Verdict in Favor of Plaintiff—In Judge Howell's court, the jury brought in a verdict of \$25 damages and costs in favor of Mrs. Cora Shier, against Mrs. W. O. Stanley. The suit was to recover \$25 for damages alleged to have been sustained by the plaintiff as the outgrowth of a little difficulty between the two, which took place on a Lagoon train last August. In the lower court damages were awarded the plaintiff to the amount of \$150, but the defendant appealed the case, resulting in the action of the jury yesterday.

MANY CASES OF PLAIN DRUNK

JOHN CHIPP ORDERED LOCKED UP FOR FIFTEEN DAYS.

J. J. Ware Felt That He Had a Right to Get Drunk Without Court Interference.

The police court grind was of brief duration today and consisted mainly of several disconsolate victims of Ogden "booze" with which they had celebrated during the night, much to their own disadvantage as well as those with whom they came in contact. A number of harmless fights occurred during the night, but the participants managed to escape the eyes for the police in nearly every instance. John Chipp and G. L. Moore were two of the unfortunate rioters who failed to effect their getaway before the arrival of the police. They were charged with disturbing the peace and each pleaded guilty. Officer Cooper, who made the arrest, was not present, but Captain Brown informed the court that Chipp was the responsible one of the two, as far as that particular disturbance was concerned. The officer sought to exonerate Moore by stating that the latter was in no way involved in the trouble, but instead had been an innocent spectator. The court stated that inasmuch as Moore had convicted himself of the charge in spite of the officer's defense, he would be obliged to fine him \$5. Chipp was given 15 days in which to sober up, the judge stating that he expected the fellow would be around the next day after his release asking for assistance.

The ceremonious defense of his next neighbor, Ware, promptly pleaded guilty and received the usual fine or five days in jail.

John B. Canham and F. K. Bear forfeited \$5 each, the first named on a charge of disturbing the peace, and the other for drunkenness.

GAME WARDENS NAMED BY FRED W. CHAMBERS

State Fish and Game Commissioner Getting Official Family in Order.

State Fish and Game Commissioner Chambers Wednesday announced the appointment of another batch of county fish and game wardens, as follows: D. W. Evans of Panguitch, for Garfield county. J. C. Christensen of Mount Pleasant, for Sanpete county. L. Mont Fisher, a deputy in the Salt Lake county treasurer's office, who a few days ago was tendered the appointment of warden for the second district, comprising Salt Lake, Tooele, Davis, Weber and Utah counties, with a salary of \$1,000 a year attached, announced Wednesday that he will not take the position, and that Mr. Chambers will have to get some one else. Mr. Chambers said Wednesday that he will announce another appointment Friday.

Mr. Chambers, his chief deputy, Brig Madsen, and Enos A. Jacklin, superintendent of the state fish hatchery at Murray, will go to Provo canyon to inspect the collecting pond Friday. Chief Deputy Madsen while in Sevier county recently obtained from the Central Utah Trout company the use of its hatchery plant, with a capacity of 2,000,000, for the coming season free of charge. The plant will be stocked to its capacity, Mr. Chambers says, adding greatly to the output of the state.

WESTON NOW HEADED FOR OGDEN PEDESTRIAN SUFFERS FROM DRINKING ALKALI WATER. He is Now Between Laramie and Ogden and Aims to Make 58 Miles by Night. Edward Payson Weston, the pedestrian, suffered yesterday and last night from the effects of poor food and too much alkali water and as a consequence did not resume his journey westward from Laramie, Wyo., until about eleven o'clock this morning. Weston walked 38 miles from Granite Canyon, Wyo., Wednesday, arriving at Laramie at 8 p. m., and immediately went to bed. A stomach ache kept the veteran awake most of the night, but when he awoke late this morning he declared he felt much better. He proved it by eating a breakfast consisting largely of butter cakes, thickly spread with butter. Weston hoped to reach Medicine Bow, 59 miles west of Laramie, tonight, but can hardly do it with his late start.
