MARCH WAS GOOD TONOPAH MONTH

The Tonopah district of Nevada is presenting two powerful arguments for convincing the world of its tremendous mineral resources, one being the frequent reports of new ore bodies, the other being the net results of the big propositions of the district from month to month. The Tonopah Mining and the Tonopah Belmont companies have issued their regular reports covering the month of March the former showing an increase over February, the latter a slight decrease, but both far and away in excess of the dividend requirements.

BUSINESS RECIPROcity

MORE UTAH PATRONAGE MEANS MORE FACTORIES FOR THE STATE OF UTAH.
To Send Money Abroad for Anything That is Raised or Produced at Home is a Suicidal Policy Not Wanted Here.

The biggest event in the history of Utah's industrial and commercial interests will be held from April 1 to 6. It will be known as "Utah Products Week." At that time it is intended to place before the public the products of the state in a manner that will impress the people with the great variety and high standard of local industries, thereby arousing deeper interest and more loyalty for their support.

BASEBALL SCORES.

National League.
New York, April 17.—The New York Nationals outplayed Boston and won. Errors by Spratt resulted in two of the visitors' runs and a homer by Meyers, his sixth consecutive hit of the series, accounts for another. A diving catch and two throws from center which cut off runners, by Campbell, were features. Score: New York..... 4 7 3
Boston..... 2 8 1
Batteries—Conannon and Meek; Schwenk and Ryan.

FORAGE FOR THE FANS.
If Mr. Griffith would pay as much attention teaching his men baseball as he does showing umpires their weaknesses Washington might get a sniff of the leaders' heels.
Medicine Hat has kicked itself into the ring. It will do strenuous things in the Western Canada league this season.
Besides being a great pitcher, a fine fielder, a heavy hitter and a swift baserunner, Jack Coombs has few claims to being rated as a star ball tosser.
Sam Crawford of Detroit, who hit a miserly .378 last year, is using a heavier bat this season in a desire to improve his batting.
The Pittsburg club has released Pitcher Grover to the Hartford, Conn. club, and Pitcher Everett and Outfielder Irvin to Montreal.

BILLY M'CREARY DEAD.

Cincinnati, April 18.—Billy M'Creary, one of the best known sporting men in the country, died at the city hospital here yesterday, following injuries received several months ago when he fell down stairs. At one time he was wealthy, but today he was practically penniless.

REAPING BENEFIT.

From the Experience of Ogden People.
We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of Ogden residents on the following subject will interest and benefit thousands of our readers. Read this statement. No better proof can be had.
James Rennie, 2974 Washington avenue, Ogden, Utah, says: "Since I publicly recommended Doan's Kidney Pills, in 1906, I have had no further need of a kidney remedy. The contents of two boxes of this preparation, procured from Badcock's Pharmacy, effected a permanent cure. For nearly five years I suffered from a constant ache across the small of my back, and through my left side. The kidney secretions were unnatural and irregular in passage and plainly showed that I had kidney complaint. Doan's Kidney Pills went at once to the seat of trouble, restoring my kidneys to a normal condition. I induced one my relatives to use Doan's Kidney Pills and he afterward informed me that they were the best kidney medicine he had ever taken."
For sale at all dealers. Price 50 cents. Foster-McBarn Co., Buffalo, N. Y., sole agents for the United States.
Remember the name—Doan's—and take no other.

PLANS ARE BEING LAID TO ULTIMATELY UNITE ALL THE WORKERS IN THE METAL AND MACHINE INDUSTRY IN NEW YORK IN A METAL WORKERS' INDUSTRIAL UNION.

Plans are being laid to ultimately unite all the workers in the metal and machine industry in New York in a metal workers' industrial union. The suggestion to support home industry should be followed, not merely in theory, but in practice. The advice is good for everybody and should be considered as meaning every article of home make. It is, however, not an idle person in Utah. Loyal support of industries already here will insure the establishment of others so much needed. New concerns can scarcely be expected if old ones are indifferently patronized. The suggestion to support home industry should be followed, not merely in theory, but in practice. The advice is good for everybody and should be considered as meaning every article of home make. It is, however, not an idle person in Utah. Loyal support of industries already here will insure the establishment of others so much needed. New concerns can scarcely be expected if old ones are indifferently patronized. New concerns can scarcely be expected if old ones are indifferently patronized.

UNVEILING MONUMENT TO WOMEN OF THE CONFEDERACY AT COLUMBIA, S. C.
Columbus, S. C.—The monument to the women of the Confederacy just unveiled with appropriate ceremonies here is the work of F. W. Ruckstuhl of New York. The monument stands in a beautiful location, and it fittingly commemorates the services that the women of South Carolina rendered to the lost cause.

LAS VEGAS THE PLACE

Johnson-Flynn Bout to Take Place in the New Mexican Town

Duluth, Minn., April 18.—Jim Flynn told here last night that the New Mexico legislature had legalized the Johnson-Flynn fight and that it would be held at Las Vegas.
"I'm glad it's going to be in Las Vegas," he said. "I always favored that city because I am wise to that climate and think I'll be at my best there. I will stay in Chicago only a few days, leaving there for two weeks at Hot Springs. After that I will go straight to New Mexico, where I will be in training by May 10. Flynn left tonight for Chicago."

WOLGAST AND RITCHIE MATCHED.

San Francisco, April 18.—Ad Wolgast and Willie Ritchie were matched last night for a four-round fight in this city on the afternoon of May 11. Promoter James Coffroth is the matchmaker.
The fight will be in the nature of a workout for Wolgast as a preliminary to his twenty-round fight against Joe Rivers, in Los Angeles, July 4. Ritchie is a local boy who has come to the front within a year or so. When illness prevented Wolgast from meeting Freddy Welsh in Los Angeles, Thanksgiving day, 1911, Ritchie entered the ring and lost a close decision to Welsh.

REAGAN AND JOHNS BOX HERE IN MAY

Salt Lake, April 18.—Willard Bean last night closed up a match between Jimmy Reagan and Tully Johns to box ten rounds in the Colonial theater during the last week in May. The bout was originally scheduled for the last week in April, but Bean learned that other athletic contests would be staged during the same week, so he wired Johns and Reagan to postpone their mixup until later. They readily agreed. Last night both wired Bean they would be here without fail.

COSTELLO KNOCKED OUT.

Bartlesville, Okla., April 18.—With a terrific blow to the stomach, Clarence "Wildcat" Ferns of Kansas City, claimant of the welterweight championship, knocked out Eddie Costello of Brooklyn, N. Y., in the fourth round of a scheduled 12-round bout here last night. It was the first time Costello ever had been knocked out.

LEACH CROSS HAD THE BETTER.

New York, April 18.—Leach Cross of New York had the better of eight of the ten rounds in his bout with Tommy Murphy of this city here last night. Both men weighed in under 135 pounds.

OGDEN TOO MUCH FOR HELENA

John McCloskey's Union League team defeated "Bluh" Irb's Helena squad in Provo yesterday, 3 to 5, but there was great dissatisfaction with the umpiring of Baker and Stone.
In the eighth inning Ogden added four runs and the game was called on account of darkness. Many disputes took place between the players on account of the close decisions. Manager Irb and his entire team felt that the umpiring was responsible for the loss of the game. Wood of Helena and Stevens of Ogden both made home runs. The score:
Ogden..... 000 024 024—8
Helena..... 100 210 00—5
Batteries—Wells, Jensen and Alexander; Byrd and Brogan.

COAST LEAGUE.

At Portland..... R. H. E.
San Francisco..... 8 12 4
Portland..... 5 13 3
Batteries—Baker and Schmidt; Temple, Koester and Howley.

NORTHWESTERN LEAGUE.

At Vancouver..... R. H. E.
Vancouver..... 6 10 0

AD WILL BET ON HIMSELF

Agrees to Stop Any Four Men Rivers Has Met in 20 Rounds

Eastern fight fans recently were amused by a little parley over the wires between Lightweight Champion Ad Wolgast and Tom McCarey, manager of the Pacific Athletic club of Los Angeles. McCarey offered Wolgast \$12,500 as a purse to meet Joe Rivers, the Mexican lightweight. Wolgast wired back, "Quit your joking." A sarcastic reply by Manager McCarey has nettled the champion and he now makes the following remarkable proposition:
"What title would I be defending boxing Rivers at 135?
"Who is Rivers that he demands that the lightweight champion come under the legitimate weight limit, and why should I box him, winner take all, when my end would be three times as large as his?
"Why doesn't Rivers say he will box Wolgast at 128 rinds and bet him as high as he cares to go like a game fighter would?
"I'll box at any weight and bet any part of \$75,000 that I beat Rivers.
"When I say any weight I mean any weight Rivers names. Only he must post \$5,000, so I won't be the fall guy for all his cheap advertising.
"If Rivers thinks Ad Wolgast is afraid of him and can't see the terms I have made him, to show him up, I will bet any part of \$50,000 that I can stop the four best men he ever boxed."

Mayer Honorbilt Shoes appeal to men and women who seek the most approved styles and at the same time demand the utmost in wearing quality. The reason Mayer Honorbilt Shoes satisfy particular people is because they are stylish in appearance, and are made in the most thorough, workmanlike manner—of the finest material obtainable.

For Men, Women and Children
