WAR OF BALLOONS

At Cincinnati's Great Industrial Schow.

"The Blue Moon" and "Fighting the Flames" Spectacles of Fall Festival.

CINCINNATI, O., August —Years ago Cincinnati was given the name "The Mother of Expositions." Those industrial shows of old pale in comparison with the Fall Festivals held on the sites of earlier triumphs of National prominence. The Festival of 1906—the first in three years—will eclipse in every way all its predecessors. On the night of the opening, August 28, a war of balloons will afford an aerial spectacle of a magnitude never before attempted. Twenty thousand 14-foot paper balloons will be sent up all over Cincinnati at a given signal, and while dynamite bombs hurled high are exploding, sending their thunderous echoes for miles around, the entire sky will be covered with the flaming voyagers of the air. Balloon will collide with balloon and the sight will be one of unique novelty.

The Fall Festival is to last four weeks and has been well defined as a "World's Fair in Tabloid Form." The Washington Park shows are grouped around the fountain, and will be on the order of the famous "Pike" at St. Louis and include "The Hippodrome," patterned after New York's big amusement palace; the Temple of Art, Hale's Tours, House of Nonsense and Palace of Amazin. The Backwoods Inn is a place of refreshment and vaudeville combined. Paris has her Chateau le Morte, and the Fall Festival House of Death is a miniature of one of the most famous cafes in the world. The service will be on coffins, and under the glass at the head of each black casket will blink the red eyes of a grinning skull. The chairs will be made of whitened bones.

These shows are merely incidental to great industrial features and a Government Exhibit worth talking about. At Music Hall, "The Blue Moon," staged by the Shuberts through the courtesy of the Heuck Opera House Company of Cincinnati, lessees of the Lyric Theater, will be given its first American presentation. This is the musical spectacle that enthused London for over a year. It cost \$75,000 to place "The Blue Moon" in American atmosphere. James T. Powers is the leading comedian of the star cast and 250 people take part. "Fighting the Flames"—the show which has made such tremendous hits at Luna Park, Coney Island, and at the White City, in Chicago—will be put on the back of the Exposition Building, the scene of "Marco Polo's" success. Claud Hagen, who originated the spectacle of fire fighting, is in charge of the Cincinnati construction.

The Fall Festival is Cincinnati's greatest amusement and industry offering to the country, and preparations are now under way to entertain hundreds of thousands of visitors from August 28 to September 22. Special round-trip rates to Cincinnati have been made by all the railroads—an official ruling that stamps the importance of the Fall Festival as a National event.

The disgusting discharges from the nose and throat and the foul catarrhal breath, are quickly dispensed with by using Dr. Shoop's Catarrh Cure. Such soothing antiseptic agents as Oil Bucalyptus, Thy mol, Wild Indigo, etc., have been incorporated into a snow white cream, making a catarrhal balm unexcelled. Sold by all dealers.

A Wonderful Record.

As made up by improved and exact processes Dr. Pierce's Favorite Prescription is a most efficient remedy for regulating all the womanly functions, correcting displacements, as prolapsus, anteverision and retroversion, overcoming painful periods, toning up the nerves and bringing about a perfect state of health. It cures the headache, periodical headaches, the dragging-down distress in the pelvic region, the pain and tenderness over lower abdominal region, dries up the catarrhal drain, so disagreeable and weakening, and overcomes every form of weakness incident to the organs distinctly feminine.

"Favorite Prescription" is the only medicine for women, the makers of which are not afraid to print their formula on the bottle wrapper, thus taking their patrons into their full confidence. It is the only medicine for women, every ingredient of which has the strongest possible endorsement of the most eminent medical practitioners and writers of our day, recommending it for the diseases for which "Favorite Prescription" is used. It is the only put-up medicine for women, sold through druggists, which does not contain a large percentage of alcohol, so harmful in the long run, especially to delicate women. It has more gentle effects to its credit than all other medicines for women combined, having saved thousands of sufferers from the operating table and the surgeon's knife. It has restored delicate, weak women to strong and vigorous health and virility, making motherhood possible, where there was barrenness before, thereby brightening and making happy many thousands of homes by the advent of little ones to strengthen the marital bonds and add sunshine where gloom and despondency had reigned before.

Write to Dr. R. V. Pierce. He will send you good, fatherly, professional advice, in a plain, readable envelope, absolutely free. Address him at Buffalo, N. Y. Dr. Pierce's Pleasant Pellets do not gripe. They effectually cleanse the system of accumulated impurities. The People's Common Sense Medical Advisor, by Dr. Pierce, 1008 pages, is sent free on receipt of stamps to pay the cost of mailing only. Send 21 one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address as above.
