

# EAST HIGH LEOPARDS WIN FROM BOX ELDER IN FIRST OF CHAMPIONSHIP CONTESTS

SALT LAKE CITY, Nov. 22.—With the Logan team, winners of the northern division title, declared ineligible the Box Elder high school warriors met the first East High school team here yesterday in the semi-final game for the state gridiron championship. The Leopards lived up to expectations, however, and managed to win by a score of 59 to 0, thus making their grand total for the season 471 to the 0 mark for the opposition.

The Leopards meet the Payson warriors next week in the final game of the year. This contest will settle state honors.

End runs and line plunges were the chief factors in the victory of the Leopards. The Leopards scored thirteen points in the first and second periods and entered the last half of the game determined to add more points to their score.

The lineup and summary:

SAINTS WIN.  
LEHI, Nov. 22.—The fast L. D. S. gridiron team easily defeated the locals here today, the score being 57 to 0.

The invaders played superb ball and displayed the best class of the year in their games. Forward passes and open field work enabled the Gold and Blue warriors to win.

CHICAGO, Nov. 22.—Second place in the "big ten" conference standing was at stake when the Wisconsin football team met the University of Chicago eleven here today. Wisconsin displayed its best football of the season last Saturday when Ohio State was held without a touchdown and with the offensive and defensive strength Chicago has displayed since its single defeat by Illinois, a hard fight was looked for.

IOWA CITY, Ia., Nov. 22.—The Iowa State college and the University of Iowa football teams met here this afternoon in their annual contest. While the university team because of its "big ten" games and other hard contests this year is considered to have the advantage the State college squad after a rather mediocre start, has developed into a strong aggregation.

ANN ARBOR, Mich., Nov. 22.—Minnesota ruled the favorite for today's gridiron battle with Michigan, the first meeting of the old time rivals since 1910. While the Gophers were

# Gibbons Fights Fast Draw With Champion O'Dowd

RINGSIDE, ST. PAUL, Nov. 21.—Mike O'Dowd, middleweight champion, and Mike Gibbons, the St. Paul phantom, fought a terrific bloody ten-round bout tonight. The fight was vicious and close all the way and although several of the ringside experts called the bout a draw the majority gave O'Dowd a slight shade.

The fight was so close that any one seemed entitled to his opinion. O'Dowd outslugged Gibbons when the phantom threw caution to the winds and fought the champion. When Gibbons resorted now and then to his famous boxing tactics he made O'Dowd miss again and again.

Long Standing Feud.

From the opening gang it was evident that the two St. Paul fighters were determined to settle their long-standing feud by a knockout if possible. Gibbons at times amazed his followers by deliberately taking stiff punches from O'Dowd in an effort to land his dreaded right cross. Early in the fight O'Dowd's right opened a deep cut over Gibbons' eye and from then on Gibbons fought under a handicap. Gibbons had a slight shade at the start of the sixth round, but in the opinion of some sport writers he lost this lead when he tried to outslug the champion. O'Dowd seemed the stronger when the fight was over. The crowd gave O'Dowd the warmer reception.

Promoter J. E. Reddy estimated the total receipts to be slightly more than \$40,000. Gibbons received eighty per cent of the gross receipts, out of which he paid O'Dowd \$15,000. Gibbons also had the motion picture concession and agreed to give O'Dowd 25 per cent of the film receipts.

Examination of Gibbons' right hand showed it was badly bruised and that possibly small bones were broken. Gibbons said he hurt it in the sixth round and put it out of commission in the eighth. George Barton, Minneapolis, and Ed. L. Shave, St. Louis, sport writers, who acted as secondary referees, both gave the fight to O'Dowd. Sport writers were agreed upon one thing—that Gibbons is far from the fighter he was three years ago.

Yale Clashes With Harvard Gridders in Football Feature Today

CAMBRIDGE, Mass., Nov. 22.—Harvard and Yale approached the annual settlement of their football claims today with the players primed to their utmost efforts. Both teams were reported "fit" by trainers and coaches and the enthusiasm among their adherents ran riot.

Approximately 50,000 mad football spectators streamed out to the Harvard stadium to watch the teams in their first contest since 1915. Thousands of others, disappointed because of their inability to procure tickets awaited news of the outcome down town. Boston newspapers, under orders in effect since the state capital has been on police duty here, were not permitted to display bulletins of the game, but arranged to publish extra editions.

Although experts declared that an analysis of previous efforts could show no reason for giving Harvard odds, the Crimson entered the game as the favorite. The results against Princeton showed Harvard the stronger, but Yale's admirers believed the Blue was due for a big comeback.

Weather conditions appeared to favor the spectators as the day opened fair and mild.

Players remained at their resting quarters until after noon. Both elevens were confident of winning. All appeared to believe that the final result would be governed largely by individual prowess and "breaks."

The probable lineup:

Harvard ..... Yale  
Phinney ..... Reinhardt  
Sedgwick ..... Dickens  
Woods ..... Acosta  
Hermeyer ..... Callahan (capt.)  
Clark ..... Gall  
Kane ..... Walker  
Steel ..... Allen  
Murray (capt.) ..... Kempton  
Humphreys ..... Neville  
Casey ..... Lay  
A. Horween ..... Braden

# Ohio State Meets Illinois Gridders Today for Honors

COLUMBUS, O., Nov. 22.—Ohio State and Illinois elevens met today in their struggle to decide the championship of the western conference for 1919. No gridiron engagement in the west transcends in importance, the duel between these two premier teams of the "big ten" on Ohio field this afternoon.

The weather before the game was warm and a fine fall feel. The field was soggy from a heavy rain last night. From the beginning of the season the Buckeyes were favored for the title. Relative scores confirm the judgment of dopsters who figured either team to win. Purdue succumbed to Ohio State by a much larger score than Illinois. On the other hand the Illinois crushed Michigan more decisively than did the Ohioans.

Both coaches were uncertain as to their respective lineups early today. The greatest crowd in the history of Ohio football was assured. Upwards of 15,000 persons viewed the clash today.

The probable lineup:

Ohio State ..... Illinois  
Meyers ..... Reichle  
Huffman ..... Petty  
Pixley ..... Applegan  
Nemceek ..... Depler  
Trott ..... Livendahl  
Spiers ..... Ingwerson  
Flower ..... Carney  
Stinchcomb ..... Bob Fletcher

# Boston Deluged With Visitors To See Game

BOSTON, Nov. 22.—Deluged and dazed by the unexpected thousands descending upon the city yesterday for the Harvard-Yale football game, Boston was a flustered host last night. Great throngs have gathered here for this gridiron classic in past years, but nothing approaching the present invasion has heretofore confronted the Massachusetts metropolis.

Of the scores of hotels and clubs of the city not one had even a cot available for late comers and hundreds of visitors from distant points were directed to towns and cities many miles away if they would be assured of a night's lodging. A number of the leading hostellers foresaw the congestion two weeks ago, when their last room was engaged, and made arrangements to care for the overflow in this manner. As a result long lines of automobile hives are speeding to points as far away as Worcester in the hope of finding quarters.

Although the Harvard stadium will seat close to 50,000 the demand for tickets is far in excess of accommodations. The omnipresent speculator is hard put to secure even a pair of its precious pasteboards. Repeated offers of from \$25 to \$40 a pair have failed to cause holders to sell and with bids of \$100 for mid-section seats the speculators find themselves unable to profit by the fabulous premiums promised for their aid.

DECLARES FREEZING IMPAIRS BATTERIES  
"We have established a separate department for the handling of batteries during the winter months," says Frank Edwards, manager of the Edwards-Warden company, Exide battery distributor, 131-133 East Broadway. "It is urgent that the customer who ties up his car for the winter have an expert take care of his battery."

In our new storage department the battery is kept filled with pure water, and remains charged during the time that it is in storage. We have tables of sufficient capacity to prevent shifting, and every battery received for wet storage is immediately charged and thereafter given sufficient charging every week or ten days to keep it up to its full power. "One of the company's experts is always ready to pass on the condition of any battery, and will advise the customer as to the relative advantages of wet or dry storage. If a motorist intends to drive his car all winter we suggest that he come in and have his battery tested. A battery should never be allowed to freeze, and a properly charged Exide battery cannot freeze, even in the coldest weather. An Edwards-Warden expert will explain why batteries sometimes freeze, and the company is distributing a booklet, 'Winter and Storage Batteries,' that contains much interesting and valuable information."

Weber Meets Granite High and Wins by Score of 14 to 12

Granite High school won a hotly contested game from the Weber Normal stars at Salt Lake yesterday, the score being 14 to 12. Both aggregations played good ball and the lack of the Weber men to place chance kicks over the cross bar lost them a tie. Watson's men, however, played a great game.

At the end of the third period the score read 12 to 7, but the Granitians came back strong in the final period and won by a score of 14 to 12. The game was a battle from start to finish and was witnessed by a large crowd.

means of a short piece of rubber tubing. The other end of this tube is curved so that the water passing down will drop into a bottle or other container. The dishpan in which the coil rests is filled with cold water, frequently renewed to keep it cold. The water in the tea kettle is boiled and the steam so produced passes out of the spout into the tube, through the coil where it is cooled and condensed back into water again, and is finally collected for use in the bottle at the end of the copper tube.

North Cache Wins In Contest With Richmond Gridders

HYRUM, Nov. 21.—The North Cache High school football eleven of Richmond today won the annual classic from their old-time rivals, the South Cache gridders, by the score of 12 to 0. A great deal of interest was shown by students from the schools, and both elevens were well supported at all times.

Coach Eric Johnson's visitors outplayed the locals. They scored touchdowns in the second and third quarters, but failed to kick goal in each instance. Rulon Merrill scored the first touchdown after recovering a fumble. Thompson, right end, ran sixty yards for the second score near the end of the third period.

The Richmond backfield, consisting of I. Merrill, R. Merrill, Frosch and Vannoy, showed considerable class and ability, while Stewart of South Cache played the best game for the locals.
