**Well Placed.**  
The bundle in a small district in Fertile had become the feeble to perform his duties as minister's man and gravedigger and had to get an assistant. The two did not agree well but after a few months Scully (the bundle) died, and Tammas had to perform the last service for his late partner. The minister stroled by to Tammas while he was giving the funeral touch as to the grave and casually remarked, "Have you put Sandy weel down?" Tammas' "if he's that, air," said Tammas very decidedly. "Sandy may get up, but he'll be among the hired most."

**Why Brevity Was Called Benetown**  
The town of Beverly, Mass., was so off from the town of Salem more than 200 years ago. About that time, it is said, a schooner with a full cargo of beans entered that port. This supplied the whole town with beans; hence the name given to the inhabitants, "Beverly Beansers." In 1687 the town of Beverly voted to impose a tax of 10 shillings on all future absentees from town meetings. In 1751 twenty-eight slaves were owned in the town. The first Sunday school in America was established in Beverly in 1810.

**Animals and Pains.**  
A correspondent furnishes to a London Journal some curious instances of the apparent lack of highly developed powers of feeling pain in animals. He has, he says, seen a sparrow who fell to the ground and in less than two minutes began picking up grains that happened to be lying near it. On another occasion a tame rabbit was deprived by a sparrow of its tail, bone and all. It took not the slightest notice of its loss and began feeding again directly it returned to its burrow.

### MADE FROM NATIVE ROOTS. SAFE AND RELIABLE.

The roots of many native plants, growing wild in our American forests, possess remarkable properties for the cure of human maladies as well known. Even the untutored Indian had learned the curative value of some of these and taught the early settlers their uses. The Indian never liked work so he wanted his squaw to get well as soon as possible that she might do the work and let him hunt. Therefore, he dug "pawpaw root" for her for that was their great remedy for female weaknesses. Dr. Pierce uses the same root—called Blue Cohosh—in his "Favorite Prescription," skillfully combined with other agents that make it more effective than any other medicine in curing all the various weaknesses and painful derangements peculiar to women. Many afflicted women have been saved from the operating table and the surgeon's knife by the timely use of Doctor Pierce's Favorite Prescription. Tenderness over the lower pelvic region, with bearing down pains or distress should not go unheeded. A course of "Favorite Prescription" will work marvelous benefit in all such cases, and generally effect a permanent cure if persisted in for a reasonable length of time. The "Favorite Prescription" is a harmless agent, being wholly prepared from native medicinal roots, without a drop of alcohol in its make up, whereas all other medicines, put up for sale through druggists for women's peculiar ailments, contain large quantities of spirituous liquors, which are very harmful, especially to delicate women. "Favorite Prescription" contains neither alcohol nor harmful habit-forming drugs. All its ingredients are printed on each bottle wrapper. It is a powerful invigorating tonic, imparting health and strength in particular to the organs distinctly feminine. For weak and sickly women, who are "worn-out," or debilitated, especially for women who work in store, office, or school-room, who sit at the typewriter or sewing machine, or bear heavy household burdens, and for nursing mothers, Dr. Pierce's Favorite Prescription will prove a priceless benefit because of its health-restoring and strength-giving power.

For constipation, the true, scientific cure is Dr. Pierce's Pleasant Pellets. Mild, harmless, yet sure.

## STOPS ANY ITCHING

Doan's Ointment Cures Eczema and Itching Piles.—Clarksburg People Recommend It.

One application of Doan's Ointment stops any itching. Short treatment cures eczema, itching, piles, salt rheum—any skin eruption or skin itching. It is the cheapest remedy to use, because so little of it is required to bring relief and a cure. Here is Clarksburg testimony to prove it:

Andrew S. Cries, retired wagon maker, of 203 Mechanic street, corner of Secong street, says: "For healing and allaying irritation Doan's Ointment is a marvel. A peculiar eruption on my scalp annoyed me for several months. The itching was something terrible, and if I rubbed it, it bled and greater irritation followed, which ended in soreness. A brief use of Doan's Ointment which had the good fortune to learn about and which was procured at Wells & Haymaker's drug store, gradually contracted the area of the parts affected until it completely dried up. I cannot too strongly express my appreciation of Doan's Ointment. In hopes that this statement may be the means of giving others who may be annoyed in a similar way a chance to obtain the same results, is the reason why I allow my statement to be published."
