

OLD SORES FED AND KEPT OPEN BY IMPURITIES IN THE BLOOD

If Old Sores were due to outside influences, or if the cause was confined strictly to the diseased flesh around the ulcer, then external treatment and simple cleanliness would cure them. But the trouble is in the blood, which has become unhealthy and diseased, and keeps the sore open by continually discharging into it the impurities and poisons with which the circulation is filled. This poisonous condition of the blood may be the remains of some constitutional trouble; the effect of a long spell of sickness, or because the natural refuse of the body, which should pass off through the proper avenues, has been left in the system and absorbed into the blood. Again, the cause may be hereditary; but it does not matter how the poison becomes entrenched in the blood, the fact that the sore will not heal is evidence of a deep underlying cause. Salves, washes, lotions, etc., may cause the place to scab over temporarily, but the blood is not made any purer by such treatment, and soon the old inflammation and discharge will return and the sore be as bad or worse than before. S. S. S. goes down to the very bottom of the trouble, cleanses and purifies the blood, and makes a permanent cure. S. S. S. enriches and freshens the circulation so that instead of discharging unhealthy matter into the place, it carries rich, tissue-building, flesh-healing blood to the diseased parts and in every way assists in a natural cure of the sore. Book on Sores and Ulcers and any medical advice free to all who write.

VIOLATIONS

Of the Game Laws of the State as to Shooting of Birds is Reported as Being Violated.

The quail season does not come in until November 1, yet a number of violations have been reported. It appears that the deputy game wardens are negligent in this respect or more likely ignorant of the fact that the law is being violated. The matter will in all probability be reported to the prosecuting attorney and the judge of the circuit court so that the next grand jury may have a hand in correcting these things and seeing that the game laws are observed hereafter by making examples of those who violate them.

DECORATING THE HALL

The Rebekahs are decorating the Odd Fellows hall for the Grand Lodge, which will meet here next month. The local branches of the order will be busy until the Grand Lodge comes, preparing for the entertainment of the visitors.

RESOLUTIONS

Adopted by the Ladies of the Modern Maccabees.

Whereas the angel of death has once more invaded our ranks and our beloved Sister Nettie Brooks, who has stood with us in the joys of a hopeful life and shared in our social and fraternal work has been summoned to join the ever increasing throng of those who have been transported to their heavenly home, we are again thus reminded that "in the midst of life we are in death, our days are as snow, there is none abiding." We cannot question the hand that has permitted the scythe of the reaper to gather such golden grain, yet we miss her more than we can tell, and the vacant place in our lodge room fills us with unspeakable loneliness, therefore, be it

Resolved, That the memory of our departed sister shall not fade from among us but that the records of her virtues and worth shall be cherished and inscribed upon our hearts.

We cannot say we will not say she is dead, she is just away with a cheery smile and a wave of the hand, she has wandered into a better land.

We your committee respectfully submit these resolutions and ask that they be spread upon the minutes of our lodge and a copy be sent to the bereaved family of our deceased sister and that they be placed in the daily papers.

MISS MYRTLE PECK,
MRS. C. W. PRITCHARD,
MRS. WILLIAM DAVISSON,
Committee.
