### READ AND YOU WILL LEARN

That the leading medical writers and teachers of all the several schools of practice endorse and recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for a cure of every such dyspeptic, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever nature, name, or nature. It is also a specific remedy for all such chronic conditions, standing chief of catarrhal affections of the stomach, bowels, and urinary tract, and lung diseases (except consumption) accompanied with severe cough. It is not so good for acute colic and constipation for lingering or chronic cases, it is especially efficacious in producing permanent cures. It contains Black Cherry bark, Golden Seal root, Broomrape root, Sassafras root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by eminent medical writers and teachers as Prof. Barshlow, of Jefferson Med. College; Prof. Felt, of Univ. of Pa.; Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., of Glencross; Prof. John J. Scudder, of New York; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice. The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes, that has any such professional endorsement—worth more than any number of ordinary testimonials. Open publicity of its merits on the bottle wrapper is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous or harmful agents and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful ingredient in the cure of all stomach as well as bronchial, throat, and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native medicinal roots and is safe and reliable. A booklet of extracts from eminent medical authorities, concerning this remedy, gratis mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

#### M'CLURE'S FOR 1907

In the January number of McClure's will begin the Life of Mary Baker G. Eddy and the History of the Christian Science Movement. For the first time a complete, impartial and true story of Mrs. Eddy and Christian Science is to be had—it will run throughout the year. Georgine Milmine has written the story—for nearly three years she has pursued her study of the subjects. Five other writers of McClure's staff have worked with her to make this story accurate, fair, unbiased and complete. In view of the fact that for some months the press has been full of diverse and conflicting news and statements regarding Mrs. Eddy, it is evident that accurate knowledge concerning her is difficult to obtain in a short time. Consequently McClure's long and thorough preparation of its series will give us for the first time a true history and account of her and her cult.

Carl Schurz's reminiscences of a long life will be continued. William Allen White, Samuel Hopkins Adams, Burton J. Hendrick and George Kibbe Turner will also contribute to McClure's powerful articles on present day topics, conditions and men of national interest.

George Kennan who won his spurs by his remarkable series on Siberia and Russia's Exile System has been added to McClure's staff. Ellen Terry contributes an intimate history of the English drama of our day. This writing teems with anecdotes and incidents from the lives of the great actors whom she knew intimately.

For the story readers products of all McClure's fiction favorites will appear and a large number of writers who have "hit" recently. Such well known names as Joseph Conrad, Mary Stewart Cutting, Perseval Gibbon, Viola Roseboro, O. Henry, Myra Kelly, Rex Beach, Mrs. Wilson Woodrow and Helen R. Martin give promise of as good stores of various sorts as any reader could wish. Illustrators of note and merit will also contribute their share and add to the authors productions and enhance the writings and stories by scores of pictures and illustrations in every issue.

## Indigestion

Stomach trouble is but a symptom of, and not itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific nerve sickness—nothing else. It was this fact that first correctly led Dr. Shoop to the creation of that now very popular Shoop's Restorative. Dr. Shoop's Restorative. Give to the stomach nerve, whose trouble that causes and favor to Dr. Shoop and his Restorative. With out these original and highly vital principles, a such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, headache and yellow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for you self what it can and will do. We sell and cheerfully recommend.
