**Cutlip Passes Through Belington.**  
Henry Cutlip, the fellow who passed himself here as a United States recruiting officer and hired a horse and buggy from the Clarksburg Transfer Company besides running a number of bills that he forgot to pay, has been heard from. He was seen going through Belington a day or so ago with this same horse and buggy and appeared to be perfectly unconcerned. It appears his name is Holcomb instead of Cutlip, but his mother was a Cutlip. He was engaged along the route passing bogus checks.

Rev. Warmann was here from Lumberton Monday.

If you desire to make a safe investment in real estate that will bring you from twenty-five to fifty per cent. in the next two or three years come and see us.  
There is better opportunities in Clarksburg for good paying investments than any other city in West Virginia. Why? Because we have the cheapest natural gas in the world; we are in the center of one of the greatest coal belts in the United States. Clarksburg is the freight center of the State of West Virginia. Pittsburg freight rates will sooner or later be effective from this point. This is the reason large manufacturing plants are locating here and more to come.
