STONE-REDFIELD.

One of the prettiest of the September weddings was solemnized on Thursday evening, when Miss Emma Stone, daughter of Mr. and Mrs. Moroni Stone, was united in marriage to Cleve Redfield, at the pleasant Stone home on Twelfth street.

Following the wedding ceremony a reception and banquet was given, to which many friends were bidden. The parlors and dining room were beautiful in their adornment of fall flowers and foliage and the dining table with its profusion of blossoms, dainty setting, snowy napery and bounteous supply of all the season's delicacies presented a truly pretty picture. Around the banquet board were relatives and friends, old and young who offered toasts. Interspersed with gay repartee, social chat and pleasant reminiscence. Music, vocal and instrumental and a variety of pleasant diversions rounded out the evening, the guests departing at a late hour with hearty congratulations and best wishes to the bride and groom.

Many beautiful gifts were received from their host of friends. Mr. and Mrs. Redfield left for a short wedding trip. They will be at home to their friends in Garfield after October 15.

BIRTHDAY ANNIVERSARY.

A very enjoyable party was given at the home of Mr. and Mrs. William Purdie, 135 Jackson avenue, on Tuesday evening, at which 30 guests enjoyed their hospitality, the occasion being the birthday anniversary of Mr. Purdie. The lawn and house were very prettily decorated and effectively arranged for the comfort and pleasure of the party. Songs by William Purdie and Miss Margaret Saunders, and several instrumental solos by Sam Whitaker were much appreciated. Moroni Olsen also entertained by giving several excellent recitations. A splendid supper was served, toasts to host and hostess, congratulations and various expressions of good will, interspersed with witty speeches and pleasant social chat completed the evening.

Mr. Purdie was the recipient of many appropriate birthday remembrances, together with the best wishes of a host of friends.

The guests present were: Prof and Mrs. Sam F. Whitaker, Mr. and Mrs. Frank Sawyer, Mr. and Mrs. Gerard Klomp, Mr. and Mrs. Robert Moyes, Mrs. Joseph Payne, Mr. William N. Purdie, Sr., Mr. Moroni Olsen, Miss Diana Brown, Miss Leona Purdie, Mr. and Mrs. William Purdie, Mr. and Mrs. H. B. Arnold, Mr. and Mrs. Frank Hales, Mr. and Mrs. E. K. Smith, Mrs. P. Minnoch, Mrs. C. Maxwell, Mr. Thomas Purdie, Mr. Edward Olsen, Miss Anna Olsen, Miss Margaret Sanders.

LAWN PARTY.

Byron and Lyndon Halverson and Ruth Weatherly were the charming hosts and hostess at a lawn party given on the spacious grounds of the Weatherly home last Saturday afternoon. The house and lawn was prettily decorated in pink and white, and eleven little tables with dainty lunch cloths, pretty china, tasteful placing of pink and white flowers and refreshments, carrying out the color scheme, combined in making an unusually attractive scene. The lawn was nicely arranged with seats, chairs, hammocks, swings and every necessary equipment that would add to the pleasure and comfort of the forty-four happy little guests.

Popular games and contests of various kinds were entered into with a zest only enjoyed in merry childhood and an afternoon of unalloyed pleasure was spent, at the close of which tempting refreshments were served and each departed in pleasant anticipation of future bidding to similar events and carrying with them a pretty little souvenir of the occasion.

MAURER-HARCOMB.

Miss Jessie E. Maurer of Ogden and William W. Harcomb of Salt Lake were united in marriage at 8 o'clock Wednesday evening at the beautiful country residence of the bride's uncle, Charles Sipes of Atlantic City, Wyo. Harry Maurer, the bride's brother, was best man, with Miss Esther Maurer as bridesmaid, and little Robert Maurer was ring-bearer. The bride wore a gown of white messaline and carried bride's roses. The parlors were decorated with palms, ferns and cut flowers and the altar was formed of mountain holly and roses.

The words of the minister that joined the twain in bonds of matrimony were preceded by the delightful rendering of the wedding march, "Lohengrin," by Miss Emma Geisler of Atlantic City, Wyo. After the ceremony the guests sat down to an elaborate ten-course dinner, the table being beautifully decorated with roses. The happy couple left Thursday morning for an extended wedding trip.

AT STILWELL COTTAGE.

Saturday last was indeed a "white" letter day for the Historical club, it being the guest of Mrs. O. J. Stilwell at her beautiful summer home in Ogden canyon.

The grandeur of the mountains, the splendid coloring of the foliage, the silvery music of the river and all the dreamy sounds that fill an autumn day were fit settings for a picture that will long linger in the minds of each member who had the good fortune to be present at this, the opening meeting of the club year.

But altering as these things were, they but enhanced the pleasure of the cordial greetings and generous hospitality of the hostess herself, whose bungalow was all aglow with the crimson leaves of the maple— "As if the year stood there, firing the floor with his inverted torch."

After a few remarks by the incoming president, Mrs. Gordon, an excellent original paper on "Commerce and Travel" was read by Miss Erb, chairman of the day. Miss Lulu Mitchell favored the company with several songs, rendered in her usual artistic way. There were a few pleasant little speeches, much talking and laughing and greeting of members and guests, and then, amid great merriment, the large company sat down to an elaborate and truly delicious repast.

Did the ladies of the club who voted down refreshments last year eat? Well, words fail! It was a happy, jolly crowd, who at last bade farewell to the Stilwell cottage and its charming mistress with a vote of thanks in the heart of each for one of the most delightful days of the year.

DANCING PARTY.

The enjoyable event of the season was the dancing party given Tuesday evening at the Heritage by Dr. and Mrs. C. F. Osgood, two hundred guests participating. The reception room, in rich autumnal colors of scarlet and gold, was a scene of rare beauty, the grate fire completing the air of cozy and homelike hospitality. The punch booth in trailing clematis, combined with beautiful linen and cut glass, formed an attractive addition. Pine branches, with the brown burrs adhering in their natural beauty, formed the booth for the orchestra, and the musicians, stimulated by their beautiful surroundings, furnished a most excellent program for the occasion.

The inclement weather only heightened the attractiveness of the scene within, and as the guests departed, each pronounced the affair a most delightful event.

MRS. MIDDLETON ENTERTAINS.

He reports a pleasant ocean trip on his return and enters into his senior year in Columbia medical course with the zest acquired by thorough rest and change of scene. Washington, Sept. 17.—A profit of about nine million dollars accrued to the Italian government last year through the national lottery, under governmental control. The lottery receipts were nearly sixteen and a half millions, half of which the state paid out in expenses and winnings. The lottery business increased more than one-half million dollars over the preceding year, according to a report by Consul General Smith at Genoa.

PRESIDENT NOT TO BE 1912 CANDIDATE

BEVERLY, Mass., Sept. 16.—The publication of a story in certain newspapers purporting to come from Beverly and announcing that President Taft has decided to step aside as a presidential candidate in 1912 to make way for Colonel Theodore Roosevelt brought many inquiries to the summer capital today. It was decided not to dignify the story, which is reported to be without any foundation whatever with a statement.

It can be stated that there has been no change in President Taft's attitude toward a second term since he told a number of friends a few months ago that he would accept a second nomination if his party desired it.

Not Considering His Chances.

The president, it is said, is not considering his chances for a second term one way or the other at this time. From the first he has said that he would devote himself to carrying out as nearly as possible the pledges of the platform on which he was elected. Mr. Taft, it is pointed out, does not know how to play politics, and he has been quoted as saying that he would not do so if he could.

CROMWELL WONT VOTE FOR TEDDY

NEW YORK, Sept. 16.—County politicians from all parts of New York state gathered today at Theodore Roosevelt's editorial offices to tell him where they stand in the fight now on within the Republican party. The colonel talked from morning till night with leaders on both sides, but as he was leaving at the end of the day the only statement he would make was that he had not a word to say.

Some brought back word that the colonel had been informed of dissatisfaction within his own ranks, but none of them was willing to go on record by name. George Cromwell, president of the borough of Richmond and member of the Republican state committee, was the only one who did not hesitate to say where he stood.

"I'm going to vote against Roosevelt," he said. "I have taken that resolution after thinking it over carefully and I hear nothing but condemnation from my people in Staten Island." Mr. Cromwell's stand provoked comment in that he has often spoken of his friendship for Colonel Roosevelt, dating back to their boyhood days, and that his statement was made today directly after a long conference with him.

Roosevelt is to leave at 7:45 o'clock tomorrow morning for Syracuse, where he will speak tomorrow afternoon.

NEW YORK, Sept. 16.—After the New York county Republican committee had unanimously re-elected Lloyd C. Griscom as its president tonight, Abraham Gruber, a district leader who has finally gone on record against Colonel Roosevelt, offered the following resolution:

"Resolved, that the Republican county committee of New York does disapprove as unjust and dangerous to the liberties of the people the utterances of ex-President Roosevelt in respect to the judges of the United States supreme court and the court of appeals."

There is some good in the worst of us, and some bad in the best of us; but we have been at a loss to detect a fault in our high-grade Clothing. We have all the embellishments which go to make up the well-dressed man and boy.

States supreme court and the court of appeals."

With a shout of disapproval the resolution was tabled and the meeting adjourned.

The committeemen cheered Mr. Griscom's declaration that it was the duty of Republicans of New York county to uphold the hand of that great man in the White house, the Hon. Wm. H. Taft. They applauded again when Mr. Griscom asserted that New York county representing practically one-fifth of the whole Republican vote of the state could bring to the state convention a "force which can direct and contribute powerfully to the party in a way which will be helpful for the future."

John Hays Hammond in a speech nominating Mr. Griscom, declared the name of the "old guard" had been associated with the Allds scandal and the Blackhorse cavalry.

BARBERS TO STOP PAYING OF TIPS

Pittsburg, Pa., Sept. 17.—A movement is on foot among the barbers themselves for "tipless barbering" and to elevate their profession to the degree of "D. T." or "Tontoccal doctor." J. C. Shanessy, general organizer of the International Barbers' union, is here promoting the movement. He declares that in nineteen states some sort of examination is already required of barbers, and many are accustomed, like medical men, to send in monthly or quarterly bills. In an address to the local barbers' union, he urged that Pennsylvania adopt such a license and degree plan, and announced that at the national convention of barbers in Indianapolis, September 22, the best law now in existence will be selected as a model in a campaign for a nation-wide uniformity in requirements for admission to the profession.

BIBERS CANNOT BE PUNISHED IN ILLINOIS

Chicago, Sept. 17.—Charges of petty frauds that were expected to materialize in large numbers before the board of election commissioners as a result of alleged repeating and vote-buying at the primaries Thursday did not show life at the commissioners' office yesterday.

The ardor of some investigators was dampened by the discovery that the primary law provides punishment for the voter who sells his vote or accepts a bribe, but at the same time provides immunity for the candidate or politician who buys the vote. "There is nothing we can do in these cases, so far as the bribers are concerned," said George Cannon, chief clerk for the commissioners. "It seems rather strange, but the law seems to be perfectly plain in its expression. It would be practically impossible to find out who the vote sellers were."

SHERIFF REAL HERO AT BULL A FIGHT

LOS ANGELES, Cal., Sept. 16.—Bert E. Rico, a deputy sheriff and member of the Vaquero club, proved the real hero of a bull fight that was not on the program at the Mexican centennial celebration at Schuetzen Park today.

Shots Bull Through Head. Enrique Robles, a Spanish torador, and his matadors were in a bull ring dodging exhibition. The animal became enraged and crashed through the flimsily constructed fifty foot ring and was smashing head down into a crowd, which included many women, when Rico stepped forward and fired a revolver bullet into the head of the furious animal. It dropped in its tracks, six feet away from the densely packed throng of terrified spectators. Rico was given an ovation.

Exhibition Brought to an End. The torador's exhibition was brought to an end and a barbecue and program of Mexican sports continued. There were other bulls on hand, but a humane society officer ruled against a continuance of the sport.

ONE KILLED AND EIGHTEEN INJURED

HOLT, Mo., Sept. 16.—One man was killed and eighteen persons injured when two passenger trains met in a head-on collision on the Chicago, Burlington and Quincy railroad, one mile north of here at 6:30 o'clock tonight.

Misunderstood Orders. The trains which collided were the Chicago, Burlington and Quincy No. 6, which left Kansas City at 5 o'clock, and the Chicago, Rock Island and Pacific, number 201, which left Chicago at 11:30 o'clock last night. The latter train headed in on the Chicago, Burlington and Quincy tracks at Cameron Junction on its way to Kansas City. A misunderstanding of orders by the Chicago, Burlington and Quincy crew is said to have been responsible for the wreck. The trains were to have passed at this station.

RAILROAD PASSES ARE TO BE CUT OFF

Chicago, Sept. 17.—Railroads in the Western Passenger association, comprising the lines between Chicago and the Rock mountains, have adopted recommendation that after January 1, 1911, no complimentary annual passes will be issued to the officers and agents of other railways below the rank of assistant general passenger agent. This will cut off the thousands of general agents, district, division and traveling passenger agents and local representatives of the roads in various cities, accustomed to traveling free. The recommendation is contingent, however, on its adoption by the freight traffic organizations. It is considered impracticable to abolish the issuance of passes to the agents unless the rule is extended to officials below the rank of assistant general passenger agents.
