**Dr. Pierce's Favorite Prescription**

Is a powerful, invigorating tonic, imparting health and strength in particular to the organs distinctly feminine. The local, womanly health is so intimately related to the general health that when diseases of the delicate womanly organs are cured the whole body gains in health and strength. For weak and sickly women who are "worn-out," "run-down" or debilitated, especially for women who work in store, office or schoolroom who sit at the typewriter or sewing machine, or bear heavy household burdens, and for nursing mothers, Dr. Pierce's Favorite Prescription has proven a priceless benefit because of its health-restoring and strength-giving powers.

As a soothing and strengthening nerve-tonic, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea, or St. Vitus's dance, and other distressing nervous symptoms commonly attendant upon functional and organic disease of the womanly organs. It induces refreshing sleep, relieves mental anxiety and despondency.

Course obstinate cases. "Favorite Prescription" is a positive cure for the most complicated and obstinate cases of "female weakness," painful periods, irregularities, prolapsus or falling of the pelvic organs, weak back, bearing-down sensations, chronic congestion, inflammation and ulceration.  
Harmless but efficient medical roots found growing in our American forests. The Indians knew of the marvelous curative value of some of these roots and imparted that knowledge to some of the frontier whites, and gradually some of the more progressive physicians came to test and use them, and ever since they have grown in favor by reason of their superior curative virtues and their safe and harmless qualities.  
Your druggists sell the "FAVORITE PRESCRIPTION" and also that famous alterative, blood purifier and stomach tonic, the "GOLDEN MEDICAL DISCOVERY." Write to Dr. Pierce at our office. He is an experienced physician and will treat your case as confidential and without charge for correspondence. Address him at the Invalid Surgical Institute, Buffalo, N. Y., of which he is chief consulting physician.

We are extremely anxious to have our customers try a package of our most excellent cereal coffee. Dr. Shoop's Health Coffee is designed particularly for nervous trouble, stomach, liver and kidney complaints invariably aggravated by coffee drinking. Health Coffee consists of pure toasted grains, malt, fruits, etc. The flavor is of true old government Java coffee yet not a grain of true coffee is used. Sold by all dealers.

If your neighbor makes good bread you will find she uses Pillsbury's Best Flour

**"THE SHOO-FLY REGIMENT"**

Cole and Johnson, whom Melville B. Raymond is presenting in their own original creation "The Shoo-Fly Regiment," are composers and authors of a large number of song hits than fall to the lot of the average song-writers, having had over a hundred songs that the public are familiar with. One of the things that has been said of popular songs more than all else, is that as poetry they are atrocious. There are many men of letters who say the words written by these colored boys are different. The distinguished humorist, Mark Twain, told them the words of the song "Sense You Went Away" was the best dialect verse written in years. One of their songs used during the last presidential campaign earned them a commendation from President Roosevelt. During their tours in vaudeville both in this country and abroad they have been invited to entertain most distinguished persons.

On their last visit to London Cole and Johnson were invited to entertain at the Elizabethan Fete given under the patronage of His Royal Highness the Duke of Connaught, brother of the King. Melville B. Raymond in presenting them in "The Shoo-Fly Regiment" feels that he is offering the public a most unique entertainment and one that will afford them amusement of a high order. At the new Grand Friday, Aug. 31. Prices 25, 50, 75c and \$1.00.
