120 Broadway, New York, N. Y. The annual meeting of the stockholders of the Union Pacific Railroad company will be held at its office at Salt Lake City, Utah, on Tuesday, October 10, 1911, at 12 o'clock noon, for the purpose of electing fifteen directors of the company, and of transacting such other business as may legally come before the meeting.

# SETTLERS AND TIMBER MEN ENGAGE IN WAR

UKIAH, Cal., Sept. 21.—Open war is on between settlers on Alder creek, near here, and lumbermen of a company over rights to thousands of acres of the finest redwood timber in the state.

Already settlers have been dispossessed and their cabins burned. They assert that the presence of armed men in the vicinity is due to the lumber interests and declare that eighteen more gun men have been summoned from San Francisco.

Bud Fitch, Byron Bishop and Frank Iverson are among the settlers who were chased from their claims and whose cabins have been burned. They have returned to their claims and are camped out awaiting further attack.

The trouble started over a ruling of the department of the interior that the lumber men cannot protect their script claims unless by affidavit showing that there are settlers on the land and no improvements. Photographers have been employed by some of the settlers to take pictures of their cabins and fences, to be used as evidence in case both are destroyed and the settlers are driven out. One of these declared that men connected with the lumber interests offered him \$50 for his negatives. The settlers have until October 6 to file their counter affidavits, and believe they can hold out until that time.

SAN FRANCISCO, Sept. 21.—Frank Drew, president of the E. F. White Lumber company, said tonight that his company has armed men in the vicinity of Alder Creek, Mendocino county. He said, however, that these men are on the ground for the purpose of protecting what he asserted are the company's rights.

"The great majority of those who are opposing the company's efforts to gain righteous possession of the timber land in question are blackmailers," said Mr. Drew to the Associated Press. "The controversy has been before the federal land office and has been settled so far as the present claimants are concerned. I found that there were four bona fide settlers on the property in question and three of these I bought out. The other was protected. They withdrawing all claim to the land that he is entitled to."

"From all the others who are opposing the company's rights I have received offers to sell. None of them are bona fide settlers; some of them represent real estate men in Oakland and some represent business men of Point Arena."

## FOWLER STARTS EAST TOMORROW

COLFAX, Cal., Sept. 21.—The new tailpiece for Aviator Fowler's machine arrived here tonight and he expects to resume his trans-continental journey Saturday morning, providing a mountain storm should be brewing, does not interfere. Fowler expects to make 306 miles Saturday, landing at Winnemucca.

## ARREST SUSPECT IN MURDER CASE

COLORADO SPRINGS, Sept. 21.—Tony Donatelli, a laborer, 40 years old, was arrested this afternoon in connection with the wholesale murder of the Mayne and Burham families here. It is understood that his arrest followed statements made by Arthur J. Burham, husband of one of the slain women, who was arrested following the discovery of the crime.

Burham, it is said, admitted that when he returned home unexpectedly Sunday he found Donatelli in the house with his wife. He said he had known Donatelli for several years, and when he found him with Mrs. Burham, the latter was being carried by Donatelli. Mrs. Burham had her hand on a barbed wire fence and that he was trying to relieve the pain. About a year ago the police say Donatelli was examined as to his sanity, but was not committed to an asylum.

A clasp which has been found in a fingerprint outlined in blood on the handle of the axe which was used to kill the sextette, A Bertillon expert from Denver has been requested to examine the print.

## PRISON ROAD GANG SEES CONVICT PLAY

DENVER, Sept. 21.—Fifty-six convicts from the state penitentiary among them several life termers, today sat in the gallery of a local theater and watched a play in which the star portrayed a character suggesting his own life to each member of the grim group that leaned in tensed interest over the gallery rail. They saw the make-believe convict in the cell with which they are so tragically familiar, watched him at the work, that is so fearfully real to them, heard his breath when the pardon, for which perhaps more than one of them is hoping, opened the prison gates, and burst into thunders of applause when they saw wealth and honor and happiness come to their hero. The men are members of the

## BURGLARS ROB LOCAL RESIDENCE

One successful robbery and two unsuccessful attempts were the result of a house to house campaign of burglary in the vicinity of Washington and Twenty-second early last evening. At the home of D. F. Seery, 2674 Washington avenue, entrance was gained by cutting a screen from a window and \$13 in cash was stolen.

At the homes of E. C. Baker and Jos. Carlson, both of whom reside near Washington and Twenty-second, the burglar rang the doorbell evidently to ascertain whether or not the people were at home and upon finding that they were, beat a hasty retreat. Mr. Surrie and his wife were attending a show and did not discover the robbery until they returned home.

## ARMY COMPLAINS OF HIGH PRICES

WASHINGTON, Sept. 21.—The unchecked increase in the cost of living has brought forth a murmur from the army. Brigadier General Tasker Bliss, commanding the Department of California, has called the attention of the war department to the fact that the prices of fresh meats continue to grow. For the fiscal year 1912 the prices for these meats, which are purchased by contract, range, he says, approximately 1 cent per pound higher than the contracts made for the same grade of meats during the previous year.

## Wide Movement To Impeach Governor Bleas

COLUMBIA, S. C., Sept. 20.—Leaders of the opposition to Governor Cole Bleas are trying to get evidence against him as a basis for impeachment proceedings, which they propose to begin when the South Carolina legislature convenes in January. The governor will be charged generally with misfeasance and malfeasance in office and there will be specific charges. A resolution is to be introduced, it is said, to impeach him if this is passed the articles of impeachment will be ready to be filed at once, upon which the state senate will try him. His opponents believe that nearly two-thirds of the members of the legislature are inimical to Governor Bleas. Chief Justice Ira B. Jones of the state supreme court has resigned that office to become a candidate for governor against Bleas next year.

## UNION MEN ARE AGAINST NEW PARTY

Chicago, Sept. 22.—Organized labor in Illinois is opposed to the formation of an independent political party. The referendum vote on the question of forming a new labor party submitted by the Illinois Federation of Labor, has been returned and it is overwhelmingly against a new political party.

The result of the vote is said to be pleasing to the trade unionists and the socialists alike, as the former favor the policy of the American Federation of Labor, which is to support good men on either of the old party tickets. The socialists say that their political party is the only genuine workman's party and they are opposed to any new party.

## DURKEE ESTATE AGAIN IN COURT

Kenosha, Wis., Sept. 22.—In an effort to recover property owned by the late Charles Durkee, one of the first United States senators from Wisconsin, said to amount to about \$100,000,000, a bill for the Durkee estate was filed in the county court yesterday. The petitioners are Mrs. Harriet L. Blaisdell, of Champlain, Ill., and Caroline C. Johnson, of Fayette, O., niece of Charles Durkee.

Franklin H. Hegd, an administrator, filed his report closing the estate, in March, 1872. The application for an administrator is made to bring out the facts in regard to the famous claim against the government known as the Durkee claim, in which it was alleged that Durkee deposited with the government in 1865 stocks and bonds of Pacific railways valued at \$20,000,000. The amount of the claim, with accrued interest, grew rapidly, and it is now estimated at \$100,000,000. The claim has been before the United States courts, congress, and through all the claim departments of the national government, but this is the first time that any of the heirs of the former senator have taken any part in formal claims for the money.

In order to finance the necessary litigation in the struggle for the money, shares in the claims were sold throughout Wisconsin and Minnesota, and these are now held by thousands of persons in those states.

Judge George W. Taylor of the county court said he probably would name an administrator.

## MAIL BAG STOLEN FROM BAGGAGE ROOM

STOCKTON, Cal., Sept. 21.—A mail bag was stolen from the baggage room of the Southern Pacific railway last night, taking an untraced part of the city and rifled. The bag was stolen shortly after it had been removed from Overland train No. 10, en route to Ogden from San Francisco.

The value of the bag's contents cannot be estimated for several days.

## UNSUCCESSFUL ATTEMPT TO LOCATE WITNESS

ALBUQUERQUE, N. M., Sept. 21.—Detectives today have been unable to find the slightest trace of D. K. Dieleman, the witness wanted in the McNamara case by the state. It is rumored here that he received \$5,000 from some source and fled. He is believed to be in Chicago, but it is known that he left Tuesday night on a Santa Fe train east.

"You are afraid to go along a country road at night?"

"Every time I hear a hoot owl I imagine it's some new kind of an automobile shriek."—Washington Star.
