## CHANGES IN RAILROAD OFFICES

The resignation of Assistant Superintendent H. W. McAbee from the department of dining cars and hotels on the Oregon Short Line has called for a number of changes in the department. C. E. Littlefield, who heretofore has been chief clerk, is to be promoted to assistant to Superintendent F. W. Gentsch, the office of assistant superintendent being abolished. Inspector P. J. Murphy will be promoted to general inspector, and Walter Gentsch, known as platform man, will become inspector. The promotions will take effect on October 1.

## MAY ESTABLISH LOCAL FACTORY

There is a proposition being brought before the business men of Ogden by the Perfection Manufacturing company, manufacturers of cans and holders of the patents covering the Johnson sanitary refrigerating seamless milk can, to bring their factory to Ogden. They will employ between thirty to forty men to start with and expect to do a business close on to half a million dollars per year in the manufacturing of the common can as well as the milk can. Their patent, covering the only seamless milk can ever invented, gives them an absolute monopoly of the only sanitary milk can of the day, and it may prove to be one of the best selling propositions ever offered to the public. If Ogden is able to secure this factory, it will be a most important move. The proposition will be put into the hands of the Weber club inside of the next ten days. The can has been on exhibition at the Four-State Fair, but was entered too late to receive recognition in the prize list.

## MRS. FAULKNER BURIED TUESDAY

The funeral of Mrs. Anna Faulkner, wife of N. G. Faulkner, who died Saturday evening at 7:15 of ptomaine poisoning, was held at the family residence, 2909 Grant avenue, at 2:00 p. m., Tuesday, Rev. J. E. Carver of the First Presbyterian church officiating. The ladies of the Tolstoi and the Lincoln circle, of which deceased was a member, attended in a body. The house was filled with friends who gathered to pay their last tribute of respect to the departed. The beautiful floral pieces which covered the casket and filled the parlors bore mute testimony of her standing in the community. Mrs. Faulkner was well-known in Ogden, having come here in 1892 from

## PRIZE BABIES AT THE FAIR

Forty-eight entries were recorded in the "Baby Show" at the Fair Grounds today and the judges will have a difficult task in their selection of prize winners. They will also have a difficult and delicate job on their hands in squaring themselves with the mothers of tots who are not in the blue ribbon class. All of the babies that have been entered appear worthy of prizes and the "Show" can not help being a success—perhaps a howling success. The classes and prizes are as follows: 1. For the prettiest baby, Gold Medal and \$5.00. 2. Second prettiest baby, Silver Medal and \$3.00. 3. Third prettiest baby, Silver Medal and \$1.00. 4. For the heaviest baby, Gold Medal. 5. For the smallest baby, Gold Medal. The judging of the contestants will take place in front of the grandstand at 3 o'clock this afternoon. The babies will be tagged and their identity lost in numbers as far as the judges are concerned. The officers of the Fair association have been putting in this morning in a search of men brave or reckless enough to act as judges. Believing that bachelors of long standing would be better able to judge the good qualities as well as the defective ones in humanity of the creeping age efforts were made to secure such men to award the prizes. The entry list shows that thirty-four mothers consider that they have the prettiest babies in the intermountain country while only four enter their progeny in the "smallest" class. Ten mothers enter babies in the "heaviest" class. Following is the list of entries: "Prettiest" Class. Mrs. Elvira Hansen, Five Points. Mrs. J. T. Gould, 2227 Read Avenue. Mrs. Pearl Sanders, 2917 Adams. Mrs. William Muller, 2552 Washington. Mrs. J. G. Larrison, 467 Rose Court. Mrs. James M. Letherolt, 2559 Monroe. Mrs. David Nelson, 2166 Royal Avenue. Mrs. A. G. ## INSURGENCY IN WEBER COUNTY

Strong Resolutions, Rejected by State Republicans, Are Introduced in Weber County Convention and Stir Up a Meeting Which Gave Promise of Being Dull—Debate is Vigorous.

At 11:20 o'clock this morning the Republicans of Weber county met in the county court house in convention with nearly every delegation fully represented. County Chairman Oscar B. Madison of the county Republican organization called the convention to order and announced the following temporary officers: Samuel G. Dye, Ogden, chairman. Lyman Skeen, Plain City, and Mrs. Jennie Nelson, Ogden, vice chairman. John Walker, Ogden, secretary. Miss Anna Brown, Ogden, John Hooper, Hooper, assistant secretaries. Thomas Lundy, Ogden, sergeant-at-arms. David McKay, chaplain. In assuming the duties of temporary chairman, Mr. Dye called the chaplain to offer an invocation, President C. F. Middleton being called on to perform that duty, because of the absence of the chaplain, Bishop David McKay. Chairman Dye addressed the convention on the principles of Republicanism, calling his hearers' attention to the glorious achievements of the Republican party, and predicting that the achievement will be as great in the future. Mr. Dye stated that the Republican party always had solved the great governmental questions of the nation correctly and that it is certain that it will not fall in the future. He referred to the money question, stating that McKinley handled the silver contentions by the inauguration of a gold standard and that Roosevelt made a satisfactory adjustment of the panic of 1907 by having circulated bank notes as a form of legal tender. The chairman stated to the convention that he anticipated that every one in the convention would be given the opportunity of expressing his will freely and that the vote of each delegate would be untrammelled. He believed in equal rights to all and special privileges to none. He also stated that the ticket to be named by the Republicans today would be the ticket, elected on election day, by a large majority, and he hoped the very best men would be selected to fill the places. Committees Named. On motion of Judge James A. Howell, the county was divided into nine districts, for the purpose of selecting committees on credentials, organization and order of business and platform and resolutions, and the committees were named as follows: Credentials—Ogden, First ward, Harold Packer, 2nd ward, Frank Smythe, 3rd ward, Edwin Dix, 4th ward, J. S. Carver, 5th ward, John Wilcox, Huntsville, Eden and Liberty, W. R. Holmes, Birch Creek, Roy, Uintah, Hooper, Riverdale and Kaneshville, Arthur Fowers, West Weber, Warren, Plain City, Wilson, Slaterville, Lyman Skeen, Farr West, Randall, Pleasant View, North Ogden, Harrisville and Marriott, H. W. Marriott. Order of business—Ogden, 1st ward, Alice Collins; 2nd ward, W. B. Van Dyke; 3rd ward, David Jensen; 4th ward, J. V. Bluth; 5th ward, R. A. Moyes; Huntsville, Eden and Liberty, W. G. Smith; Birch Creek, Roy, Uintah, Hooper, Riverdale and Kaneshville, John Childs; West Weber, Warren, Plain City, Wilson, Slaterville, H. H. Peterson, Farr West, Randall, Pleasant View, North Ogden, Harrisville and Marriott, Frank Moore. Platform—Ogden, 1st ward, Leon Browning; 2nd ward, William Howell; 3rd ward, John Barker; 4th ward, J. H. Devine; 5th ward, E. T. Hulaniski; Huntsville, Eden and Liberty, D. C. Walker, Birch Creek, Roy, Uintah, Hooper, Riverdale and Kaneshville, A. C. WALKER, J. L. ROBINSON, JAMES JENSEN. Signs of Insurgency. In an adjourned session of the platform committee, a plank was adopted which provides for the enactment into law by the legislature a provision for the commission form of government in cities of the first and second classes. Judge Bagley appeared before the committee with written declarations that the Republicans of Weber county favor in their platform a law regulating the terms of common carriers in the state by asking for a law providing for a public utilities and railway commission and also a law prohibiting the use of vehicles in drawing voters to the polls on election day and for the curtailment of campaign expenses on the part of candidates for office. Bagley was turned down by the committee and he carried the contention to the floor of the convention hall. Mr. Bagley made an earnest appeal to the delegates in the convention to stand by him in his advocacy of these reform principles. His speech was the beginning of the storm of insurgency in the ranks of the Weber county Republicans and the storm moved rapidly in the convention hall, the speaker receiving hearty applause in his enunciation of the reform movement. The speaker stated that he considered that the time had come when the party must purge itself of the evil that is in it and open up a new plan of operation in the management of campaigns and in the conducting of primaries and conventions. He said it was a shame that candidates were compelled to go to the expense of hauling to the polls people who, in many instances, lived only a few blocks away. It created wrong ideals in the minds of the people and stepped aside from the real patriotism that should impel voters to come to the

## JAPAN HAS KOREA HUMBLING AT LAST

Seoul, Sept. 14, via Victoria, B. C. Sept. 29.—Considering the magnitude of the territory and population annexed to Japan when Korea was taken into the territory of the empire of Japan, there has been very little evidence of discontent. Ping Yang, an important missionary center, has shown some disquiet, but not more than a couple of hundred people have been concerned. Viscount Tomouchi, the new governor, has policed and garrisoned the whole country, and the slightest sign of disquiet or disorder brings troops to the spot at almost a moment's notice. In Seoul some of the students adopted an irreconcilable attitude, an arrests quickly followed. Several students cut the little finger from their left hands and drove an incendiary document in blood, threatening assassination.

## SEN. HOLSTLAW CROSSED EXAMINED

Chicago, Sept. 29.—When the Lorimer investigating committee convened today, State Senator D. W. Holstlaw was recalled to the witness stand for further examination. The testimony touched on the experiences of the witness before the grand jury of Sangamon county, where he was charged with complicity in bribery in connection with the purchase of furniture for the state house at Springfield. Holstlaw admitted that the grand jury indicted him on a charge of perjury growing out of his testimony concerning the furniture purchase. He was indicted on May 23, 1910, he said, and made his confession the following day, after which the indictment against him was quashed. The quashing of the indictment, Mr. Holstlaw declared, was pursuant to a promise made that it would be his reward for testifying truthfully to what he knew about the vote for Mr. Lorimer. The state senator said his confession signed at Springfield was true and that he had made it as a matter of duty.

## HAD SCRATCHED FOR 28 YEARS

"If I had known of the Cuticura Remedies fifty years ago it would have saved me two hundred dollars and an immense amount of suffering. My disease (psoriasis) commenced on my head in a spot not larger than a cent. It spread rapidly over my body and got under my nails. The scales would drop off of me all the time and my suffering was endless and without relief. A thousand dollars would not tempt me to have this disease over again. I am a poor man but feel rich to be free of what the doctors called leprosy, and I took Cuticura and was cured. If you had been there and said you would have cured me for two hundred dollars, you would have had the money. I was covered with the scales, but by using Cuticura I was soon as clear as any person ever was. This was over twenty-two years ago and for a long time, through force of habit, I used to rub my arms over my arms and legs to scratch, but to no purpose—I was well. I had to go to a kind of second nature to me. Dennis Downing, Waterbury, Vt., November 27, 1909." Cuticura is the most economical treatment for all kinds of skin and scalp. A case of Cuticura Soap and a box of Cuticura Ointment are often sufficient to cure psoriasis, etc. I took Cuticura & Chem. Corp., Sole Props., Boston. \*Wanted Free 32-page Cuticura book. ## OUTBREAK IN CHINA

Repetition of the Boxer Uprising Is Feared by Foreigners  
Washington, Sept. 29.—Advices have been received from American officials in the Orient that the local situation in China is alarming and an outbreak similar to the Boxer rebellion of several years ago would not surprise close observers of the recent trend of events. Diplomatic officials in China have been instructed to maintain a close watch on internal conditions and submit quick, telegraphic reports as occasion warrants. The advices thus far received indicate that the unrest in China is so great that only a leader is needed to put the spark of life into the open rebellion.
