OLD SORES FED AND KEPT OPEN BY IMPURE BLOOD
A great many people have an idea that old sores exist merely because of a diseased condition of the flesh where the ulcer is located. They impatiently apply salves, powders, plasters and other external applications, but in spite of all such treatment the place refuses to heal. Whenever a sore or ulcer does not heal readily the blood is at fault; this vital fluid is filled with impurities and poisons which are constantly being discharged into the place, feeding it with noxious matter, which makes it impossible for the sore to heal. Old sores may be the result of an inherited blood taint, or the effects of a long spell of sickness, or again the circulation may be contaminated with the collections of refuse matter which the different members have failed to expel through the channels of nature. Whatever the cause the blood becomes steeped in poison and a cut, bruise, scratch or other wound often develops into a sore, fed and kept up by these impurities, causing it to eat deeper into the surrounding tissue, inflaming, festering and causing pain. External applications can only keep the sore clean; they cannot cure it. S. S. S. cures Old Sores by going to the very bottom of the trouble, driving out the impurities and poisons and purifying and building up the entire circulation. When S. S. S. has removed the cause the blood becomes rich and healthy, the sore begins to heal, new flesh is formed, the place scabs over and is soon permanently healed. Rheumatism
I have found a tried and tested cure for Rheumatism! Not a remedy that will strip the blood of its life-giving elements, nor one that grows the back to flesh again. That is impossible. But I can now surely kill the pain and purge of this deplorable disease.
In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made, a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, I uniformly cure all curable cases of this deplorable much dreaded disease. These Rheumatic wastes, found in Rheumatic blood, and pass away under the action of the medicine, freely as does sugar when added to water. And then, when dissolved, these poisons waste freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer long without help. We sell, and in confidence recommend
