A King's Library.

Frederick the Great employed architects to build a library, but they fought with true professional etiquette over their designs. The monarch who had braved the might of Europe was not to be defeated by a parcel of nagging professional men. "Confound you," said the king, "don't waste any more time! This cupboard opposite me is of a very good design; copy that." They did as they were ordered.

Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are applied; pipes take the place of diseased sections of veins, antiseptic dressings are applied to wounds, bruises, burns and like injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by Stone & Mercer.

The Runaway.

Ever since the world was young, Striving fast and faster, Runaway and ready Tanager, Tried to be the master, If you'll only hark a bit, Not a moment has he quit.

But he has the honest wit, When he meets disaster, To perceive that Think-a-bit Is the greater master; And next time, if he is wiser, He lets Think-a-bit advise. —Frank Walcott Hutt in Youth's Companion.

Is It Up to the Doctor.

A lady wrote us from Winchester, Va. that she had been under a doctor's care for four years for dyspepsia, the pain appeared to center under the left shoulder blade, was so severe at times that she could neither eat nor sleep. She had lost faith in her home doctor and asked us to send her sample of Dr. Gunn's Improved Liver Pills, which had been recommended to her. We sent her two pills, in a few days she sent for a box. Now she writes that the pain under her shoulder has left her entirely, she enjoys her meals and never sleeps less than eight hours every night, and that all come about in two weeks, and cost her 50 cents, for two boxes of pills. Says the doctor charged her \$30.00 and that she told him he had better take the \$50.00 and invest it all in Dr. Gunn's Improved Liver Pills and build up his practice. Sold by Druggists for 25 cents per box. Any one having dyspepsia bilious spells or sick headache can get a speedy cure by the use of these pills.

The Curing of Ants.

A naturalist found black ants were devouring the skins of some bird specimens on a table, so he made tar circles on four pieces of paper and put one under each leg of the table. Ants will not cross tar. Pretty soon he found the ants busily at work again, and looking at the tar circles, found each one was bridged by bits of sand, which the clever ants had brought in from the street.

STURM & CO. RELY UPON HYOMEI.

Cures Colds, Coughs, Catarrh and Grip. Just Breathe It.

Hyomei is nature's own method for curing catarrh, colds, coughs and diseases of the respiratory organs. It is the only natural treatment for the cure of these troubles.

Breathed through the neat pocket inhaler that comes with every outfit, the air fast passes into the throat and lungs, is identical with that on the mountains, where it is laden with healing and health giving balsams. It searches out and kills disease germs in the most remote and minute air cells of the head, throat and lungs; it soothes and heals all irritation of the mucous membrane.

Hyomei is prescribed by physicians generally. Many of them use it themselves to break up a cold and prevent pneumonia.

The complete Hyomei outfit consists of a neat inhaler, that is so small and convenient that it can be carried in the pocket or purse, a medicine dropper and a bottle of Hyomei. This costs but \$1 and it will cure any ordinary case of catarrh. In chronic and deep seated conditions, longer use is necessary and extra bottles of Hyomei can be obtained for 50c, making it a most economical treatment for this disease.

Sturm & Co. have so much confidence in the power of Hyomei to cure catarrh and other diseases of the throat and lungs that they sell it under their personal guarantee to refund the money to any purchaser in case it fails to give satisfaction. They take all the risk themselves, and Hyomei costs you absolutely nothing unless it does you good.

Driven to Desperation.

Living at an out of the way place, remote from civilization, a family is often driven to desperation in case of accident, resulting in burns, cuts, wounds, ulcers, etc. Lay a supply of Bucklen's Arnica Salve. It's the best on earth. 25c, at Stone & Mercer's or Frank G. Bland's drug stores.
