

SHIRTS BY MAKERS

Our Fall Shirt display is the finest shirt spread we have ever had the pleasure of offering our trade.

You'll never wear better shirts, Sir, than we are now showing.

The new shirts are very handsome, while the fit, making and quality of material form a combination of shirt perfection.

Pleated or plain bosoms. Coat style, cuffs attached or separate. Every size and sleeve length that's made.

Every shirt an example of splendid shirt making. Moderate priced shirts or shirt luxury, as you prefer.

There will be no better time than right now for a man to select his Fall shirts.

BREWER GANG IS ON THE RUN

They Ask All Kinds of Questions—Here is a Bunch of Questions Pounded by the Republicans, Which the Breweries Are Requested to Answer.

This morning the Brewer gang took possession of the whole editorial page of the Morning Examiner, yet only a few days ago they were telling around town that "Glasman still runs the Examiner."

The Brewer gang are continually insinuating that Glasman has done something wrong. But if this paper insinuates the same about Brewer, they squirm and holler that Brewer's business is attacked, that his financial standing is attacked.

Did Humphris, chairman of the Brewer committee, offer to throw a Democratic candidate if the Republican candidate would work for Brewer? Speak up. How about it?

How long since he quit, if you say he quit?

How much did Brewer make on the water deal?

How much did Charley Humphris get out of it?

Horace Peery was opposed to buying the waterworks when Glasman was mayor. What changed Horace?

Why did Brewer buy a section of land from the water company, and then pay over \$4,000 for it again to Mr. Gill? What did you say?—A little louder, please.

Why did Brewer stop gambling just before election? Did he make any promises to the gamblers?

Why did Brewer allow open wide open gambling for almost two years and stop it just before he was renominated for office? What?

Why are all the dive keepers for Brewer?

Why are the saloon keepers for Brewer?

Why are all the tin horn gamblers out for Brewer? You will not answer? Why not?

What changed Chas. Humphris on the waterworks? When Mr. Glasman was about to buy the waterworks he said Glasman was a sucker. How much did it take to make Charley a sucker? Eh?

Did Chairman Humphris promise certain people to build the waterworks to them if they would support Brewer? Read the election law and see that such a promise is a penitentiary offense.

Why did the Brewer gang make Charley Smurthwaite chairman of the Brewer convention when Charley already had a party of his own? Did they want to use him?

Is it true that Smurthwaite will be the power behind the throne, if Brewer is elected?

Whose money does Joe Streng represent? Why is he knocking the Republican ticket?

Why are the leading liquor dealers of Ogden against "Bill"?

Come to the Republican meeting at the Weber Stake Academy big hall tonight at 8 o'clock. It will be interesting. All Breweries are specialy invited.

MRS. BATONYI SECURES DIVORCE FROM HUSBAND

New York, Oct. 20.—Mrs. Frances-Burke-Roche Batonyi was granted an absolute divorce today from Aurel Batonyi, the Austrian horseman.

The verdict of the jury will have to be confirmed by the judge before a decree will be granted.

This verdict follows upon two years of charge and counter-charge between the daughter of Frank Work, the New York millionaire, and Batonyi who has been associated with wealthy horse fanciers since he came to this country in 1890.

Mrs. Batonyi sued for divorce on statutory grounds, first alleging at least ten instances of unfaithfulness.

At the trial, however, she withdrew all but two charges therein involving her husband with two New York women.
