

BECOMING A MOTHER

Is an ordeal which all women approach with indescribable fear, for nothing compares with the pain and horror of child-birth. The thought of the suffering and danger in store for her, robs the expectant mother of all pleasant anticipations of the coming event, and casts over her a shadow of gloom which cannot be shaken off. Thousands of women have found that the use of Mother's Friend during pregnancy robs confinement of all pain and danger, and insures safety to life of mother and child. This scientific liniment is a god-send to all women at the time of their most critical trial. Not only does Mother's Friend carry women safely through the perils of child-birth, but its use gently prepares the system for the coming event, prevents "morning sickness," and other discomforts of this period.

DEER SEASON

It is Now Open and Continues Until Dec. 15.—Other Game Law Items.

The deer season has opened in West Virginia for and continues until December 15. The law, however, does not create much enthusiasm among hunters as there are few deer in the state, and practically all of those are in the Southern and Eastern section of the state. To bag a deer is the aim of every good sportsman, but they are so few in West Virginia that our nimrods go to Maine and other points for this prize game.

There is plenty of quail, however, and it is of more interest to sportsmen to announce that the quail season opens November 1. The quail season is short, lasting only until December 20. The season for rabbits, squirrel and all other kinds of game is now on and many sportsmen are bagging large quantities of game.

The following limitations, placed by the state game laws on the bagging of game, should be of interest to the sportsmen; one person being allowed to bag the following numbers:

- Quail, twelve in one day.
- Deer, two in one season.
- Running deer with dogs prohibited.
- Hunting with ferrets prohibited.
- Eggs of all nesting birds protected.

All "non-game" birds, not especially predatory upon the destruction of the agricultural products of man are protected the entire year. Non-residence license \$15, and \$1 recording fee.

SWEET MELODY FLOUR.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
