Oracle--Isis--Globe

For Christmas week we have arranged an excellent program of pictures, one of the best we have ever given the Ogden public.

When we tell you a picture is good you know it is GOOD.

In our line of features we have three Biographs, viz: THE RED-MAN'S VIEW, a story of the Red-man's persecution. It is both unique and novel, because it presents the Indian side of the story.

THROUGH THE BREAKERS, a Biograph story of the Slaves of Society, showing what is undoubtedly the cardinal sin of society's devotees: Neglect of Home.

THE OPEN GATE. This is a Biograph story that is bound to touch the hearts of all. It beautifully depicts the extreme adherence to duty by the true woman.

THE HEROINE OF MAPEKING, another of Selig's stirring pictured stories of the Boer War.

THE ENGINEER'S DAUGHTER, a rousing Western railroad story by Selig.

JUDGMENT. This is an Essay Western story, a tragedy, but not of the horror kind, a vivid, fascinating study of the way of the transgressor and his ultimate destruction.

We have plenty of comedy, such as THE BEST MAN WINS—NOTHING IS EVER LOST—THE SLEEPER—FINNEGAN'S INITIATION and others.

Our songs are of the latest, music new and of the best. Homes warm and comfortable, a pleasant place to spend an hour.

Ladies' Souvenir Matinee at the Oracle and Globe, Wednesday, 1st, Thursday afternoon, Children's Candy Matinee Friday afternoon, Account Xmas Saturday. Don't Forget the Day-Friday—and we'll Have Plenty of Candy.
