

RHEUMATISM ROOTED OUT

Colonel Dillingham's Medicines Per- Remarkable Cure in the Case of Mannie Nusbaum, the Pop- ular Clothier.

Since the establishment of the distributing station of the Dillingham remedies in Clarksburg and the willingness of the gifted proprietor to provide treatment for all who apply, some of the most remarkable cures ever recorded have been made by the use of his remedies. The greatest and most startling success, however, has followed the introduction of his new discovery for rheumatism, called "Rumanon." This is a preparation which Col. Dillingham has been working out for a long time, and since locating in Clarksburg has been able to announce the remedy to be complete in all its qualities.

About ten days ago Col. Dillingham prepared four packages of this remedy for use. Among other persons who called at his headquarters, the popular clothier on Third street, Mannie A. Nusbaum, who for several years has suffered with rheumatism, joints stiff and sore, and in a great deal of pain continually. When he called on Col. Dillingham he was in great pain. After an interview with Col. Dillingham, in which he gave a complete description of his ailment, his helplessness and the terrible pains he suffered, the Colonel decided to give him a trial treatment of "Rumanon." This consisted of eight doses, with complete directions for taking. Col. Dillingham instructed the unfortunate man to take the medicine according to directions and to let him know the result. This was about four days ago. The report on Mr. Nusbaum's condition was received on Friday and was most marvelous. He threw his arms, limbs and joints in various positions and stated to a reporter that all the pain, soreness and stiffness had gone and that he was cured.

A neighbor of Mr. Nusbaum's who had noted his condition for the past six months and deeply sympathized with him in his affliction, was amazed at his quick recovery and asked him how it had been brought about. Nusbaum took him into a room and took out a box full of empty bottles, the contents of which represented many dollars, and showing them to his neighbor, said:

"These bottles represent every kind of rheumatism medicine almost known to man, but none of them did me any good and I continued to get worse."

Then he produced a small bottle that had contained "Rumanon" sold to him by Col. Dillingham, and proudly remarked:

"Here is the medicine that did work. I took eight doses of it as directed and was able to go to work. My cure has been simply miraculous."

This neighbor came to Col. Dillingham on Friday with the report and bought a treatment of "Rumanon" for himself. Col. Dillingham has undoubtedly the greatest preparation for the successful treatment of rheumatism ever discovered, and this cure right under the personal observation of every one who cares to know of its details is a most convincing evidence of the truth of this statement.

"Rumanon," the great cure for rheumatism, is now for sale by Col. Dillingham at his headquarters, and since its absolute efficacy has been established people suffering with that affliction can use it with the utmost confidence in the result.

The entertainments will continue every night as heretofore, and a new and attractive program has been provided for every night.

Plenty of Proof

From People Who Know—From Clarksburg Citizens.

The greatest skeptic can hardly fail to be convinced in the case of evidence like this. It is impossible to produce better proof of merit, than the testimony of Clarksburg, of people who can be seen at any time. Read the following case of it:

G. A. Carder, shoemaker, of 106 East Elk street, says: "For fifteen years every now and then I had attacks of back-ache, some of them so severe that I was unable to get around. The dull, bearing-down pain just across the kidneys rendered stooping or lifting almost impossible, and morning after morning when I awakened it required extra effort to turn over in bed. Stiffness and soreness across the small of my back was very pronounced when the attacks were in the acute stage and so that there could be any doubt left as to the cause of the complicated trouble with the kidney secretions existed. Doan's Kidney Pills came to my notice and I went to Wells & Haymaker's drug store for a box. Relief followed after a dose or two, and a continuation of the treatment stopped the last attack. I have not the slightest hesitation in saying that Doan's Kidney Pills act as represented."

For sale by all dealers. Price 50 cents. Foster-McBurr Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

NATURAL GAS RATES

The following prices for cook stoves lights and gas sold by meter for domestic use will be charged by the Clarksburg Light & Heat Company beginning July 1, 1904:

Gross Rates.

Cook stoves, per month.....\$11.00
Jets, per month..... 11
Gas by meter (for domestic use) per 1,000 feet..... 12

If paid on or before the 10th day of each month there will be allowed a discount from above prices of 10c on each stove, 1c on each light and 2 cents on each 1,000 feet of gas used through meter for domestic purposes, making the net prices:

Cook stoves, per month.....\$10.00
Jets, per month..... 10
Gas by meter (for domestic use) per 1,000 feet..... 10

Meter readings for June will be charged for at rate heretofore charged by the old companies.

In fixing the above rates the new company has made use of the original prices adopted by the West Fork Oil and Natural Gas Company at its organization.

It is not the desire of the new company to benefit by the forfeit of any cash discount by its customers, the object being to encourage the prompt payment of gas accounts, so the company can promptly close its books.

After July 1, 1904, the office of the West Fork Oil and Natural Gas Company will be discontinued, and all accounts due them will be collected at the office of Clarksburg Light & Heat Company, in Oak Hall building, on Main street, present office of Mountain State Gas Company.

WHAT IS CATARRH?

Hyomei Only Guaranteed Cure for This Common and Disagreeable Disease.

Hyomei cures catarrh by the simple method of breathing it into the air passages and lungs. It kills the germs of catarrhal poison, heals and soothes the irritated mucous membrane and effectually drives this disease from the system.

If you have any of the following symptoms, catarrhal germs are at work somewhere in the mucous membrane of the throat, bronchial tubes or tissues of the lungs:

Offensive breath, dryness of the nose, pain across the eyes, pain in back of the head, pain in front of the head, tendency to take cold, burning pain in the throat, hawking to clear the throat, pain in the chest, a cough, stitch in side, loss of flesh, variable appetite, low spirited at times, raising of frothy mucus, expectorating yellow matter, difficulty in breathing, frequent sneezing, huskiness of voice, discharge from the nose, stoppage of the nose at night, aching of the body, droppings in the throat, mouth open while sleeping, itching back of the palate, formation of crusts in the nose, dryness of the throat in the morning, loss of strength, spasms of coughing, cough short and hacking, cough worse nights and mornings, less in vital force, a feeling of tightness across the upper part of the chest.

Hyomei will destroy activity of all catarrhal germs in the respiratory organs and in a few weeks the cure will be complete.

This is a strong statement, but C. D. Sturm & Co. emphasize it by agreeing to refund your money if Hyomei does not cure.

Terms of Sale:—One-third cash in hand upon date of sale, and the residue upon a credit of one and two years, with interest from date of sale, for which the purchaser or purchasers will be required to give promissory notes with good personal security, and in addition thereto a lien will be retained upon the estate sold in the property as further security.

YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned. Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered kidneys. A simple test for kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

Some Pronounced Incurable.

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

Edward Hulse, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."
