

PERFUME IN A BOTTLE WITH THE TOP OFF IS WEAK!

It was a lovely bottle of French perfume, with an exquisite scent, and it cost a great deal. To some one neglected to put the top on securely; in a short time the perfume had lost all its strength.

Tone in a phonograph must be bottled up just as tightly as that perfume bottle, and every bit of air that is permitted to come in, and every leak that exists in the tone arm, is simply throwing away part of the strength, and diluting the original purity of the voice of the artist.

If you want your phonograph to give your artist's complete and exact reproduction, come and hear the Hoffay Airtight Phonograph. You will never be contented with any other kind after once spending an hour with the Hoffay.

You can get the Hoffay for \$125.00, \$175.00, \$225.00 and \$275.00.

The Hoffay Talking Machines are for sale at the following stores:

- ISHAM DRUG CO., ROOSEVELT, Utah
DUCHESSNE DRUG CO., DUCHESSNE, Utah
LESLIE ASHTON HARDWARE CO., VERNAL, Utah
LOGAN HARDWARE CO., LOGAN, Utah
POCATELLO MUSIC CO., POCATELLO, Idaho
NORTON MUSIC CO., BURLEY, Idaho

SOLE DISTRIBUTORS FOR THE STATE OF UTAH Eastern Nevada, Western Wyoming, Southern and Eastern Idaho.

GEO. A. LOWE CO. Ogden, Utah

The Hoffay is provided with the only record adapter worth while. It plays Victor, Columbia, Lyric, Pathe or Edison records, and the playing is wonderfully beautiful.

The Hoffay Resurrectone brings back the real music as it came from the living artist.

APPLE POSSIBILITIES

The U. S. Food Administration reminds us that every fall apple has its possibilities for winter desserts or relishes and that none should be allowed to waste. Here are some recipes from the food administration:

Canned Baked Apples Wash and core good, sound, tart baking apples. Fill the cavities with 1 tablespoon of sirup or honey for each apple. Bake the apples until tender in a pan containing a little water. Pack the baked apples into hot sterilized jars, add the juice remaining in the pan. Fill the jars completely with a sirup made by boiling together for 2 minutes, water and sirup in the proportion of 1 cup of water and 1-2 cup sirup. Seal the can.

Chipped Apples or Pears Hard fruit (apples or pears) 8 lbs. Sugar, 1 pound (3 cups) Sirup, 3 pounds (4 cups) Lemons 3 water 2 quarts Ginger root or crystallized ginger 1 ounce.

Apple and Beet Conserve Tart apples, diced, 1 quart Beets, diced, 1 quart Sirup 1-2 cup Juice of 1 lemon and chopped rind if desired.

Apple and Beet Conserve Tart apples, diced, 1 quart Beets, diced, 1 quart Sirup 1-2 cup Juice of 1 lemon and chopped rind if desired.

Apple and Beet Conserve Tart apples, diced, 1 quart Beets, diced, 1 quart Sirup 1-2 cup Juice of 1 lemon and chopped rind if desired.

Apple and Beet Conserve Tart apples, diced, 1 quart Beets, diced, 1 quart Sirup 1-2 cup Juice of 1 lemon and chopped rind if desired.

Apple and Beet Conserve Tart apples, diced, 1 quart Beets, diced, 1 quart Sirup 1-2 cup Juice of 1 lemon and chopped rind if desired.

Apple and Beet Conserve Tart apples, diced, 1 quart Beets, diced, 1 quart Sirup 1-2 cup Juice of 1 lemon and chopped rind if desired.

Apple and Beet Conserve Tart apples, diced, 1 quart Beets, diced, 1 quart Sirup 1-2 cup Juice of 1 lemon and chopped rind if desired.

Apple and Beet Conserve Tart apples, diced, 1 quart Beets, diced, 1 quart Sirup 1-2 cup Juice of 1 lemon and chopped rind if desired.

Apple and Beet Conserve Tart apples, diced, 1 quart Beets, diced, 1 quart Sirup 1-2 cup Juice of 1 lemon and chopped rind if desired.

Apple and Beet Conserve Tart apples, diced, 1 quart Beets, diced, 1 quart Sirup 1-2 cup Juice of 1 lemon and chopped rind if desired.

Apple and Beet Conserve Tart apples, diced, 1 quart Beets, diced, 1 quart Sirup 1-2 cup Juice of 1 lemon and chopped rind if desired.

Stop Itching Eczema

Never mind how often you have tried and failed, you can stop burning, itching eczema quickly by applying a little zemo furnished by any druggist for 35c. Extra large bottle, \$1.00. Healing begins the moment zemo is applied. In a short time usually every trace of eczema, tetter, pimples, rash, blackheads and similar skin diseases will be removed.

For clearing the skin and making it vigorously healthy, always use zemo, the penetrating, antiseptic liquid. It is not a greasy salve and it does not stain. When others fail it is the one dependable treatment for skin troubles of all kinds.

THE LESSON FROM RUSSIA

That we should not relax in the slightest degree our efforts to save food is the only conclusion to be reached when we read of the conditions facing a large nation like Russia.

With almost twice the population of the United States Russia has over twice as large a proportion engaged in agriculture as in our own country in peace times.

Their farmers however, have not been able to get any supplies or farm implements since the third year of the war. Ports in the Baltic and the Black Sea are closed. The White Sea is blocked with ice. Vladivostok is open, but it cannot take care of all the necessary supplies, as it is through

NO "FOURTH MEAL"

Patriots are not having fourth meals. Three meals a day are enough. A fourth meal uses some of the food that should be on its way across the Atlantic in cargo ships—food that this

The Effects of Opiates.

THAT INFANTS are peculiarly susceptible to opium and its various preparations, all of which are narcotic, is well known. Even in the smallest doses, if continued, these opiates cause changes in the functions and growth of the cells which are likely to become permanent, causing imbecility, mental perversion, a craving for alcohol or narcotics in later life. Nervous diseases, such as intractable nervous dyspepsia and lack of staying powers are a result of dosing with opiates or narcotics to keep children quiet in their infancy. The rule among physicians is that children should never receive opiates in the smallest doses for more than a day at a time, and

The administration of Anodynes, Drops, Cordials, Soothing Syrups and other narcotics to children by any but a physician cannot be too strongly

leeried, and the druggist should not be a party to it. Children who are ill need the attention of a physician, and it is nothing less than a crime to lose them willfully with narcotics.

this port that we must supply allied troops in this section. What Russia will have to face this winter is not a pleasant prospect. Those inhabitants who depend absolutely upon the agriculturists are bound to be hard put to it for food, as the farmers have not even enough for their own use. North and Central Russia depend upon South Russia where the Hun is in full possession, and upon Siberia which is cut off by railway disorganization and civil war. It is inevitable that we must think first of feeding the allied nations. At the same time we must not forget other nations which are suffering. We must do something for them as soon as possible. With this in mind, can anyone believe that the need for food conservation is not greater than ever before?

FASHION NOTES

Hudson seal is the most popular for this season. Draped effects and coats of seal, trimmed daintily with squirrel, are very beautiful. Mole and beaver still hold their own.

The winter suits are very stunning. They are being shown along straight lines and trimmed with fur. And now comes the spring suit. Fashion says it will be of jersey cloth with a long, tight skirt.

Winter coats, box effect, are being worn now, though coats are not so popular this season, many women preferring the winter suit to be worn later with their furs.

Suits without blouses seem to be just the thing now. Instead of a waist a vestee is worn, or sometimes a dainty piece of colored silk is tucked in to give the effect.

Winter coats for the children are made of bright colored broadcloth, with the yoke waist. Fillet and Valenciennes lace now trim the daintier waists, while for every day we have striped dimity and batista trimmed with tiny box pleats instead of the usual pin tucks.

A very popular shade this winter is nut brown. While hitherto black has been taboo, for the young girl, many very beautiful and youthful dresses are being shown in black velvet and black satin. Most of the dresses have just a touch of trimming.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhance its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and luster of your hair.

Everybody uses "Wyeth's Sage and Sulphur Compound" now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes glossy and dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

President Wilson Worked Late on Terms' Address

WASHINGTON, Nov. 13.—It was learned today that President Wilson was at work until 2 o'clock in the morning on his address to Congress Monday announcing armistice terms.

He had the address ready and had been asleep half an hour when news that the armistice had been signed reached him.

Attention, B. of R. T.

All trainmen are requested to meet at 203 30th Street Friday, Nov. 15 at 2 p. m. to attend the funeral of Brother W. R. Eckardt.

BEAVER COUNTY HAS STARTED SEED SELECTION CAMPAIGN

Beaver County farmers have determined to improve and standardize their staple seeds and to this end have made the selection of seeds one of their farm bureau projects this year, according to County Agent Christensen. Potatoes, wheat and oats are the crops with which this selection is being carried out.

In developing this project Mr. Christensen first conducts a demonstration in plant selection on the farms of those co-operating in the work. Enough plants are selected to produce five pounds of seed with which to plant a seed plot next spring. The seed plot will furnish the farmer with his own seed, of selected varieties suitable to his locality and grown under local conditions. From this he can plant his crop and sow his seed plot for the next year, always selecting the best for the seed plot.

DAVIS COUNTY FARMERS SAVE TEN THOUSAND DOLLARS

President W. D. Criddle of the Davis County Farm Bureau estimates that the farmers of Davis county saved at least \$10,000 this fall through grasshopper poisoning. Through the efforts of County Agent Thayne and the County Farm Bureau, 1010 pounds of arsenic were distributed for the poisoning of these pests.

CONTRACTED IS OUT WITH FACTS

Bainbridge Gains Twenty Pounds Taking Tanlac—Troubles End.

"My old time energy with twenty pounds of my lost weight have been returned to me by the use of Tanlac," said C. E. Bainbridge, the well known contracting painter, decorator and wall paper man of 89 East Eleventh street, Portland.

"Just about a year ago," said Mr. Bainbridge, in describing his case, "I lost my appetite and soon got to where nothing I would eat agreed with me. My food would lay in my stomach and ferment, bloat me up as tight as a drum and cause me to suffer agony. Of course I had to live on a very light diet and not being able to get the proper nourishment I lost weight and strength continually. I dropped down from 165 to 132—losing 33 pounds—in just a few months. I finally got so weak and run down I had to give up my work and was laid up for more than five weeks. Then I began suffering with rheumatism all over, which was especially bad in my right arm. The muscles in this arm would become so drawn and painful that I could not get my hand to my head. My back also hurt me all the time. I was naturally constipated and had such terrific headaches that I could hardly see. I was so nervous the least noise would upset me and I have gone through many a night never closing my eyes for sleep. My strength and energy had just about all left me and my condition had become alarming to me. In fact, I had become discouraged, as I had taken so much medicine without getting any relief.

"Finally a friend of mine, knowing the fact I was in need of help, advised me to try Tanlac, saying his wife had been in the same condition and that six bottles of Tanlac restored her entirely. So after he told me this I lost very little time in getting me some Tanlac, and believe me, it has done the work. After taking the first bottle I was simply eating like a bear and I have been eating just anything I want since that time with no signs of bloating or any other discomfort afterwards. I have just finished my fourth bottle now and the rheumatism is gone, too. With the aid of Tanlac Tablets I have been relieved of constipation and, it's a fact, I haven't had a headache since I began taking Tanlac. I simply sleep like a toad every night and can do a full day's work and still feel fresh and fine at night. My wife also suffered from indigestion and she has gotten entirely rid of it by using Tanlac. I tell you it is great and people with common-sense and rheumatism will do well to take it."

Tanlac is sold in Ogden by A. R. McIntyre Drug Co. Two busy stores.—Advertisement.

Abolish 8-Hour Day and Lower Wages Suggested by Barr

NEW YORK, Nov. 13.—Abolition of the eight hour day and a lowering of war time wage scales are essential if American mines and factories are to continue to compete in the world of trade, according to William H. Barr of Buffalo, president of the National Founders' Association, who addressed the national convention of the Associated Press today.

Declaring the liquidation of labor to be "the first and greatest problem which will demand the attention of our industry," Mr. Barr counseled facing this problem "without resentment or bitterness."

Other speakers urged that the national war labor board be abolished and that employers and employees be permitted to work out their own destinies.

TEARS FLOWED AMID GOOD-BYS

BRIDGEEND, Island of Islay, Scotland, Oct. 12.—(Correspondence of the Associated Press.)—There were tears in the eyes of five American soldiers saved from the wrecked troopship Otranto when they said good-bye today to the good people of the little hamlet of Kilchoman. They had just attended a simple sabbath service especially

Ends Stubborn Coughs in a Hurry

For real effectiveness, this old home-made remedy has been made. Easily and cheaply prepared.

You'll never know how quickly a bad cough can be conquered until you try this famous old home-made remedy. Any one who has coughed all day and all night, will say that the immediate relief given is almost like magic. It takes but a moment to prepare, and really there is nothing better for coughs.

Into a pint bottle, put 2 1/2 ounces of Pinex, then add plain granulated sugar syrup to make a full pint. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. Either way, the full pint saves about two thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly and tastes pleasant.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out and then disappear altogether. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, whooping cough, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, known as the most reliable remedy for throat and chest ailments.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind. Advertisement.

U. A. C. PROFESSOR HONORED

Professor P. E. Peterson, C. P. A., head of the department of accounting of the Utah Agricultural College and registrar of the institution, has just been appointed a member of the State Board of Accountancy by Governor Simon Bamberger. This appointment, which took effect October 30, fills a vacancy caused by the resignation of D. A. Swan.

The State Board of Accountancy conducts examinations for applicants who desire to become certified public accountants connected with the qualifications of certified public accountants in Utah.

JAP TOURING UNITED STATES

TOKIO, Oct. 12. (Correspondence of the Associated Press.)—The chamber of commerce of Japan are deeply interested in the mission of Reizo Yamashina, vice president of the Tokio chamber of commerce, who has been sent as special commissioner to the United States to study business conditions and ways and means of increasing commerce with Japan.

Mr. Yamashina will meet representatives of the American business community in the United States and will be accompanied by a number of Japanese business men. Before leaving for the United States, Mr. Yamashina, who is a well known business man, said that for the development of the commercial and economic relations after the war Japan must go hand in hand with the United States in a spirit of sincere frankness and friendship. He said that the United States and China are the two nations which have the closest relations with Japan, geographically, politically, and economically, and it was the desire of Japanese business interests to develop these relations.

Mr. Yamashina will meet representative American business leaders and after completing an extensive tour of the United States will visit Brazil and Chile.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute.

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets.

These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place.

Most headaches, "dullness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded brain and how they "perk up" the spirits. 10c and 25c a box. All druggists. Advertisement.

AMERICAN LINE CLOSE TO HUN'S

WITH THE AMERICAN ARMY IN FRANCE, Tuesday, Nov. 12. (By the Associated Press.)—When fighting ended Monday the German front line opposite the first American army running south and north, was approximately as follows:

From north of the chateau d'Hanoncelles, through the Bois de Lavein, the Bois de Manheuilles, the Bois Masseneux, thence northwest passing east of Blanzee, east of Grimoucourt and north of Nobras woods. Thence through the grand chenaux, east of Bezonvaux, through the Herbebois woods east and north of Hill 319, north of Chaumont-decant-Damvillers and Hill 324, to the east side of the Thelenet brook and the Damvillers-Metz road.

THE MOST DANGEROUS DISEASE

No organs of the human body are so important to health and long life as the kidneys. When they slow up and commence to lag in their duties, look out! Danger is in sight. Your kidneys may find out what the trouble is without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, or have pains in the back or difficulty in passing urine—wake up at once. Your kidneys need help. These are signs to warn you that your kidneys are not performing their functions properly. They are only half doing their work and are allowing impurities to accumulate and be converted into uric acid and other poisons, which are causing you distress and will destroy you unless they are driven from your system.

Get some GOLD MEDAL Haarem Oil Capsules at once. They are an old, tried preparation used all over the world for centuries. They contain only natural, soothing oils combined with strength-giving and system-cleansing herbs, well known and used by physicians in their daily practice. GOLD MEDAL Haarem Oil Capsules are imported direct from the laboratories in Holland. They are convenient to take, and will either give prompt relief or your money will be refunded. Ask for them at any drug store, but be sure to get the original imported GOLD MEDAL brand. Accept no substitutes. In sealed packages. Three sizes.—Advertisement.

north of Removille to the north of the forest of Woevre and Paillon to east and north of Stenay and thence north and slightly west to the end of the sector north of Mouzon, along the Meuse.

The front of the second army from south to north was: Nomeny to Eply, through the Bois Volroite, through the Bois Freabout to the Moselle river and up the river to a point about two thirds of a mile south to Pacy and thence west to a point one third of a mile south of Preny. Thence through Remercourt to the north of the Bois Dommartin and the Mainbois farm, skirting the northern end of Lake Lachausses, through the Bois Les Hautes Epines, through the Bois de Wavrill, St. Hilaire, Marcheville, Rivelle to one third of a mile south of Ville-En-Woevre.

On the front of the first and second armies between the Meuse and the Moselle allied troops hold the former German front line villages of Ronvaux, Watronville, Blanzee, Moranville, Abaucourt, Dieppe and Bezonvaux.

Advertisement.

WITH THE AMERICAN ARMY IN FRANCE, Monday, Nov. 11.—(By the Associated Press.)—Hostilities along the American front ended with a crash of cannon.

Two minutes before 11 o'clock the fire dwindled, the last shells shrieking over No Man's Land precisely on time. There was little celebration on the front line, where American routine was scarcely disturbed. In the areas behind the battle zone, there were celebrations on all sides. Here and there, there were little outbursts of cheering, but even those instances were not on the immediate front.

It was in the gray light of early morning that orders for the cessation of hostilities were sent out to divisional chiefs and the artillery and aviation commanders. Each commander was called to the telephone and the general army order read to him.

Another sharp offensive had been planned for today east of the Meuse where the enemy was to be pushed as far back as possible before the armistice could be signed. Until the receipt of the official orders, the army commanders went ahead with their plans as if they had never heard of any armistice talk.

In contrast to the soberness of the Americans, was the emotion displayed by their French allies. Many of the French poilus went about singing and shouting. The Americans except in some rare instances, are accepting the situation with the same grimness that has characterized their fighting.

"Wall, I don't know," drawled a lieutenant from Texas, while the artillery was sending its last challenge to the Germans, "but somehow I can't help wondering if we have licked them enough."

The Germans were manifestly so glad over the cessation of hostilities that they did not conceal their pleasure. Prisoners taken at Stenay grinned with satisfaction. Their demeanor was in sharp contrast to that of the American doughboy who took the matter philosophically and went about their appointed tasks.

In the front line it was the same. The Americans were happy, but quiet. They made no demonstration. The Germans on the other hand were in a regular hysteria of joy. They waited only till nightfall to set off every rocket in their possession. In the evening the sky was ablaze with red, green, blue and yellow flares all along the line.
