KAUFMAN-LANG BOUT FINALLY ABANDONED

NEW YORK, Aug. 16.—Three thousand fight fans who had assembled at the Fairmount A. C. here to see Al Kaufman and Bill Lang, the big big Australian fight ten rounds were disappointed tonight when the club management announced that the bout was off.

John Barrow Mitchell, the young president of the board of aldermen, who is acting as mayor during Mayor Gaynor's illness, had notified the club that he would not permit the fight. Although four preliminaries were held unopposed, the orders from the acting mayor were so strict that the main contest was abandoned.

The big crowd was good natured. Announcement had previously been made that all money paid for seats would be refunded. Spectators had come from Philadelphia, Boston and Baltimore to see the bout.

High Melrose, the Australian promoter, said that in all probability Lang and Kaufman would be matched to fight six rounds at the American League park in Philadelphia two weeks hence.

STOCK ADVANCE ON LOCAL 'CHANGE

SALT LAKE, Aug. 16.—Apparently there is more behind the steady improvement in stocks than a manipulation. For more than a week there has been a steady accumulation of stocks by outsiders, and buying orders have been more plentiful than at any time in months.

Eastern conditions have also been favorable in spite of what Wall street has had to say. Cedar Talisman stock at 10 1/2 cents and there was no sold out when a bid of 11 cents was made on the open board. Loose stock is very readily taken up in nearly all securities.

Colorado was again up to 43 cents. Columbus Consolidated was not as active as usual this morning although it was at 88 cents. Iron Blossom was also quiet around 79 and 78 cents.

South Columbus Consolidated was the active security on the exchange today. It is reported that a good strike has been made at the property and this has caused a number of buying orders to come in. The stock opened at 10 1/2 cents and reached 14 1/4 cents before the close. Quite a bunch of stock was disposed of.

The total number of shares that crossed the rail this morning was 28,284, while the amount paid out was \$10,758.

On the curb market Pex was hung over the fence and after a large number of small orders were filled, the stock refused to move. The stock opened at 40 cents, but refused to move beyond 41 cents. There was heavier trading in the stock than usual. The sales on the curb market this morning were: 500 shares of McDonald Ely at 10 cents; 2,500 shares of Apex Consolidated at 41 cents; 1,700 at 40 1/2 cents and 5,000 at 40.

LIND REFUSES TO DISCUSS POLITICS

PORTLAND, Ore., Aug. 16.—John A. Lind, ex-governor of Minnesota, in an interview tonight gave what is considered by those who know him to be a strong intimation that he is wavering in his decision not to accept the Democratic nomination for governor of Minnesota.

"I must decline to discuss politics," he began.

"But it is reported in Minnesota the Democratic committee insists that you accept," persisted the interviewer.

If you like it for breakfast, you will like it for any meal in combination with vegetables, baked apples, sliced bananas, stewed prunes or other fruits.
