

OGDEN AND WEBER COUNTY WIN GLORY BY SUBSCRIBING MORE THAN ALLOTMENT OF BONDS

After many anxious periods of doubt and uncertainty, when managers of the Liberty loan thought Weber county would fail miserably in raising its allotment, defeat was turned into glorious victory when the announcement was made late Saturday that \$2,312,100 had been subscribed with a surplus of approximately \$123,500, Ogdem, embracing the county, went over the top with a hurrah, establishing a record of loyalty and patriotism never equaled, in raising the largest levy of war money it has ever had to raise, and driving home with convincing force the assurance that this district is backing the government to the finish, despite German peace offers, despite German threats and despite German hopes that they would fail.

At 3 p. m., Saturday, the announcement was made that the allotment was reached. During the next few hours the surplus kept growing and by evening managers of the loan knew that the city had not only subscribed its allotment but had over-subscribed it with a comfortable, wide and glorious surplus to attest the liberality and loyalty of its citizens.

There were 13,752 subscribers. Based on this population Ogdem was apportioned approximately \$60 per capita. Its actual subscription averaged over \$100 per capita.

It is expected the total announced will be raised to the probable extent of \$40,500 as reports from all county districts are not yet complete.

The banks submitted the following final report:

Subs.	Amt.
First National	2217 \$ 380,800
Utah National	2945 696,600
Commercial National	1209 231,800
Pinetree National	1263 275,750

Security State	640 97,400
Ogdem Savings	813 141,500
Ogdem Union Rail-way and Depot Co.	705 68,450

Totals 13,752 \$2,312,100
The loan was managed through the Ogdem Clearing House association with the active co-operation of all Ogdem bankers and practically every club or social organization of the city.

Included in the company of managers, members of the Clearing House association are: M. S. Browning, president, and the First National bank, W. L. Waitis, Utah National bank; Charles H. Barton, Ogdem Savings bank; A. P. Bigelow, Ogdem State bank; R. A. Moyes, Commercial National bank; James H. Riley, Pinetree National bank; W. H. Shearman, Security State bank. With this committee were James Pingree and W. H. Waitis of the general committee and A. G. Fell, chairman of the drive in the county outside of the city. The women's campaign was under the direction of Mrs. H. H. Spencer.

Chicago Quotations

CHICAGO, Oct. 21.—Uncertainties connected with the delay of the German answer to President Wilson's note had a bullish effect today in the corn market. Other factors than the war outlook were largely ignored. Trade was of fair proportions. Opening prices, which ranged from 1/2 to 2c higher with November \$1.24 1/2 to \$1.24 3/4 and December \$1.19 to \$1.19 1/2, were followed by a moderate reaction and then a fresh upturn by the strength of corn. Demand was only scattering. After an initial advance of 1/4 to 3/8c with November opening 67 1/2 to 67 3/4c, a slight sag took place, and then another ascent.

QUARREL OVER JUNK AND GET INTO THE POLICE COURT

Sam Kreines appeared in Municipal court this morning to tell Judge Barker that on Saturday, as he transacted his business as a junk merchant in the Stratton junk warehouse, he was interfered with in a forcible way by Lewis Addison, a competitor in the same line.

Lewis, it seemed, had bought some junk, and when he came to settle for it at his offered price of half a cent a pound, Mr. Stratton asked whether it was not worth more than that. Immediately Lewis jumped to the conclusion that Kreines had been offering a higher price. What followed it would be difficult for anybody other than the wisest of Solomon's ever to know.
