If You Have Dyspepsia, Read This.
The old way of taking pepsin, bismuth, etc., to cure dyspepsia, is wrong. The object is to create artificial digestion, but this does not cure. Stop taking the pepsin, you have your dyspepsia back again. The only common sense method is to drive out of the system the cause of dyspepsia, by cleansing the stomach and bowels, at the same time use a medicine that will act on the liver. Dr. Gunn's Improved Liver Pills cure by this method and the cure is permanent. One pill for a dose. 25c a box, at druggists or by mail. Samples free. Write Dr. Bosanko Co., Philadelphia, Pa. Sold by Stone & Mercer.

But Few Are Free.

But few people are entirely free from indigestion at this season of the year. Kodol Dyspepsia Cure is not only the best remedy to use because it digests what you eat but because it also enables the digestive apparatus to assimilate and transform all foods into tissue building blood. Kodol relieves sour stomach, heart burn, belching and all forms of indigestion. Sold by Stone & Mercer.

SWEET MELODY FLOUR.

Every Ounce You Eat.

Every ounce of food you eat that fails to digest does a pound of harm. It turns the entire meal into poison. This not only deprives the blood of the necessary tissue-building material, but it poisons it. Kodol Dyspepsia Cure is a perfect digestant. It digests the food regardless of the condition of the stomach. It allows that organ to rest and get strong again. Relieves belching, heart burn, sour stomach, indigestion palpitation of the heart, etc. Sold by Stone & Mercer.

Croup is quickly cured, and whooping cough will not "run its course" if you use the original Bee's Laxative Honey and Tar. This cough syrup is different from all others because it acts on the bowels. You can not cure croup and whooping cough until you rid the system of all congestion, by working off the cold through a copious action of the bowels. Bee's Laxative Honey and Tar does this, and cures all coughs, croup, whooping cough, etc. No opiates. Sold by Stone & Mercer.
