# Welcome Words To Women

If, you are an intelligent thinking woman, in need of relief from weakness, nervousness, pain and suffering, then it means much to you that there is one tried and true honest square-deal medicine OF KNOWN COMPOSITION, sold by druggists for the cure of woman's ills. The makers of

## Dr. Pierce's Favorite Prescription

for the cure of weak, nervous, run-down, over-worked, debilitated, pain-racked women, knowing this medicine to be made up of ingredients, every one of which has the strongest possible endorsement of the leading and standard authorities of the several schools of practice, are perfectly willing, and in fact, are only too glad to print, as they do, the formula, or list of ingredients, of which it is composed, in plain English, on every bottle-wrapper. Is this not a significant fact worthy of careful consideration?

Women use Dr. Pierce's Favorite Prescription in preference to all other advocated medicines sold by druggists for their peculiar weaknesses and ailments because it is

**THE ONE REMEDY** which contains no alcohol or habit-forming drugs, is not anything like advertised secret compounds or patent medicines.

**THE ONE REMEDY** for women devised by a regularly graduated physician of vast experience in woman's ailments and carefully adapted to her delicate organism.

**THE ONE REMEDY** good enough that its makers are not afraid to print its every ingredient on its outside bottle-wrapper.

It's foolish—often dangerous to be over-persuaded into accepting a secret nostrum in place of this time-proven medicine of KNOWN COMPOSITION. World's Dispensary Medical Association, Buffalo, N. Y.

Utah, 1907, relating to nominations.

Coulter, whose postoffice address is Ogden, Utah, has made application in accordance with the requirements of Chapter 108, Session Laws of Utah, 1905, as amended by the Session Laws of Utah, 1907, to appropriate two (2) cubic feet per second of water, and springs in Weber County, Utah. Said springs are situated at a point which bears north 79 degrees 14 minutes east 1,900 feet distant from the southwest corner of Section 34, Township 6 north, Range 1 west, Salt Lake base and meridian. Said water will be diverted at the point where it issues from said spring, collected and conveyed by means of a channel for a distance of about 3,000 feet and there used from April 1 to November 1, inclusive, of each year, to irrigate 120 acres of land embraced in Section 33, Township 6 north, Range 1 west, Salt Lake base and meridian. As much water as may be necessary will be used during the entire year for domestic purposes. This application is designated in the State Engineer's office as No. 2102.

All protests against the granting of said application, stating the reasons therefor, must be made by affidavit in duplicate and filed in this office within thirty (30) days after the completion of the publication of this notice.

CALEB TANNER, State Engineer.  
Date of first publication, February 27, date of completion of publication March 29, 1909.

**WAITRESS MAY LOSE**  
SIGHT OF RIGHT EYE  
New York, March 22.—Aida Hill, a waitress, may lose the sight of her right eye because she was too hasty in uncorking a bottle of tobacco sauce in a Brooklyn restaurant yesterday. A drop of the burning fluid struck her in the eye and although she was rushed to a hospital, physicians are afraid that the sight is destroyed. The pain was so excruciating that the girl

**S.S.S. RIDS THE SYSTEM OF CATARRH**

Catarrh is a blood disease which causes a general inflammation of the inner linings or mucous membranes of the body. The diseasing of these delicate surfaces and tissues produces all the well known symptoms of the trouble, such as ringing noises in the head and ears, tight, stuffy feeling in the nose, pains above the eyes, irritation of the throat, sometimes slight fever, and a general feeling of weakness and ill health. Even the lungs become affected by the continual passage of impure blood through them, and there is danger of consumption if the disease is allowed to remain in the system. S. S. S. cures Catarrh because it purifies the blood. It goes into the circulation and removes every particle of the catarrhal matter, making this vital fluid pure, rich and healthy. Then the inflamed membranes begin to heal, every symptom disappears, the constitution is built up and health restored. S. S. S. rids the system of catarrh by attacking the trouble at its head and entirely removing the cause from the blood, thus making a permanent and lasting cure. S. S. S. is made entirely from health-giving roots, herbs and barks, and for this reason is an especially safe and desirable medicine. Book on Catarrh and any medical advice free to all who write.
