Col. Roosevelt Wins Sweeping Victory in Ohio Primaries

Secures Thirty-two of the Forty-two District Delegates to Republican National Convention in the Conflict in Ohio.

LATER RETURNS MAY INCREASE LEAD

Plurality Approximately Twenty Thousand Over President Taft in Popularity Contest, Carrying All but Three Districts.

Columbus, Ohio, May 22.—Nearly complete returns from yesterday's Ohio presidential primary at noon today indicate that Colonel Roosevelt won 32 of 42 delegates to the Republican national convention selected in 21 congressional districts and that President Taft was given ten district delegates or slightly less than a third of the total number.

On the Democratic ticket Governor Harmon is believed to have won by a wider percentage than did Colonel Roosevelt, being credited with 35 district delegates, as against 7 for Governor Woodrow Wilson of New Jersey.

Although President Taft secured but 10 out of the 42 delegates, the Taft-Roosevelt fight is not finished, but will be carried into the state Republican convention which, on June 3, will select six delegates-at-large to the national convention.

Of a total of less than one thousand delegates to the state convention, a large portion of whom were named yesterday to sit in the state convention, nearly complete returns indicate that President Taft has nearly a sufficient number to control. This may give President Taft's managers the six delegates-at-large to be named by the state convention. This would make the president's total 15, just one-third of the Ohio delegation, which will attend the Chicago convention.

Governor Harmon, on the Democratic ticket, unlike Colonel Roosevelt, will not be forced to make a further fight for delegates-at-large. The call specifies that the winner of the presidential preference primary shall name his own delegates-at-large.

It will be impossible before night to get an accurate list of totals in the various districts on the Democratic presidential preference, but it is clear that Governor Harmon has won over Wilson by a large plurality.

Amplified returns in the Republican contest show that Senator La Follette polled a heavy vote in several counties, and it is possible that final results will show that he ran second to Colonel Roosevelt in a number of counties. The Taft managers declared that this occurred only in Democratic counties, where Democrats voted the Republican ticket.

Mr. Bryan and Senator Clark, although their names were not on the ballot, got a small fraction of the total vote cast, but it seems doubtful if the combined Bryan-Clark vote had any considerable result on the outcome of the Harmon-Wilson fight.

Columbus, O., May 22.—Returns early today show that ex-President Roosevelt has secured at least 32 out of 42 district delegates to the Republican national convention in the primary election yesterday.

On the Democratic side Governor Harmon has at least 28 out of the 42 district delegates, while Governor Wilson of New Jersey has about 10. Hamilton has a large lead in the presidential preference vote.

A sweeping victory for Roosevelt for Republican choice for the presidency and for Governor Harmon for the Democratic choice was the result of the primary. One of Ohio's "favorite sons," President Taft, lost in the contest.

With the probability that there may be an increase as later returns come in, it is estimated that Colonel Roosevelt has a plurality of approximately 20,000 over President Taft in the popularity contest, as expressed through the selection of the delegates to the national convention. Taft so far has carried but three entire districts. There is a division in two.

In Ohio's first presidential preference primary conducted by the Democrats, Harmon is far in the lead of Governor Woodrow Wilson of New Jersey. Despite the fact that their names were not printed on the ticket, William J. Bryan and Champ Clark received scattering votes.

Twenty-first, He will also have one delegate from the Third and Fifteenth. The Seventeenth district vote is close and, while Colonel Roosevelt apparently is in the lead the result may change with the votes yet to be tabulated.

Carries 45 Counties. Complete returns from 59 out of 88 counties of the state show that Roosevelt carried 45 of them and Taft 11. Of the 59 Governor Harmon carried the same number as Roosevelt and in the fourteen counties carried by Wilson, Taft, on the Republican ticket, failed to get one of them.

The rural vote throughout the state was light, as the farmers who have been retarded by the weather preferred to put in their crops to going to the polls.

Senator La Follette secured his heaviest vote in the Twenty-first district, where he polled 4,163 votes. In Fuller county La Follette secured more votes than Taft.

Of the fourteen counties which have so far reported, 58 carried by Roosevelt, while 18 were carried by Democratic strongholds, where the Republican vote was very light.

The exact vote in the Democratic preferential contest is not known, but reports from 735 precincts out of 5,192 in the state indicate that Harmon has received 17,673 votes to Wilson's 10,779 in these precincts, while Clark received 179 and Bryan 155. Adams county, where more than 1,500 voters were disfranchised a year ago for selling their votes, gave Colonel Roosevelt a majority of nearly 200.

President Taft carried his home districts, the First and Second. Governor Harmon, who lives in the same city with the president, Cincinnati, carried the Second district, but the first is still in doubt.

The returns show that Governor Wilson carried the Third, Seventeenth, Twentieth and Twenty-first districts. Congressmen Renominated. In the congressional contests in the state Ohio state-wide primary election yesterday returns show that at least four of the five Ohio Republicans in congress have been renominated and that out of 18 districts heard from early today 14 Democratic members of the national house of representatives are candidates for re-election.

There are three Republican nominees who have "come back." They are Albert Deans of the Eleventh district, who defeated General Charles Grosvenor several years ago, and who later failed to hold his seat; James Joyce of the Fifteenth district, who was defeated two years ago, and D. A. Hollingsworth of the Sixteenth, former attorney general of Ohio, who was defeated two years ago.

Hamilton was named as a Roosevelt delegate to congress in the First district. Roosevelt Delegates. In the Third district C. W. Folkert was elected as a Roosevelt delegate and D. W. Allaman as a Taft delegate. In the Fifteenth district, D. L. Melick was named as a Roosevelt delegate and Frank Ransbottom the Taft delegate.

Other districts show the following Roosevelt delegates: Fourth district—Carl D. Jones and J. C. Pense. Fifth—Allen Bybee and Frank Carlow.

Sixth—R. J. Shawan and W. H. Baum. Eighth—W. L. McLaanahan and Lewis Slack. Ninth—George E. Hardy and C. D. Finch.

Tenth—P. M. Steich and Sherman A. E. Erskine. Eleventh—Henry Zenner and James G. Thompson. Twelfth—Karl T. Webber and King G. Thompson.

Fourteenth—A. L. Caarford and H. G. Hammond. Sixteenth—Cook Danford and E. E. Erskine. Seventeenth—E. S. Souers and A. S. Mitchell.

Eighteenth—H. A. March and Emil Anderson. Nineteenth—Edwin Seedhouse and W. J. Beckley. Twentieth—J. H. Speedy and A. J. Aiyard.

Twenty-first—J. W. Conger and J. J. Sullivan. Taft Delegates. The Taft delegates, according to returns received early today, are: First district—Julius Fleischmann and Samuel Moyer.

Second—George T. Schott and B. J. Hillenbrand. Third—John L. Bushnell and L. E. Evans. Thirtieth—T. J. Maxwell and Carl Sogler. Harmon Delegates. Following is a list of the Harmon delegates:

THREE BOYS "VIGILANTE" DIE IN RIVER ON STAND

Were Playing on Raft Which Drifted From Shore.

Troutdale, Ore., May 22.—Francis Beales, aged fourteen, John Beales, aged twelve, and Henry Williams, who tried to rescue them, were drowned in the Sandy river near here today. The lads had been playing on a raft which drifted away from the shore. None of the bodies were recovered.

TROOPERS MARK LINE

U. S. Riflemen Prevent Mexicans Crossing the Border

Fabens, Texas, May 22.—The international border line, during the prospective battle of Guadalupe, was plainly marked by a cordon of olive drab troopers, each carrying a rifle. The confusion over the position of the imaginary line nearly caused an international episode yesterday. To prevent contending Mexican troops from using American territory in the battle, Col. E. Z. Steever of the Fourth U. S. cavalry today ordered two troops of cavalry to follow along the boundary line several miles to the east parallel to any fighting that may occur.

The evacuation of Guadalupe by the federals is a ruse that was expected to culminate in a fight during the day. The withdrawal of the federals under Major Sanchez southward toward the hills allowed the rebels to enter the town, and the insurgents will find themselves hemmed in on the east by 200 men under Col. Jose de La Cruz Sanchez, who came up early today from Ojinaga and is expected to attack first. The plan has been to have the federals who went a few miles south, move in between Guadalupe and Juarez, cutting off retreat to the west or south, while the American boundary line cuts off any northward march.

Must Not Fire Over Line. Washington, May 22.—Colonel E. Z. Steever was today instructed by the war department to inform the commander of the military forces in Juarez that he must not permit any firing whatever into American territory.

Rebels Driven Back. Mexico City, May 22.—The result of the skirmish yesterday near Asunsolo between General Huerta's federal advance guard, including cavalry, and the advance guard of General Orozco's was that the federals drove the rebels from the dam which afforded the only water supply, according to dispatches received here from Escalon today.

The federal troops found 15 dead on the field where the federal artillery fired on the retreating rebels near Escalon yesterday and recovered some important documents.

The rebels occupy the same position today as they did two months ago between Asunsolo and Rellano. The federal troops are bringing 160 prisoners of war with them and utilizing them in repairing the railroads.

MAY SEND WARSHIP

Washington, May 22.—The serious negro situation in Cuba has caused the war department to consider sending a warship to the eastern end of the island, in addition to the small naval force now there, embodied in the little gunboat Pabucab, and the survey boat Eagle. The Nashville is now far distant at Santa Domingo City, and the collier Montgomery is at Pensacola, Fla., within two days of Guantanamo, which appears to be the center of the insurrection movement.

It is also possible that the naval station at Guantanamo will receive a considerable addition to its garrison of marines, who may be drawn from the Panama canal zone for the time being.

The strengthening of the American naval force in this way would not necessarily indicate a purpose on the part of the administration again to intervene in Cuba, but it is believed to have a salutary effect on the insurgents and make them hesitate to begin reckless destruction of foreign property.

ARNOLD TO BE MAYOR

Citizens' Candidate Is Elected by Big Lead in Denver.

Denver, May 22.—Additional returns from yesterday's municipal election received up to 10 o'clock this morning increased the plurality of Henry J. Arnold, citizens' candidate for mayor, over John B. Hunter, Democrat, to 29,000 and assured the election of the entire citizens' ticket. It was the most sweeping victory ever recorded in a municipal election here.

Referring to yesterday's victory Ben B. Lindsey, re-elected juvenile judge, today said: "This victory is the culmination of twenty years' fight. The pillars and foundations have been exposed and repudiated as they have been in San Francisco, Pittsburg, Minneapolis and other cities.

"It was a great uprising of an indignant people."

Wright, however, promised to produce several "witnesses" in behalf of Porter, if they were needed in the court proceedings.

Interest grew today in the expected arrival here, in response to Governor Johnson's order or one of his assistants. Plans were made for fully 1,000 citizens, each wearing an American flag, to greet the official upon the arrival of his train. Dispatches from the north telling of the illness of Attorney General Webb, however, caused a cessation in the arrangements for his reception until it should be definitely announced when he would reach San Diego.

PROTEST IS SENT FORTH

National "Free Speech" League Issues Letter to Governor.

New York, May 22.—The National Free Speech league, through its president, Leonard Abbott, sent messages yesterday to the governor of California and to the mayor and chief of police of San Diego, protesting against the treatment accorded Dr. Reitman. This is the message to the governor: "We protest against the inhuman and illegal conduct of the authorities, citizens and businessmen of San Diego in their murderous assaults on Dr. Reitman and many Industrial Workers of the World, and we demand summary punishment of all guilty officials and citizens calling themselves vigilantes. We shall assist the Industrial Workers of the World to maintain their constitutional right to 'free speech.'"

This message was sent to the mayor and chief of police of San Diego: "You are under suspicion of complicity in the outrages against humanity and law perpetrated on Dr. Reitman and many Industrial Workers of the World and in the unconstitutional suppression of free speech in San Diego. It is up to you to free yourselves of responsibility in this most important matter by proceeding vigorously against the murderous vigilantes of your city."

President Abbott explained that the free speech league is planning a campaign in behalf of free speech in San Diego.

DOUBLE-TRACKING MAY BE TOO LATE

New York, May 22.—Julius Kruttschnitt, vice president and director of the Harriman lines, says traffic this month is running slightly ahead of last year. The Harriman lines' program for new work for 1912 has not been made public.

Mr. Kruttschnitt said it is doubtful whether the double tracking of the Harriman main line from Omaha to San Francisco will be completed before the opening of the Panama exposition.

"The expenditure of millions of dollars on new railroad work must, to some degree," he said, "be governed by circumstances which affect the earnings of the properties."

The most important piece of construction work already authorized is the double tracking over the Sierras from Colfax. The equipment orders of the Harriman lines for 1912-13 total \$14,000,000. They include 175 locomotives, 126 passenger cars, 92,919 freight cars and 46,752 tons of rails.

PRECONCERTED? "When a man deliberately sells his vote for money and is found out," thundered the campaign orator, "how can he ever hold up his head again in the community?"

"Let him wear Chokum's Neverbrand shirt collars!" yelled a natty, well-dressed, business-like young man in the back part of the crowded hall. Chicago Tribune.

PRESIDENT IS SILENT

But His Manager Says He Will Not Quit the Fight

Washington, May 22.—President Taft, returning from his campaign tour in Ohio, reached Washington at 8:50 a. m. today. He plunged into a busy day at the White House offices and has planned to leave Thursday for New Jersey to travel through that state campaigning for delegates to be elected at the primaries next Tuesday.

The president had no statement to make this morning concerning the result of the Ohio primaries. He has made known to his friends that he is still in the fight and believes that he will have enough delegates to obtain the nomination at Chicago.

Mr. Taft today arranged to extend his trip to New Jersey so that he will be campaigning in that state until an hour before the polls open at 1 o'clock next Tuesday. On the original schedule he would have finished Monday night.

The extension was said to be an indication that he had determined to fight Col. Roosevelt to the bitter end. Although no official approval was given to the report, it was persistently rumored that Mr. Taft would make every effort now to prevent Mr. Roosevelt from getting the nomination.

Mr. Taft's first definite information about Ohio was received on his private car at Baltimore just before he reached Washington. Members of his party say he slept well and that the headlines in the morning newspapers did not prevent his enjoying a hearty breakfast. Reaching Washington, he strolled down the platform and through the concourse at the Union station to the White House automobile, with a smile on his face.

Plans for the trip to New Jersey, although not complete, show that the president will visit every one of the twelve congressional districts and practically every county in the state. He will open the campaign at Camden tomorrow night. The trip will end at Glasboro Tuesday noon. For one whole day, according to the president's plans, he will motor to small New Jersey towns within easy automobile distance from New York. He will probably spend one night at Trenton, three nights in New York with his brother, Henry W. Taft, and one in Atlantic City.

The president remained in his study in the White House for several hours today. Attorney General Wickersham, Mr. Stimson, the secretary of war, secretary of commerce and labor and Mr. Meyer, secretary of the navy have appointments with him. Senator Crane of Massachusetts was a caller, but he had no comment to make on political developments.

BROTHERS REUNITED

Brought Together by Means of Small Tattoo Mark.

Chicago, May 22.—A small tattoo mark has been the means of a meeting being arranged between Benjamin C. and Trevenen Williams, by the Missing Friend department of the Salvation Army here. Both men now are gray-haired and have not seen each other since they were boys at their home in Penzance, Cornwall, England.

Trevenen, who lives in Butte, Mont., sent a description of his brother, telling of a small tattoo mark on a thumb. About 60 letters were sent out to army headquarters to look out for Benjamin Williams—with a tattoo mark on his thumb.

A. J. McPherson of Vancouver, Wash., answered that he had known a Benjamin Williams who was a business man with a wife and three children at Seattle. Further inquiry showed that this was the right man and that his home now is in Salt Lake City, Utah.

MILITANTS SENTENCED

Suffragette Leaders Are Found Guilty of Conspiracy

London, May 22.—Mrs. Emmeline Pankhurst, the militant suffragette leader, and Mr. and Mrs. Pethick Lawrence, joint editors of "Votes for Women," were all found guilty at the Old Bailey sessions today and each was sentenced to nine months' imprisonment on the charge of conspiracy and inciting to malicious damage to property.

The jury in handing down its verdict of guilty accompanied it with a recommendation that leniency be shown to the prisoners, and Justice Coleridge in determining judgment took this into consideration.

The charge of conspiracy was brought as a sequel to the window-smashing demonstration in London March 12. Mrs. Emmeline Pankhurst was arrested for participating in the damage to property and was sentenced on March 22 to two months' imprisonment, along with a number of other women.

It was while she was serving that term in jail that the charge of conspiracy was brought against her, Mr. and Mrs. Lawrence and Miss Crystalab Pankhurst, the last of whom disappeared.

REPORT IS GIVEN OUT

Presbyterian Colloge Board Issues Annual Paper

Louisville, Ky., May 22.—In its annual report to the general assembly of the Presbyterian church in the United States of America made today the college board answers in the affirmative the question, "Is the Bible thoroughly and heartily taught in our colleges?"

The board says in part: "So far as the colleges co-operating with the board of this assembly are concerned the board is able to give a definite and satisfactory reply. The policy of the board makes it a condition of co-operation with any college that it requires all regular students to take systematic Bible study as a part of the curriculum required for graduation, in accordance with the agreement between the college board and the annual college conference.

The board makes a further condition "that the college has in its faculty only such teachers as can be regarded as exerting a positive Christian influence over the students." Once a year each college president whose college receives aid from the board gives a signed statement to the board that these conditions have been complied with. If in any college there is neglect or indifference to such Bible teaching and Christian influence it arises from a temporary cause, which, under the pressure of the general Christian spirit of our colleges, soon passes away.

It has come to pass that there is no other place today but the Christian college, where a comprehensive knowledge of the Bible as a book is required to be taught as a part of the curriculum required for graduation. The Christian college has a freedom in the matter of Bible study that is denied to state schools. It has the greatest opportunity in American educational life today to give a working knowledge of the Bible to its students. The time has come for the Christian college to take still greater advantage of that freedom and that opportunity.

The board is thankful to report contributions from 5,010 churches, to the amount of \$183,520. From that board, through the board and from individuals directly, the colleges received last year the sum of \$1,342,925.86. For this impressive sum the board most heartily gives, and asks the assembly to give due credit to the untiring and self-denying efforts of our college presidents and to the benevolent friends in and out of the church who so liberally responded to their appeals.

CUBA HAS TROUBLES

Five Thousand Negro Insurgents Up in Arms on Island.

Santiago, Cuba, May 22.—The situation is rapidly growing more serious. It is now estimated that over 5,000 negroes have taken up arms in the province of Oriente alone.

To Surround Insurgents. Havana, May 22.—To assist in the movement to surround the negro insurgents with further reinforcements, consisting of two companies of infantry and two batteries of artillery, entrained here today for the province of Oriente. The government troops already in that district number more than 1,200 men. The negroes, under General Evaristo Estenose and General Iyovetti, are operating at El Cañey, El Cobre and San Luis, in the vicinity of Santiago.

Two American citizens, Floyd Schick and Odie Bryan, have complained to Ross E. Holladay, American consul at Santiago, of being assaulted and robbed by armed negroes while on their way to Siboney.

YOUNGEST AVIATOR IN A HIGH FLIGHT

Chicago, May 22.—Farnum T. Fish, America's youngest licensed aviator, ascended to a height of 3,300 feet in a biplane with his mechanism at Cicero field yesterday. The height was within a few feet of the record held by Claude Graham-White and made at Boston last year.

When the barograph was examined it was found that the ink had run out after 3,300 feet had been reached and there was no way of telling whether the record had been equalled or broken.

CROSS KNOCKS OUT SULLIVAN

New York, May 22.—Leach Cross, the fighting dentist, knocked out Paddy Sullivan, of this city, in the fifth round of a scheduled ten-round bout. The knockout punch was a hard right to the head.

WHITE-WHITNEY MATCH ON.

St. Joseph, Mo., May 22.—Frankie White of Chicago and Frankie Whitney of Cedar Rapids, Ia., lightweights, have been matched for fifteen rounds in St. Joseph the night of May 30.

It was while she was serving that term in jail that the charge of conspiracy was brought against her, Mr. and Mrs. Lawrence and Miss Crystalab Pankhurst, the last of whom disappeared.

The two women in the dock were pathetic figures when the verdict of guilty was brought by the jurors. Mrs. Pankhurst clung to the edge of the prisoners' enclosure, trembling visibly and pleading to be treated as a first-class misdemeanant. Mrs. Lawrence, raising both hands in the attitude of prayer, swayed as she uttered the phrase: "My God, defend us, as our cause is just."
