

### A charge account with us is mighty convenient

It saves waiting for change after you've bought your groceries.

It saves time when your groceries are delivered.

It makes it unnecessary for you to pay out cash every time something is purchased for your home.

And, something you probably haven't considered, it gives you a standing in the community.

We maintain charge accounts and all the other features of a service grocery—because we believe that we can take care of these matters better than our customers can for themselves.

One of the most valuable services we perform for our customers comes as a result of our thorough knowledge of the grocery business. It consists of telling our customers about the good things we have on our shelves.

One of these good things is RYZON Baking Powder.

We recommend it to you because we know enough about it to be absolutely sure you'll be mighty glad we called it to your attention.

And it's honestly priced, 40 cents for a full pound tin.

We also have the famous RYZON Baking Book (original price \$1) free. One of the best and most complete books on modern baking we've ever seen and especially adapted to RYZON.

## NORMA TALMADGE IN UNDERWORLD FILM AT ORPHEUM

A striking contrast between the high and low walks of life is drawn in the photoplay, "A Daughter of Two Worlds," from the novel of the same name by Le Roy Scott, which will be shown at the Orpheum theatre commencing Sunday.

Norma Talmadge, who is starred as Jennie Malone, plays the part of the beautiful daughter of Black Jerry Malone, keeper of a questionable dance hall in the slums.

The ambitions of her father, who is not as black as his name would indicate, carry her out of jail, through a fashionable boarding school for girls, and into society, where she meets the man who wins her love.

The stigma of the past follows her into her new environment, and a dramatic situation arises when Jennie learns that she alone can save from the electric chair a man who has been wrongly convicted of murder.

To do so, Jennie is forced to risk the loss of her fiance and her place in society.

Can a girl of the underworld, who has lived straight, make good in the social world?

The photoplay answers that question.

## Foley's Honey and Tar COMPOUND

AN OLD RELIABLE FAMILY REMEDY, recommended for coughs, colds, tickling of the throat, spasmodic croup, whooping cough, la grippe, and bronchial coughs, hoarseness, etc.

The First Dose Gave Relief  
C. E. Summers, Holdrege, Neb., writes: "Some time ago I contracted a very severe cough and cold due to exposure. My cough got so bad I could hardly sleep for two or three nights. A friend of mine recommended Foley's Honey and Tar Compound, and I got a 50c bottle. The very first dose relieved me. I took a second dose before going to bed and can truthfully say I did not cough once all night. By using as directed the next two days my cough was entirely gone, and I give Foley's Honey and Tar full credit for my speedy and permanent recovery."

For more than thirty years Foley's Honey and Tar has been used with satisfaction and success.

## Ogden Scout Troops Are Growing Rapidly

District number two of the Ogden city boy scout organization has grown so rapidly that another commissioner is needed and George A. Goates has submitted the name of Fred C. Jensen to New York for the position. The new commissioner will supervise the work of troops 13, 9, 12, 18, and 11; Pleasant View, North Ogden and Huntsville No. 1.

In the First ward amusement hall on March 30, "Father and Sons' Day" will be celebrated by troop 22. An entertaining program of drills and games is being arranged by Scoutmaster Holbrook, whose five-year-old son is mascot of the troop.

## Cantata 'The Open Door' to Be Given Tonight

Twenty-five members of the Ogden stake Relief society tonight will render the Cantata, "The Open Door," the music of which is composed by Mrs. Lucy May Green and Mrs. Ida Horn White, the story by Mrs. Louise Robinson. The work will be directed by Miss Minnie Moore Brown.

The thought which predominates in the work is the emancipation of women from their condition prior to the organization of the Relief society, 78 years ago, to their present position of freedom and equality.

## Catholic Boys Apply For Troop Number

An application for a Boy Scout troop to be known as troop number 5, sponsored by Monsignor P. M. Cushman, has been forwarded to headquarters by George A. Goates, scout executive, for final consideration. The troop is composed of 40 boys. Members of the troop committee are Dan E. Sullivan, P. F. Kennedy and W. J. Dermody. Thomas Maginnis is scoutmaster. Examinations for tenderfeet will be held in the St. Joseph's hall Friday evening. All boys in the troop are said to be eligible to take the test.

## Marriott Boys and Girls to be Organized

County Leader A. J. Taylor will hold a meeting tomorrow afternoon at Marriott for the purpose of organizing the boys and girls of that district into clubs and the junior farm bureau.

Speaking of the movement to popularize the pure bred heifer, Mr. Taylor said, "A fairly good response has been made and the first shipment of twelve heifers will be ordered through the Utah Agricultural college."

## Ogden City School Gardens are Discussed

Ogden city school gardens come in for the following mention in the current number of "School Life": Intensive cultivation was used to combat the drought by children of the Ogden, Utah, garden companies. The untiring work of the children saved the majority of the gardens, according to the report of school officials. The garden supervisors held numerous meetings with the pupils, officers of the United States school garden army.

## Official Census to be Known Next Week

Ogden, Provo, Lehi, American Fork and Tooele should know their official population next week, according to Austin P. Miller, census supervisor of eight counties, including Salt Lake, Tooele, Utah, Juab, Millard, Iron and Washington. This information should come next week when information from Washington is expected relative to Salt Lake's present population, Mr. Miller said.

the police. Feldman said he had just opened the safe and was taking out the jewelry when he turned and saw four men in the store. One of them covered him with a revolver and another pointed a weapon at Miss Goldman.

"What is it, a joke?" Feldman said he asked. A blow across the face with the handle of a revolver answered him. One man then tied the hands and feet of Feldman and another seized Miss Goldman, while the other two ransacked the safe and showcases. After warning the two not to attempt to call the police, the robbers escaped.

## Little Hope of Relief For Victims of Catarrh Unless Old-Time, Obsolete Treatment Is Discarded.

Doubtless during the mild summer months you have enjoyed some relief from the disease, because there is always less inflammation of the membranes during the summer, but do not make the mistake of thinking that your Catarrh is gone, for the very first raw, damp, wintry day, the delicate linings of the membranes will begin to again become irritated and sore, the air passages will begin to clog up, and soon you will find that your old enemy is still with you, with a fiendish intention of making the winter as full of discomfort as ever.

What are you going to do about it? If you have had the disease for any length of time, the chances are that you have used enough local remedies to convince you that there is no cure for you in this method of treatment. Are you going to drag through another winter hawking and spitting and spraying constantly in an effort to unclog the stopped up air passages so that you can get your breath for awhile, knowing that these accumulations will immediately reappear—or are you going to discard this makeshift treatment, and use a little intelligence in an effort to get rid of this dis-

ease that is such an annoyance and a constant handicap? You must accept the teachings of science, which shows that to get rid of any disease, you must treat it at its source, you must direct your efforts toward removing its cause, instead of being satisfied with slight temporary relief from its symptoms. You must root out from your blood the millions of tiny germs which cause Catarrh, so that there can be no more inflammation of the nose and throat, and checked up nasal passages that make breathing difficult and painful.

S. S. S., the fine old blood remedy, has given splendid results in the treatment of Catarrh, and you will be delighted with its effect on your case. It so purifies and cleanses the blood, that disease germs are eradicated, hence when the germs of your Catarrh are eliminated from the blood, you are on the right road to a permanent rid- ing from the disease. Go to your drug store, and get a bottle of S. S. S. to day and begin the real rational treatment that will give real results.

If you will write our medical department, we will take pleasure in giving instructions regarding the treatment of your own particular case. Address: Chief Medical Adviser, 15 Swift Laboratory, Atlanta, Ga.
