

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses.

The genuine has on its outside wrapper the Signature

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

AL KAUFMAN HAS A GOOD RECORD

He Has Been Defeated Only Once During His Career in the Ring.

(By Eddie Smith.)

Oakland, Sept. 7.—Five years ago DeWitt Van Court, the then boxing instructor of the Olympic Athletic club of San Francisco, announced that he had discovered another heavy weight champion, who would, in all probability, follow in the footsteps of Jim Corbett, who also came from the Olympic club, to the heavyweight championship of the world.

Van had made that statement before about his fellow, he had under his care and of course this made some of the boys around the club say, "That's what he always says." During the course of events this new-comer was introduced to the public at the Woodward's Pavilion in a four-round contest with Jack Walsh. It took the big boy from the blacksmith shop just about one minute and a half to put Mr. Walsh down for the full count and he did the trick so neatly and with such ease that the crowd went wild over him and immediately predicted championship honors.

Then Kaufman met three other amateur heavyweights and each of them suffered defeat in one round and his reputation as a coming fighter grew with every contest. With nothing more for him in the amateur ranks Kaufman decided to turn professional and take a chance with the best of the big fellows.

Meets First Defeat. The first to chance his hide with Kaufman was Harry Foley. Kaufman was the larger of the two and the favorite to win it was expected that Foley would give him a good try out. A good try out Mr. Foley did not give him, however, for in less than one round Mr. Foley's head hit the canvas covering the ring before his feet did and there was nothing to it but a count by the referee.

Then Billy Delaney, maker of world's champions, was asked to take on the big fellow, but after some hesitancy he did so. Kaufman was matched to meet Jack O'Brien in a 20-round contest at the Woodward's Pavilion. It had been reported out from the eastern cities where O'Brien had been appearing that Jack would be unable to stand a long route with a tough, strong young man and for that reason Kaufman was made a favorite in the betting.

Philadelphia Jack had been to Alaska for six months, however, and while there had been checked in the miners and on things or another and was in the best condition of his career.

For 17 rounds Jack jabbed and cut the game Kaufman but never once did the blacksmith stop coming or trying. In the 17th Kaufman was put down for the first time, but was disgraced, for he had proven in that contest that he was one of the greatest men who ever pulled a glove over his hand.

Has Good Record. From then on Delaney worked with Kaufman and very soon they secured another. Since that time Kaufman has had 13 fights and has won 10 of them by the knockout route. Kaufman's complete record shows that he has had 19 fights, won two by decision, lost one by knockout and won 15 by knockout. This is some record for a young heavyweight in the game only five years.

Yesterday this same Al Kaufman opened training quarters at Millet's and there he will prepare himself for his longed-for chance at the heavyweight championship of the world. Those who have watched Kaufman for the five years he has been in the game and who watched him work yesterday declare that the big fellow is better than ever before and many of his friends came away from the camp feeling that he would be successful in his coming contest.

PITCHER REUBACH'S MARK IS THE BEST OF THIS YEAR He Won Fourteen Games in a Row. But Other Twirlers Have Victories.

When the curtain shall have been finally rung down upon the season of 1909 it will have marked the farewell of a year of baseball which for the multitude of individual feats has no parallel in past years.

Chief among them are the number of strings of consecutive victories of twirlers in both the National and American leagues, while the triple play made by Neal Ball in Cleveland is another remarkable diamond performance of the year.

as an additional tribute to the pitcher who for three of the four complete seasons he has pitched has led the National league twirlers for the season.

This is his fifth season, and with the exception of his first year in fast company he has been the premier slaban ever since. The first year he won 18 games and lost 14.

In 1906 he excelled, with 19 games won and but 4 lost, a percentage of 82.6. In 1907 he again led the field with 17 won and again 4 lost, giving him the percentage of 81.0. In 1908 for the third year in succession, he again led the pitchers with 24 won and 7 lost, a percentage of 77.4.

Ruelbach commenced his remarkable run on Decoration day this year by taking the afternoon game from Cincinnati 3 to 2. A week later he shut out the Phillies, 1 to 0, allowing but 5 hits. Of the 14 games he won his opponents never got more than 3 runs, and 14 runs was the total tallies scored while he was on the mound, an average of one run a game, which in itself is a record.

Has Won Five Shut-Outs. In five games he shut out the opposing side, and five of the occasions he allowed but a single run to the competing team. In his run Ruelbach beat Brooklyn five times and Cincinnati, Pittsburg and the Phillies were his victims twice. St. Louis, Boston and New York, the other teams in the league, bowed before him on one occasion.

George Mullin, the heavy Detroit pitcher, follows Mathewson, 13 straight, in the glory of having achieved a continuous winning run of 11 games. He started his streak with the opening of the season against Chicago, winning by a shut-out and allowing but a single hit. He was worked at short intervals for two weeks, winning six games and allowing but 12 hits in the first four games.

The strain began to tell on him and he was given a rest for two weeks, and then Jennings launched him against the Athletics after a fortnight's rest, and George won his game, 5 to 2. He captured four more, until the Athletics pounced upon him at the home grounds, ending his run.

By reason of his 10 straight victories in the first ten games in which he pitched in the big league, Harry Krause, "Connie" Mack's find, is the pitching sensation of the year. Krause was not sent to the mound to pitch a complete game until May 8. He won his opening game, and the nine following, but his streak was eventually broken by St. Louis, who won in the 11th inning, after Chief Bender had been sent to the mound to relieve Harry, who weakened.

Mortleal Brown, the three-fingered arm, made a run of eight consecutive victories, which is a rare exhibition, as he pitched the better part of the string within a month.

BASEBALL CHICAGO GAINS ON PITTSBURG. Pittsburg, Sept. 6.—Chicago gained sixteen points on Pittsburg today in the race for the National league pennant by winning the afternoon game by a score of 6 to 3.

The visitors took the lead in the first inning when they secured three runs and never headed. Willis was hit freely, being removed in the second inning. Liefeld taking his place, Philippe pitched a strong game. Tinker electrified the immense crowd when he knocked the ball over the left field fence for a home run.

MARRIED WOMEN Mother's Friend advertisement. Text: Every woman covets a shapeful figure, and many of them deplore the loss of their girlish forms after marriage. The bearing of children is often destructive to the mother's shapeliness. All of this can be avoided by the use of Mother's Friend before baby comes, as this liniment prepares the body for the strain upon it, and preserves the symmetry of her form.
