

UNIVERSITY DRAMATIC CLUB

WILL PRESENT THE "CABINET
MINISTER" AT THE GRAND.

Play Comes Well Staged and With
Nothing Lacking to Insure Complete Success.

The University Dramatic club will be heard tonight at the Grand Opera house in the rendition of the "Cabinet Minister," which will be of considerable merit, it being hardly proper to class the performance with the amateur productions. The cast is made up of students who have won their positions through persistent effort to succeed and they have gained the coveted places in the face of vigorous and persistent competition. This is the thirtieth year of the club and during that time the college activity for dramatic has developed performers that in some localities might well be classed with professionals. Every member of the cast in the performance for tonight has secured positions through competitive tryouts. There were 81 contestants for places, only 15 of whom could be chosen. This makes the play the strongest the State university has ever before presented to the theater lovers. It is said by some of the critics that the members of the cast have really overcome the amateurism that is so frequently seen in school productions and may well be classed with professionals. The play will be embellished with beautiful and complete scenery and gorgeous costumes, all being of the modern type. There will be nothing lacking in costuming and staging the play will be well worth the reception accorded the long line of professionals that have preceded it.

The blind orchestra of the school for the deaf and blind, has been engaged to furnish the music.

LUNCHEON IN HONOR OF BRUNO HOBBS

Yesterday at noon S. J. Griffin gave an informal luncheon at the Reed hotel in honor of Bruno Hobbs, secretary of the Y. M. C. A. of New York city, and other workers. Those who attended the function were Bruno Hobbs, C. F. Dodds, publisher of the Gazette of Colorado Springs, Colo.; Oscar Cox, secretary of the Salt Lake Y. M. C. A.; the Rev. W. C. Beable of Salt Lake; Chief of Police Browning, Professor F. M. Briggs of the state school for the deaf and blind; Professor W. M. McKendrick of the Weber academy;

S. H. Browne, C. F. Middleton, Dr. Mills and others. The affair was purely of an informal nature, the object being to consider briefly the Y. M. C. A. work of the city. Short speeches were made by nearly all who surrounded the banquet table, expressing the thought that definite steps toward furnishing proper quarters and entertainment for the young men should be taken. The idea of building a Y. M. C. A. gymnasium and amusement hall was heartily endorsed.

O. S. L. CONFERENCE SPECIAL train, April 4, 5, 6th, 8:55 a. m., making run to Salt Lake City in fifty minutes. Seven other daily trains. Round trip tickets on sale daily, \$1.10, April 2nd to 6th. Good to return until April 15th.

COMPLAINT FILED IN COURT

BY GUARDIAN OF EZRA WARDLE
AGAINST R. E. HOAG.

Large Sum is Sued for by Plaintiff for
Damages Alleged to Have Been
Caused by Defendant.

"Ezra J. Wardle, an infant, by Thomas D. Brown, guardian, vs. Ralph Hoag," is the title of a damage suit filed in the district court yesterday. The plaintiff is suing for \$10,767 damages, alleged to be due by virtue of property and personal damages sustained by virtue of an accident on the 11th day of June, 1905, while the plaintiff was driving a horse attached to a hay rake on the public highway, near Farr West, immediately northwest of Ogden, the defendant came up from the rear with an automobile and that in the blowing of the whistle of the machine so frightened the animal in the hands of the boy that it became frightened and ran away, upsetting the hay rake and throwing the boy into a wire fence, and dragging him for a long distance, badly lacerating his body and almost killing him. The complaint further alleges that the hay rake was practically demolished, the horse damaged, the harness torn, besides other damage that was done. This was all occasioned, according to the allegations of the complaint, through and by virtue of the negligence of the defendant.

It is also said in the complaint that because of the accident, medical services had to be procured which cost money, something like \$150, that the damage to the horse and harness and hay rake amounted to considerable, and that also the mother of the boy, Mrs. Rebecca Wardle, was deprived of the services of her son for a time, which would amount to a loss to her of about \$600, withal amounting to about \$767.

It is further claimed that the boy has been damaged in the sum of ten thousand dollars because of the serious injuries sustained by him. The plaintiff asks judgment at the hands of the court in the sum of \$10,767.

REMITTITUR FROM STATE SUPREME COURT MADE

A remittitur from the state supreme court was presented to the county clerk of Weber county yesterday advising the court of this judicial district that its decision in the cases of A. I. Stone, administrator for Walter M. Comstock and Benjamin F. Eccles, deceased, against the Union Pacific Railway company, which were heard

before the second district court a few months ago, and judgments rendered against the defendant company for personal damages in the sum of \$2,500 for the first named plaintiff and \$5,000 for the second named defendant, had been reversed and directing the court to hold new trials in the premises.

It will be remembered that on November 11, 1904, a collision occurred on the Union Pacific railroad, near the town of Azusa, Wyo., in which Walter Comstock, an engineer, and Benjamin Eccles, a brakeman, received injuries from which they were alleged to have died. The administrator of the estates of the two men sued the railroad company for personal damages in the interests of the estates and that judgments were rendered as above stated. The ruling of the supreme court makes new trials imperative. The decedents were residents of Ogden, hence the suit were brought in the second district court.

JONES RUNS DOWN BAND OF THIEVES

Special Agent of Short Line Seizes
Confession From Willy Forger.

Special Agent Joe Jones, of the Oregon Short Line, has just returned from a trip to Nevada, where he was successful in running down a forger formerly in the employ of the company at Fallon and Winnemucca, Nevada. The culprit's name is A. S. Hooe and he was charged with forging two claim blanks, one for \$55.75 at Fallon, and another for \$16 at Winnemucca. The forgeries were made last summer, and for a number of months the company was unable to locate the forger. Special Agent Jones took the matter in hand early in February, and by the first of March had located the author of the forgeries and had secured a confession from him.

Hooe proved to be a pretty smooth customer, and led Mr. Jones a merry chase before acknowledging the crime. He was suspected by the railway officials and had been discharged from his employment as agent at Fallon, although he swore he knew nothing of the claim vouchers which were paid at his stations. He was able to surround his guilt with apparent innocence, and in answer to letters from Mr. Jones, Hooe complained that he had been unjustly accused by the company and asked that Mr. Jones be placed on the case so that he might "get justice."

General Superintendent Davis assigned Mr. Jones to the case, and after tracing Hooe to San Francisco, Mr. Jones by clever manipulation secured the return of Hooe to Fallon, Nev. He there confronted him with the results of his investigation, and demanded that he confess. Hooe perceived that Jones "had the goods," and made a complete confession, exonerating an assistant upon whom

suspicion had fallen, and incriminating himself. A warrant was sworn to and Hooe was placed under arrest, and in default of \$2,000 bonds, was lodged in jail to await a hearing on the charge of forgery.

Mr. Jones and his assistant, W. T. Knowels, have been successful of late in landing half a dozen box car thieves in Idaho, and as a result a man by the name of William Albright has been found guilty of burglary in the first degree, for robbing a box car at Shoshone, Idaho, of ten caddies of tobacco; Albright had as his assistant a young man 17 years old, whose home was in Colorado. The young fellow will be released, as he was not the real culprit, but Albright is good for several years in the penitentiary.

An amusing case of box car thieving came to light in the arrest by Mr. Jones at Pocatello of J. B. Howell, and his son Henry Howell, who were seen emerging from a box car at the depot and "shadowed" to a restaurant where the arrest took place. The father wore five undershirts, the son had six of the same sort of underwear adorning his person, while a third party by the name of Williams wore seven similar garments. They all pleaded guilty to being in possession of stolen goods, and will receive their sentences in a day or two.

NATIONAL LIBERALS TO BE AIDED BY CLERICAL PARTY

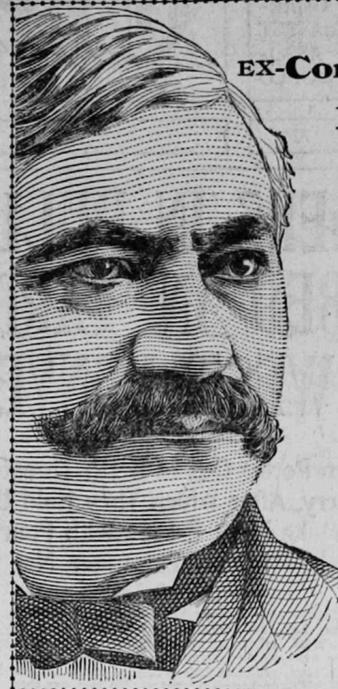

Berlin, March 25.—Prince von Buelow's coalition of the conservative Liberal and Radical parties apparently has reached a fatal crisis over the scheme of financial reform. In the Reichstag yesterday, Herr von Normann, the conservative leader on the floor, informed the leader of the National Liberals, Herr Bassermann, that the conservatives were determined to carry through financial reform without considering where they would get a majority. This evidently means with the assistance of the clerical party, which the government has taboed since the dissolution in 1906.

Herr Bassermann said: "You intend that as giving notice of the termination of the bloc."

Herr von Normann in reply, said: "The bloc can remain for other national purposes." The National Liberals, however, held a caucus later and voted unanimously to regard the conservative communication as serving notice of the termination of the bloc. The caucus also decided to adhere to the liberal program that taxes upon articles of general consumption cannot be accepted without some taxation, aimed especially at the wealthy classes, but the conservative leaders' statement included the complete rejection of such a tax, as well as an estate duty on property of deceased persons.

The conservatives also served similar notice on the radicals. This action caused a great sensation in the lobbies of the reichstag toward the close of the day's session when it became known. This means the abandonment of Chancellor von Buelow by his own party to join the clericals, who latterly have been fiercely attacking the chancellor because he only halfheartedly defended the emperor in the November debate. It is also known that the court

HAD CATARRH THIRTY YEARS.

EX-Congressman

Meekison Gives Praise To Pe-ru-na For His Relief From Catarrh.

EX-CONGRESSMAN MEEKISON COMMENDS PE-RU-NA.

"I have used several bottles of Peruna and I feel greatly benefited thereby from my catarrh of the head. I feel encouraged to believe that if I use it a short time longer I will be fully able to eradicate the disease of thirty years' standing."—David Meekison.

OTHER REMARKABLE CASES.

Mr. Jacob L. Davis, Galena, Stone county, Mo., writes: "I have been in bad health for thirty-seven years, and after taking twelve bottles of your Peruna I am cured." Mr. C. N. Peterson, 182 South Main St., Council Bluffs, Iowa, writes: "I cannot tell you how much good Peruna has done me. Constant confinement in my store began to tell on my health, and I felt that I was gradually breaking down. I tried several remedies, but obtained no permanent relief until I took Peruna. I felt better immediately, and five bottles restored me to complete health."

A SINCERE RECOMMENDATION.

Mr. D. C. Prosser, Bravo, Allegan Co., Mich., writes: "Two years ago I was badly afflicted with catarrh of the stomach. I had had a run of typhoid fever, was very depleted. I could find nothing I could eat without causing distress and sour stomach. Finally I came to the conclusion that I had catarrh of the stomach and seeing Peruna advertised, began to take it. It helped me soon, and after taking three or four bottles I was entirely cured of stomach trouble, and can now eat anything."

clique has been moving heaven and earth for some time past to undermine Prince von Buelow with the emperor.
