tickling throat, raises phlegm easily and puts a quick end to hard weeping coughs.

R. F. Hall, M.D., Va. writes: "One bottle of Foley's Honey and Tar stopped a troublesome bronchial cough and irritation that had bothered me for fifteen years. Your dealer sells it. Try it."

"Hello, Central, Give Me No Man's Land"—Al Jolson

This simple song of sentiment is a new vein for Jolson, but it merely gives him an opportunity to prove his versatility. A rarely beautiful song that promises to be even more popular than "A Baby's Prayer at Twilight." The hit of "Sinbad." A2542—75c

"Just Like Washington Crossed the Delaware"

"General Pershing will cross the Rhine"—that's the rapid-fire refrain of this smashing patriotic hit. Arthur Fields and the Peerless Quartette sing the stirring lyrics with a quick-march swing that makes this record simply irresistible. A2545—75c

Robert Lewis Sings "I'm Sorry I Made You Cry"

There is a genuine musical beauty in this charming melody and Lewis has put real feeling into his sympathetic interpretation. A2546—75c
