School Shoes

¶ The merit of our school shoes is unquestioned.
¶ We have been exceedingly careful in the selection of this very important part of our stock.
¶ We realize that it is no use for us to sell a shoe that will not wear to the boys and girls at school.
¶ It would be folly for us to do this, as we sell the kind of shoes that will insure continued patronage. All we ask is a trial of our school shoes. Afterward you'll come here of your own accord.
